## **Credit Acceptance Named a 2021 Top Workplaces USA Award Winner**

February 2, 2021

Southfield, Michigan, Feb. 02, 2021 (GLOBE NEWSWIRE) -- **Credit Acceptance Corporation (Nasdaq: CACC)** (referred to as the "Company", "Credit Acceptance", "we", "our", or "us") has been named a 2021 Top Workplaces USA Award winner.

This award celebrates nationally recognized companies that make the world a better place to work together by prioritizing a people-centered culture and giving employees a voice. The award is based solely on the results of a team member survey administered last year by Energage, LLC, an employee research and culture technology firm. Several aspects of our workplace culture were measured in 2020, including alignment, execution, and connection, just to name a few.

### **About Credit Acceptance**

Since 1972, Credit Acceptance has offered financing programs that enable automobile dealers to sell vehicles to consumers, regardless of their credit history. Our financing programs are offered through a nationwide network of automobile dealers who benefit from sales of vehicles to consumers who otherwise could not obtain financing; from repeat and referral sales generated by these same customers; and from sales to customers responding to advertisements for our financing programs, but who actually end up qualifying for traditional financing.

Without our financing programs, consumers are often unable to purchase vehicles or they purchase unreliable ones. Further, as we report to the three national credit reporting agencies, an important ancillary benefit of our programs is that we provide consumers with an opportunity to improve their lives by improving their credit score and move on to more traditional sources of financing. Credit Acceptance is publicly traded on the Nasdaq stock market under the symbol CACC. For more information, visit [creditacceptance.com](http://creditacceptance.com).
