Item 1.01 Entry into a Material Definitive Agreement.

The information set forth below under Item 2.03 is hereby incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On August 24, 2023, Credit Acceptance Corporation (the “Company”, “Credit Acceptance”, “we”, “our”, or “us”) entered into a \$400.0 million asset-backed non-recourse secured financing (the “Financing”). Pursuant to the Financing, we conveyed consumer loans having a value of approximately \$500.1 million to a wholly owned special purpose entity, Credit Acceptance Funding LLC 2023-3 (“Funding 2023-3”), which transferred those consumer loans to a trust, which issued three classes of notes:

Note Class	Amount	Average Life	Price	Interest Rate
A	\$ 209,411,000	2.44 years	99.97990 %	6.39 %
B	\$ 90,587,000	3.06 years	99.97533 %	7.09 %
C	\$ 100,002,000	3.47 years	99.98573 %	7.62 %

The Financing will:

- have an expected average annualized cost of approximately 7.3% including the fees of the initial purchasers and other costs;
- revolve for 24 months, after which it will amortize based upon the cash flows on the conveyed loans; and
- be used by us to repay outstanding indebtedness and for general corporate purposes.

We will receive 4.0% of the cash flows related to the underlying consumer loans as a servicing fee to cover our servicing expenses. The remaining 96.0%, less amounts due to dealers for payments of dealer holdback, will be used to pay principal and interest on the notes as well as the ongoing costs of the Financing. The Financing is structured so as not to affect our contractual relationships with dealers and to preserve the dealers’ rights to future payments of dealer holdback.

The notes have not been and will not be registered under the Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This Current Report on Form 8-K does not and will not constitute an offer to sell or the solicitation of an offer to buy the notes.

The parties to the Financing are the Company, as servicer, Credit Acceptance Auto Loan Trust 2023-3, as issuer (the “Trust”), Funding 2023-3, as seller, and Computershare Trust Company, N.A., as trust collateral agent, indenture trustee and backup servicer.

The Financing creates debt for which the Trust is liable and which is secured by all the assets of the Trust. Such debt is non-recourse to the Company (other than customary, limited recourse to the Company in the form of repurchase obligations or indemnification obligations for any violations by the Company of its representations or obligations as seller, servicer, or custodian), even though the Trust, Funding 2023-3 and the Company are consolidated for financial reporting purposes. Except for the servicing fee and payments due to dealers, if the Financing is amortizing, the Company does not have any rights in any portion of such collections until all outstanding principal, accrued and unpaid interest, fees, and other related costs have been paid in full. If the Financing is in its revolving period, Funding 2023-3 is entitled to the portion of such collections available after application of any amounts necessary to acquire additional consumer loans from the Company and to pay accrued interest on the debt and any other transaction expenses, provided that any necessary principal payments are made to compensate for reductions in the balance of eligible loans or reductions in forecasted collections. In addition, in its capacity as servicer of the consumer loans, the Company does have a limited right to exercise a “clean-up call” option to purchase the consumer loans from Funding 2023-3 and/or the Trust under certain specified circumstances.

The Financing may be accelerated upon the occurrence of an “indenture event of default.” An “indenture event of default” includes: a default by the Trust in the payment of interest or principal when due; any breach of covenant or any material breach of representation or warranty that is not cured within a specified time following notice; the occurrence of certain bankruptcy or insolvency events involving the Trust or Funding 2023-3; the failure of cumulative collections on the transferred assets to be more than a threshold percentage of cumulative projected collections for three consecutive collection periods; a transfer by Funding 2023-3 of its ownership of the Trust (other than as permitted by the transaction documents); the failure of Funding 2023-3 to observe in any material respect any of its limited purpose covenants after giving effect to notice and grace periods; the failure of the indenture trustee to have a valid and perfected first priority security interest in a material portion of the Trust’s property if such failure has not been cured within ten business days; the Issuer becoming an investment company within the meaning of the Investment Company Act of 1940; and the cessation of any transaction document to be in full force and effect.

The terms and conditions of this transaction are set forth in the agreements attached hereto as Exhibits 4.129 through 4.134 which agreements are incorporated herein by reference.

Item 8.01 Other Events.

On August 24, 2023, we issued a press release regarding the Financing. The press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

GRANTING CLAUSE

The Issuer hereby grants to the Indenture Trustee for the benefit of itself and the Noteholders, as their respective interests may appear, a first-priority perfected security interest in all of the Issuer’s right, title and interest in and to all assets and personal property of the Issuer, including but not limited to, all of the Issuer’s accounts, chattel paper, goods, deposit accounts, documents, general intangibles, instruments, investment property, letter of credit rights, money and supporting obligations and all proceeds of the foregoing (as each such term is defined in the UCC, collectively, the “Collateral”) now owned or hereafter acquired, which Collateral shall be held by the Trust Collateral Agent on behalf of the Indenture Trustee, subject to the lien of this Indenture.

The foregoing grant is made in trust as security for the prompt and complete payment when due by the Issuer of the Issuer Secured Obligations. Such grant shall include all rights, powers and options (but none of the obligations) of the Issuer, including the immediate and continuing right to claim for, collect, receive and give receipt for principal and interest payments in respect of the Collateral and all other moneys payable thereunder, to give and receive notices and other communications, to make waivers or other agreements, to exercise all rights and options, to bring proceedings in the name of the Issuer or otherwise and generally to do and receive anything that the Issuer is or may be entitled to do or receive thereunder or with respect thereto.

The Indenture Trustee hereby acknowledges such grant, accepts the trusts under this Indenture in accordance with the provisions of this Indenture and agrees to perform its duties required in this Indenture to the best of its ability in order that the interests of the parties and the Noteholders, recognizing the priorities of their respective interests, may be adequately and effectively protected.

It is the intention of the Issuer and the Indenture Trustee that this grant constitutes a grant or assignment of a valid, first priority security interest in the Issuer’s rights in the Collateral, free and clear of all Liens (other than the security interest granted herein) to the Indenture Trustee. This Indenture shall be deemed to create a security interest and deemed to be a security agreement with respect to the Collateral within the meaning of Article 1, Article 8 and Article 9 of the Uniform Commercial Code as in effect in the States of New York and Delaware and under the law of all jurisdictions governing the creation and perfection of security interests in the Collateral.

Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

The Notes shall be typewritten, printed, lithographed or engraved or produced by any combination of these methods (with or without steel engraved borders), all as determined by the officers executing such Notes, as evidenced by their execution of such Notes.

Each Note shall be dated the date of its authentication. The terms of each of the Class A Notes set forth in Exhibit A-1 hereto, the Class B Notes set forth in Exhibit A-2 hereto and the Class C Notes set forth in Exhibit A-3 hereto are part of the terms of this Indenture.

SECTION 2.2 Execution, Authentication and Delivery.

The Notes shall be executed on behalf of the Issuer by any of the Authorized Officers of the Owner Trustee. The signature of any such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signature of individuals who were at any time Authorized Officers of the Owner Trustee shall bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of such Notes.

The Indenture Trustee shall upon receipt of the Issuer Order authenticate and deliver the Class A Notes for original issue in an aggregate principal amount of \$209,411,000, Class B Notes for original issue in the aggregate principal amount of \$90,587,000 and Class C Notes for original issue in the aggregate principal amount of \$100,002,000. The Class A Notes, Class B Notes and Class C outstanding at any time may not exceed such amounts.

Each Note shall be dated the date of its authentication. The Class A Notes, the Class B Notes and the Class C Notes shall be issuable as registered Notes in the minimum denomination of \$100,000 and integral multiples of \$1,000 thereafter.

It is intended that the Class A Notes, the Class B Notes and the Class C Notes be registered so as to participate in a book-entry system with the Clearing Agency as set forth herein. The Class A Notes, the Class B Notes and the Class C Notes shall each be initially issued in the form of a single fully-registered note for Qualified Institutional Buyers and a single fully-registered note for Institutional Accredited Investors, if any, with a denomination in the aggregate equal to the original principal balance of such class of Notes. Upon initial issuance, the ownership of such Notes shall be registered in the Note Register in the name of Cede & Co., or any successor thereto, as nominee for the Clearing Agency.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Indenture Trustee by the manual signature of one of its Responsible Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

SECTION 2.3. Registration of Transfer and Exchange of Notes.

(a) The Note Registrar shall keep or cause to be kept, at the office or agency maintained pursuant to Section 2.7, a Note Register in which, subject to such reasonable regulations as it may prescribe, the Indenture Trustee shall provide for the registration of Notes and for transfers and exchanges of Notes as herein provided. Computershare Trust Company, N.A. shall be the initial Note Registrar. Computershare Trust Company, N.A. shall be the Note Registrar so long as it is acting as Indenture Trustee hereunder. In the event that, subsequent to the Closing Date, the Indenture Trustee notifies the Seller that it is unable to act as Note Registrar, the Seller shall appoint another bank or trust company, having an office or agency located in Minneapolis, Minnesota or the Borough of Manhattan, The City of New York, agreeing to act in accordance with the provisions of this Indenture applicable to it, and otherwise acceptable to the Indenture Trustee, to act as successor Note Registrar under this Indenture. If at any time the Indenture Trustee is not the Note Registrar, the Note Registrar shall make available to the Indenture Trustee ten (10) days prior to each Distribution Date and at such other times as the Indenture Trustee may reasonably request the names and addresses of the Holders as they appear in the Note Register.

No sale, conveyance, assignment, hypothecation, pledge, participation, or any other transfer (each a “Transfer”) of a Note shall be made unless such Transfer is (A) for so long as the such Notes are eligible for resale pursuant to Rule 144A, to a Person the transferor reasonably believes after due inquiry is a “qualified institutional buyer” as defined in Rule 144A (“Qualified Institutional Buyer” or “QIB”) that purchases for its own account or for the account of a qualified institutional buyer to whom notice is given that the transfer is being made in reliance on Rule 144A or (B) solely with respect to initial investors in such Note, made in a transfer exempt from the registration requirements of the Securities Act, to a Person that is an institutional “accredited investor” within the meaning of paragraphs (1), (2), (3) and (7) of Rule 501(a) of Regulation D under the Securities Act (an “Institutional Accredited Investor”) that purchases for its own account or for the account or accounts of an Institutional Accredited Investor.

No portion of the Retained Notes or any interest therein may be transferred, directly or indirectly, to any Person (other than Credit Acceptance Funding LLC 2023-3 in the initial offering, which shall not be subject to any of the transfer restrictions set forth herein that relate specifically to each initial purchaser) except in accordance with this Section 2.3(a). No portion of the Retained Notes or any interest therein may be Transferred to any Person (each, an “Assignee”), unless the Assignee shall have executed and delivered the certifications referred to in this Section 2.3 and, except in connection with the initial Transfer of the Retained Notes to the Retained Noteholders, the Indenture Trustee has received a Tax Opinion with respect to such Transfer. Any attempted Transfer that would cause the number of Targeted Holders to exceed ninety-five shall be void. Upon request by a Retained Noteholder, the number of Targeted Holders shall be disclosed to such requesting Retained Noteholder.

All Opinions of Counsel required in connection with any transfer shall be by counsel reasonably acceptable to the Indenture Trustee.

Only upon receipt by the Indenture Trustee of the written consent of each of the Seller and the Servicer to such Transfer shall the Retained Notes (or such portion thereof) be transferred upon the Note Register; provided, however, that such consent shall only be withheld based upon the reasonable belief of the Seller or the Servicer that such Transfer may cause the number of Targeted Holders to exceed ninety-five. Such Transfers of all or any portion of the Retained Notes shall be subject to the restrictions set forth in this Section 2.3(a). Successive registrations and registrations of Transfers as aforesaid may be made from time to time as desired, and each such registration shall be noted on the Note Register.

Each Assignee shall certify to the Seller, the Servicer, and the Indenture Trustee that it is, for federal income tax purposes, (i) a citizen or resident of the United States, (ii) a corporation or partnership organized in or under the laws of the United States or any state or the District of Columbia which, if such entity is a tax-exempt entity, recognizes that payments with respect to the Retained Notes may constitute unrelated business taxable income, (iii) an estate the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source, or (iv) (a) a trust for which a court within the United States is able to exercise primary supervision over its administration and for which one or more persons described in this paragraph are able to control all substantial decisions or (b) a trust for which a valid election has been made to be treated as a United States person. Each Assignee also shall agree that it will furnish to the Person from whom it is acquiring any interest in the Retained Notes, the Seller, the Servicer, and the Indenture Trustee, a properly executed U.S. Internal Revenue Service Form W-9 (and will agree to furnish a new Form W-9, or any successor applicable form, upon the expiration or obsolescence of any previously delivered form) and such other certifications, representations or Opinions of Counsel as may be requested by the Indenture Trustee.

Each Assignee shall certify to the Seller, the Servicer, and the Indenture Trustee that it has not acquired and it will not Transfer any interest in the Retained Notes, or cause an interest in the Retained Notes to be marketed, on or through an “established securities market” within the meaning of Section 7704(b)(1) of the Code and any Treasury regulations thereunder, including an over-the-counter market or an interdealer quotation system that regularly disseminates firm buy or sell quotations. In addition, any Assignee shall certify to the Seller, the Servicer, and the Indenture Trustee, prior to any delivery or Transfer to it of any Retained Notes, (i) that it is not and will not become (and that, if it is disregarded as an entity separate from its owner within the meaning of Treasury Regulations Section 301.7701-3(a) (a “DRE”), its owner is not and will not become), for so long as it holds an interest in the Retained Notes, a partnership, Subchapter S corporation or grantor trust for U.S. federal income tax purposes (a “Flow-Thru Entity”), or (ii) that if it (or, if it is a DRE, its owner) is, or becomes, a Flow-Thru Entity, for so long as it (or, if it is a DRE, its owner) is a Flow-Thru Entity and it holds an interest in the Retained Notes, not more than 50% of the value of any interests in it (or, if it is a DRE, its owner) will be attributable to interests in the Trust held by it. Each initial purchaser of an interest in the Retained Notes acknowledges that the Opinion of Counsel to the effect that the Trust will not be treated as an association or publicly traded partnership taxable as a corporation is dependent in part on the accuracy of its certifications described in this Section 2.3(a).

Each Assignee shall certify to the Seller, the Servicer, and the Indenture Trustee (i) that it has purchased its interest in the Retained Notes for investment only and not with a view to any public distribution thereof and (ii) that it will not offer, sell, pledge or otherwise transfer its interest in all or any portion of the Retained Notes, except in compliance with the Securities Act and other applicable laws and only (1) to the Seller, (2) pursuant to Rule 144A to a person who it reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, purchasing for its own account or for the account of a QIB, whom it has informed that such offer, sale or other transfer is being made in reliance on Rule 144A or (3) pursuant to an exemption from the registration requirements of the Securities Act to a person that is an Institutional Accredited Investor in a transaction meeting such exemption purchasing for its own account or one or more accounts of an Institutional Accredited Investor in reliance upon such exemption. No Retained Noteholders will have the right to require the Seller to register the Retained Notes or any other securities under the Securities Act or any other securities laws.

The purchaser or transferee of each Class A Note, Class B Note or Class C Note or any interest therein shall be deemed to represent and warrant that either (a) it is not, and is not directly or indirectly acquiring such Note or interest therein for, on behalf of or with any assets of, an employee benefit plan subject to the fiduciary responsibility provisions of Title I of ERISA, a plan subject to Section 4975 of the Code, an entity whose underlying assets are deemed to include “plan assets” of any such plan, or a plan or other arrangement subject to any provision under any federal, state, local or other laws or regulations that are substantively similar to Section 406 of ERISA or Section 4975 of the Code (“Similar Law”), or (b) its acquisition, holding and disposition of such Note or interest therein will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or a non-exempt violation of Similar Law.

If the purchaser or transferee of a Class A Note, Class B Note or Class C Note or any interest therein is a Benefit Plan Investor or a Plan subject to Similar Law, then the fiduciary of the Benefit Plan Investor or plan subject to Similar Law will be deemed to acknowledge and agree that none of the Issuer, the Seller, the Servicer, the Owner Trustee, or the Initial Purchasers or any of their affiliates, or the Backup Servicer, the Indenture Trustee, or the Trust Collateral Agent has acted or will act as a fiduciary to the Benefit Plan Investor or plan subject Similar Law in connection with its investment in the Notes.

Neither the Issuer nor the Indenture Trustee is obligated to register the Notes under the Securities Act or any other securities law. Any transfer in violation of the provisions of this Section 2.3 shall be void *ab initio*.

(b) The Class A Notes, the Class B Notes and the Class C Notes shall be held in book-entry form and registered in the name of a nominee designated by the Clearing Agency (and may be aggregated as to denominations with other Notes of such class held by the Clearing Agency). With respect to Notes held in book-entry form:

(i) the Note Registrar, the Trust Collateral Agent and the Indenture Trustee will be entitled to deal with the Clearing Agency for all purposes of this Indenture (including the payment of principal of and interest on such class or classes of Notes and the giving of instructions or directions hereunder) as the sole holder of such class or classes of Notes, and shall have no obligation to the Note Owners;

(ii) the rights of such Note Owners will be exercised only through the Clearing Agency and will be limited to those established by law and agreements between such Note Owners and the Clearing Agency and/or the Clearing Agency Participants pursuant to the applicable depository agreement;

(iii) whenever this Indenture or any of the Basic Documents requires or permits actions to be taken based upon instructions or directions of Holders of such class or classes of Notes evidencing a specified percentage of the Class A Note Balance, the Class B Note Balance or the Class C Note Balance, as applicable, the Clearing Agency will be deemed to represent such percentage only to the extent that it has received instructions to such effect from Note Owners and/or Clearing Agency Participants owning or representing, respectively, such required percentage of the beneficial interest in the relevant class of Notes and has delivered such instructions to the Indenture Trustee; and

(iv) without the consent of the Seller and the Indenture Trustee, no such class of Notes may be transferred by the Clearing Agency except to a successor Clearing Agency that agrees to hold such Note for the account of the Note Owners or except upon the election of the Note Owner thereof or a subsequent transferee to hold such Note in physical form.

Neither the Indenture Trustee nor the Note Registrar shall have any responsibility to monitor or restrict the transfer of beneficial ownership in any Note an interest in which is transferable through the facilities of the Clearing Agency.

The global Notes held in book-entry form will be issued as definitive Notes to Noteholders or their nominees rather than to the Clearing Agency or its nominee, only if (i) (A) the Issuer advises the Indenture Trustee in writing that the Clearing Agency is no longer willing or able to properly discharge its responsibilities with respect to the Class A Notes, the Class B Notes or the Class C Notes as described in the applicable depository agreement and (B) the Issuer is unable to locate a qualified successor, (ii) the Issuer at its option advises the Indenture Trustee in writing that it elects to terminate the book-entry system through the Clearing Agency, or (iii) Note Owners representing beneficial interests in Class A Notes aggregating not less than a majority of the Class A Note Balance, in respect of the Class A Notes, Note Owners representing beneficial interests in the Class B Notes aggregating not less than a majority of the Class B Note Balance, in respect of the Class B Notes, or Note Owners representing beneficial interests in the Class C Notes aggregating not less than a majority of the Class C Note Balance, in respect of the Class C Notes, advise the Indenture Trustee and the Clearing Agency through the Clearing Agency Participants in writing that the continuation of a book-entry system through the Clearing

Agency with respect to such class is no longer in the best interests of the related Note Owners, then the Indenture Trustee shall notify all such Note Owners, through the Clearing Agency, of the occurrence of any such event and of the availability of definitive Class A Notes, definitive Class B Notes or definitive Class C Notes, as applicable, to such Note Owners requesting the same. Upon surrender to the Indenture Trustee of the related Notes by the Clearing Agency accompanied by registration instructions from the Clearing Agency, the Indenture Trustee shall issue definitive Notes of the related class and deliver such definitive Notes in accordance with the instructions of the Clearing Agency. None of the Issuer, the Note Registrar nor the Indenture Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of definitive Class A Notes, definitive Class B or definitive Class C Notes, the Indenture Trustee shall recognize the Holders of the definitive Class A Notes, definitive Class B Notes or definitive Class C Notes, as applicable, as Noteholders hereunder. The Indenture Trustee shall not be liable if the Seller is unable to locate a qualified successor Clearing Agency.

(c) In order to preserve the exemption for resales and transfers provided by Rule 144A, the Issuer shall provide to any Holder of a Class A Note, Class B Note or Class C Note and any prospective purchaser designated by such Holder, upon request of such Holder or such prospective purchaser, such information required by Rule 144A as will enable the resale of such Note to be made pursuant to Rule 144A. The Servicer and the Indenture Trustee shall cooperate with the Issuer in providing the Issuer such information regarding the Class A Notes, Class B Notes and Class C Notes, the Collateral and other matters regarding the Trust as the Issuer shall reasonably request to meet its obligations under the preceding sentence.

(d) Upon surrender for registration of transfer of any Note at the Corporate Trust Office, the Indenture Trustee shall, subject to Section 2.3(a), authenticate, and deliver, in the name of the designated transferee or transferees, one or more new Notes in authorized denominations of a like class and aggregate amount dated the date of authentication by the Indenture Trustee. At the option of a Holder, Notes may be exchanged for other Notes of the same class in authorized denominations of a like aggregate amount upon surrender of the Notes to be exchanged at the Corporate Trust Office.

(e) Every Note presented or surrendered for registration of transfer or exchange shall be accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee and the Note Registrar duly executed by the Holder or his or her attorney duly authorized in writing. Each Note surrendered for registration of transfer or exchange shall be canceled and subsequently disposed of by the Indenture Trustee in accordance with its customary practice.

Any Holder of a definitive Note issued in physical form may transfer such Note or exchange a certificate representing such Note in whole or in part (in a number equal to any authorized denomination) by surrendering the definitive Note issued in physical form at the Corporate Trust Office of the Indenture Trustee, together with an executed instrument of assignment and a transferee representation letter substantially in the form attached as Exhibit B hereto. In exchange for any definitive Notes issued in physical form properly presented for transfer with all necessary accompanying documentation, the Indenture Trustee, will within five (5) Business Days of such request, deliver at the corporate trust office of the Indenture Trustee, to the transferee or send by first-class mail at the risk of the transferee to such address as the transferee may request, definitive Notes issued in physical form for a like amount of such definitive Notes issued in physical form as may be requested. The presentation for transfer of any definitive Notes issued in physical form will not be valid unless made at the Corporate Trust Office of the Indenture Trustee by the registered Holder in person, or by a duly authorized attorney-in-fact. The Holder of a definitive Note issued in physical form will not be required to bear the costs and expenses of effecting any transfer or registration of transfer, except that the

relevant Holder will be required to bear (i) the expenses of delivery by other than regular mail (if any) and (ii) if the Issuer so requires, the payment of a sum sufficient to cover any duty, stamp tax or governmental charge or insurance charges that may be imposed in relation to such transfer.

(f) No service charge shall be made for any registration of transfer or exchange of Notes, but the Indenture Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Notes.

(g) Subject to Article IX hereof, the Notes and this Indenture may be amended or supplemented from time to time, prior to the Termination Date, without the consent of any of the Noteholders, to modify restrictions on and procedures for resale and other transfers of the Notes to reflect any change in applicable law or regulations (or the interpretation thereof) or practices relating to the resale or transfer of restricted securities generally.

All Noteholders shall deliver to the Indenture Trustee and the Issuer prior to the first Distribution Date and at any time or times required by Applicable Law, (i) a correct, complete and properly executed U.S. IRS Form W-9, W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-8EXP (with appropriate attachments), or any successor form, as applicable (“Noteholder Tax Identification Information”) and (ii) any documentation that is required under FATCA or is otherwise necessary (in the sole determination of the Issuer, the Indenture Trustee, or other agent of the Issuer, as applicable) to enable the Issuer, the Indenture Trustee and any other agent of the Issuer to comply with their obligations under FATCA and to determine that such Noteholder (or holder of any beneficial interest in a Note) has complied with its obligations under FATCA, or to determine the amount to deduct and withhold from a payment (“Noteholder FATCA Information”). The Issuer hereby notifies the Indenture Trustee that FATCA withholding tax is applicable on payments to FATCA non-compliant payees.

Each holder of a Note or an interest therein, by acceptance of such Note or such interest in such Note, will be deemed to have agreed to provide the Issuer and the Indenture Trustee with the Noteholder Tax Identification Information and, to the extent applicable, the Noteholder FATCA Information. In addition, each holder of a Note or an interest therein will be deemed to understand that the Indenture Trustee and any other agent of the Issuer may withhold interest and principal payable with respect to a Note (without any corresponding gross-up) on any Noteholder or beneficial owner of an interest in a Note that fails to comply with the foregoing requirements. Upon request from the Indenture Trustee, the parties hereto will provide such additional information that they may have to assist the Indenture Trustee in making any such withholdings or information reports.

(h) The Issuer represents that the Notes are of the type of debt instruments where payments under such debt instruments may be accelerated (i.e. made prior to final maturity) by reason of prepayments of other obligations securing such debt instruments.

SECTION 2.4. Mutilated, Destroyed, Lost, or Stolen Notes.

If (a) any mutilated Note shall be surrendered to the Note Registrar, or if the Note Registrar shall receive evidence to its satisfaction of the destruction, loss, or theft of any Note and (b) there shall be delivered to the Note Registrar, the Issuer and the Indenture Trustee such security (i.e. surety bond) or indemnity as may be required by them to save each of them and the Issuer harmless, then in the absence of notice that such Note shall have been acquired by a bona fide purchaser, the Owner Trustee on behalf of the Issuer shall execute and the Indenture Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Note, a new Note of like tenor and denomination. In connection with the issuance of any new Note under this Section, the Indenture Trustee and the Note Registrar may require the

payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. The Indenture Trustee may charge such Holder for its expenses (including the fees and expenses of its counsel) in replacing a Note. Any duplicate Note issued pursuant to this Section shall constitute conclusive evidence of ownership of such Note, as if originally issued, whether or not the lost, stolen, or destroyed Note shall be found at any time.

SECTION 2.5. Persons Deemed Owners.

The Issuer, the Indenture Trustee, the Trust Collateral Agent, the Note Registrar and any agent of the Issuer, the Indenture Trustee or the Note Registrar may treat the Person in whose name any Note is registered as the owner of such Note for the purpose of receiving distributions pursuant to Section 5.08 of the Sale and Servicing Agreement and Section 5.2 hereof and for all other purposes whatsoever, and neither the Issuer, the Indenture Trustee, the Trust Collateral Agent nor the Note Registrar nor any such agent shall be bound by any notice to the contrary.

SECTION 2.6. Access to List of Noteholders' Names and Addresses.

The Indenture Trustee shall furnish or cause to be furnished to the Servicer, within fifteen (15) days after receipt by the Indenture Trustee of a request therefor from the Servicer in writing, a list, in such form as the Servicer may reasonably require, of the names and addresses of the Noteholders as of the most recent Record Date. If three or more Noteholders, or one or more Holders of Notes aggregating not less than 10% of the Aggregate Note Balance, apply in writing to the Indenture Trustee, and such application states that the applicants desire to communicate with other Noteholders with respect to their rights under this Indenture or under the Notes and such application shall be accompanied by a copy of the communication that such applicants propose to transmit, then the Indenture Trustee shall, within five (5) Business Days after the receipt of such application, make available to such Noteholders access during normal business hours to the current list of Noteholders. Each Holder, by receiving and holding an interest in a Note, shall be deemed to have agreed to hold neither the Servicer nor the Indenture Trustee accountable by reason of the disclosure of its name and address, regardless of the source from which such information was derived.

SECTION 2.7. Maintenance of Office or Agency.

The Indenture Trustee shall maintain in Minneapolis, Minnesota, an office or offices or agency or agencies where Notes may be surrendered for registration of transfer or exchange and an office in Minneapolis, Minnesota, where notices and demands to or upon the Indenture Trustee in respect of the Notes and this Indenture may be served. The Indenture Trustee initially designates the Corporate Trust Office as specified in this Indenture as its office for such purposes. The Indenture Trustee shall give prompt written notice to the Servicer and to Noteholders of any change in the location of the Note Register or any such office or agency.

SECTION 2.8. Payment of Principal and Interest; Defaulted Interest.

(a) The Class A Notes shall accrue interest as provided in the form of the Class A Note set forth in Exhibit A-1 hereto, the Class B Notes shall accrue interest as provided in the form of the Class B Note set forth in Exhibit A-2 hereto and the Class C Notes shall accrue interest as provided in the form of the Class C Note set forth in Exhibit A-3 hereto, and such respective interest shall be due and payable on each Distribution Date as specified therein. Any installment of interest or principal, if any, payable on any Note which is punctually paid or duly provided for by the Issuer on the applicable Distribution Date or on the Stated Final Maturity shall be paid as set forth in Section 5.09(a) of the Sale and Servicing Agreement.

(b) The principal of each Note shall be payable in installments on each Distribution Date as provided in the forms of the Class A Note, the Class B Note and the Class C Note, as set forth in Exhibits A-1, A-2 and A-3 hereto, respectively. Notwithstanding the foregoing, the entire unpaid principal amount of the Notes, and all accrued interest thereon (if any), shall become due and payable, if not previously paid, upon the acceleration thereof after the occurrence of an Indenture Event of Default in the manner provided in Section 5.2. All principal payments on each class of Notes shall be made as provided in Section 5.2 and in Section 5.09(a) of the Sale and Servicing Agreement, as applicable. Upon written notice from the Issuer, the Indenture Trustee shall notify the Person in whose name a Note is registered at the close of business on the Record Date preceding the Distribution Date on which the Issuer expects that the final installment of principal of and interest on such Note will be paid. Such notice shall be mailed or transmitted by facsimile prior to such final Distribution Date and shall specify that such final installment will be payable only upon presentation and surrender of such Note and shall specify the place where such Note may be presented and surrendered for payment of such installment. Notices in connection with redemptions of Notes shall be mailed to Noteholders as provided in Section 10.2.

(c) If the Issuer defaults in a payment of interest on any class of Notes entitled thereto, such defaulted interest shall itself bear interest (to the extent lawful) at the Class A Note Rate, Class B Note Rate or Class C Note Rate, as applicable. Such defaulted interest (and such interest thereon) shall be paid on subsequent Distribution Dates pursuant to Section 5.09 of the Sale and Servicing Agreement, or as otherwise set forth below.

SECTION 2.9. Release of Collateral.

The Indenture Trustee shall, on or after the Termination Date and subject to the provisions of Section 4.1 hereof, release and shall cause the Trust Collateral Agent to release any remaining portion of the Trust Property from the lien created by this Indenture and shall cause the Trust Collateral Agent to deposit in the Collection Account any funds then on deposit in any other Trust Account. The Indenture Trustee shall release property from the lien created by this Indenture pursuant to this Section 2.9 only upon receipt by the Indenture Trustee of an Issuer Request accompanied by an Officer's Certificate and an Opinion of Counsel meeting the applicable requirements of Section 11.1. For the avoidance of doubt, an Opinion of Counsel delivered under Section 4.1(C) shall be sufficient to meet the requirements of this Section 2.9.

ARTICLE III

Covenants, Representations and Warranties

SECTION 3.1. Payment of Principal and Interest.

The Issuer will duly and punctually pay the principal of and interest on the Notes in accordance with the terms of the Notes and this Indenture. Without limiting the foregoing and in accordance with the terms set forth in Section 5.09(a) of the Sale and Servicing Agreement, the Issuer will cause to be distributed to the Noteholders all amounts on deposit in the Note Distribution Account on each Distribution Date deposited therein pursuant to the Sale and Servicing Agreement (i) for the benefit of the Class A Notes, to the Class A Noteholders, (ii) for the benefit of the Class B Notes, to the Class B Noteholders and (iii) for the benefit of the Class C Notes, to the Class C Noteholders. Amounts properly withheld under the Code by any Person from a payment to any Noteholder of interest and/or principal shall be considered as having been paid by the Issuer to such Noteholder for all purposes of this Indenture.

SECTION 3.2. Maintenance of Office or Agency.

For so long as the Indenture Trustee is the transfer agent, the Issuer will maintain in Minneapolis, Minnesota, an office or agency where Notes may be surrendered for registration of transfer or exchange, and an office in St. Paul, Minnesota where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer hereby initially appoints the Indenture Trustee to serve as its agent for the foregoing purposes. The Issuer will give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of any such office or agency. If at any time the Issuer shall fail to maintain any such office or agency or shall fail to furnish the Indenture Trustee with the address thereof, such surrenders, notices and demands may be made or served at the Corporate Trust Office, and the Issuer hereby appoints the Indenture Trustee as its agent to receive all such surrenders, notices and demands.

SECTION 3.3. Money for Payments to be Held in Trust.

On or before each Distribution Date and Redemption Date, subject to Section 5.08 of the Sale and Servicing Agreement, the Issuer shall deposit or cause to be deposited in the Note Distribution Account from the Collection Account, an aggregate sum sufficient to pay the amounts then becoming due under the Notes, such sum to be held in trust for the benefit of the Persons entitled thereto and (unless the Paying Agent is the Indenture Trustee) shall promptly notify the Indenture Trustee of its action or failure so to act.

The Issuer will cause each Paying Agent other than the Indenture Trustee to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent shall agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section, that such Paying Agent will:

(i) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(ii) give the Indenture Trustee written notice of any default by the Issuer of which a Responsible Officer has actual knowledge (or any other obligor upon the Notes) in the making of any payment required to be made with respect to the Notes;

(iii) at any time during the continuance of any such default by the Issuer, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) immediately resign as a Paying Agent and forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards required to be met by a Paying Agent at the time of its appointment specified in Section 6.12 hereof; and

(v) comply with all requirements of the Code with respect to the withholding from any payments made by it on any Notes of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith in each case, as instructed by the Issuer.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, by Issuer Order direct any Paying Agent to pay to the Indenture Trustee all sums held in trust by such Paying Agent, such sums to be held by the Indenture Trustee upon the same trusts as those upon which the sums were held by such

Paying Agent; and upon such a payment by any Paying Agent to the Indenture Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Subject to applicable laws with respect to the escheat of funds, any money held by the Indenture Trustee or any Paying Agent in trust for the payment of any amount due with respect to any Note and remaining unclaimed for two years after such amount has become due and payable shall be discharged from such trust and be paid to the Issuer on Issuer Request; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money shall thereupon cease; provided, however, that the Indenture Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer. The Indenture Trustee shall also adopt and employ, at the expense of the Issuer, any other reasonable means of notification of such repayment (including, but not limited to, mailing notice of such repayment to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in moneys due and payable but not claimed is determinable from the records of the Indenture Trustee or of any Paying Agent, at the last address of record for each such Holder).

SECTION 3.4. Existence.

Except as otherwise permitted by the provisions of Section 3.10, the Issuer will keep in full effect its existence, rights and franchises as a statutory trust under the laws of the State of Delaware and will obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, the Collateral and each other instrument or agreement included in the Trust Property.

SECTION 3.5. Protection of Trust Property.

The Issuer intends the security interest granted pursuant to this Indenture in favor of the Indenture Trustee and the Noteholders to be prior to all other liens in respect of the Trust Property, and the Issuer shall take all actions necessary to obtain and maintain, in favor of the Indenture Trustee, for the benefit of the Noteholders, a first lien on and a first priority, perfected security interest in the Trust Property. The Issuer will from time to time prepare (or shall cause to be prepared), execute, file and deliver all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments, and will take such other action necessary or advisable to:

- (i) grant more effectively all or any portion of the Trust Property;
- (ii) maintain or preserve the lien and security interest (and the priority thereof) in favor of the Indenture Trustee for the benefit of the Noteholders created by this Indenture or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any grant made or to be made by this Indenture;
- (iv) enforce any of the Trust Property;

(v) preserve and defend title to the Trust Property and the rights of the Indenture Trustee in such Trust Property against the claims of all persons and parties; and

(vi) pay all taxes or assessments levied or assessed upon the Trust Property when due.

The Issuer hereby designates and authorizes the Indenture Trustee its agent and attorney-in-fact to execute or authorize, as applicable, upon Issuer Request, any financing statement, continuation statement or other instrument required to be executed or authorized, as applicable, by the Issuer pursuant to this Section; provided, however, that the Indenture Trustee shall not be obligated to execute or authorize such instruments except upon written instruction from the Servicer or the Issuer. The Issuer authorizes the filing of financing statements in all appropriate jurisdictions describing the Collateral as “all assets of the Debtor” or words of similar effect, or being of equal or lesser scope or with greater detail.

SECTION 3.6. Opinions as to Trust Property.

(a) On the Closing Date, the Issuer shall furnish to the Indenture Trustee an Opinion of Counsel either stating that, in the opinion of such counsel, such action has been taken with respect to this Indenture with respect to the filing of any financing statements and continuation statements, as are necessary to perfect and make effective the first priority lien and security interest in favor of the Indenture Trustee, created by this Indenture and reciting the details of such action, or stating that, in the opinion of such counsel, no such action is necessary to make such lien and security interest effective.

(b) Within thirty (30) days after the end of each calendar quarter during the Revolving Period, beginning with the quarter ending December 31, 2023, the Issuer shall cause an Opinion of Counsel, dated as of a date during such 30-day period, to be delivered to the Indenture Trustee with respect to the creation of the Seller’s security interest under the Sale and Contribution Agreement, the creation of the Issuer’s security interest under the Sale and Servicing Agreement and the perfection and creation of the lien and security interest in favor of the Indenture Trustee in the Subsequent Conveyed Property transferred from Credit Acceptance to the Seller during such quarter (or in the case of the first such Opinion of Counsel, during the period from the Closing Date to December 31, 2023).

(c) The Issuer will deliver or cause to be delivered to the Indenture Trustee within 90 days after the beginning of each calendar year beginning with 2024, an Opinion of Counsel for the Issuer, dated as of a date during such 90-day period, stating that, in the opinion of such counsel, the existing financing statement naming the Issuer as debtor and the Indenture Trustee as secured party and any related continuation statement or amendment (the “Financing Statement”) will remain effective and no additional financing statements, continuation statements or amendments with respect to the Financing Statement (other than a continuation statement to be filed within the period that is six months prior to the expiration of the Financing Statement, as applicable) will be required to be filed from the date of such opinion through the date that is the one year anniversary of the date of such opinion to maintain the perfection of the security interest of the Indenture Trustee as such lien otherwise exists on the date of such opinion. Such Opinion of Counsel shall (i) describe the filing of any financing statements and continuation statements that will, in the opinion of such counsel, be required to preserve and protect the security interest of the Indenture Trustee in the Collateral, until the 90th day in the following calendar year and (ii) specify any action necessary (as of the date of such opinion) to be taken in the following calendar year to preserve perfection of such interest.

SECTION 3.7. Performance of Obligations; Servicing of Contracts.

(a) The Issuer will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person's material covenants or obligations under any instrument or agreement included in the Trust Property or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except as ordered by any bankruptcy or other court or as expressly provided in this Indenture, the Basic Documents or such other instrument or agreement.

(b) The Issuer may contract with other Persons acceptable to the Indenture Trustee, to assist it in performing its duties under this Indenture, and any performance of such duties by a Person identified to the Indenture Trustee in an Officer's Certificate of the Issuer shall be deemed to be action taken by the Issuer. Initially, the Servicer has agreed pursuant to Section 4.01(c) and (d) of the Sale and Servicing Agreement and, in the event that Credit Acceptance no longer serves as Servicer, Credit Acceptance, in its individual capacity, has agreed pursuant to Section 4.17 of the Sale and Servicing Agreement, to perform certain duties of the Issuer or to assist the Issuer in performing its duties under this Indenture, and the Indenture Trustee acknowledges that the Servicer and Credit Acceptance are acceptable to it.

(c) The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, the Basic Documents and in the instruments and agreements included in the Trust Property, including, but not limited to, preparing (or causing to be prepared) and filing (or causing to be filed) all UCC financing statements and continuation statements required to be filed by the terms of this Indenture and the Sale and Servicing Agreement in accordance with and within the time periods provided for herein and therein.

(d) Upon an Authorized Officer of the Issuer having actual knowledge or written notice thereof, the Issuer shall promptly notify the Indenture Trustee and the Rating Agencies of the occurrence of a Servicer Default in accordance with Section 11.4 hereof, and shall specify in such notice the action, if any, the Issuer is taking in respect of such default. If a Servicer Default shall arise from the failure of the Servicer to perform any of its duties or obligations under the Sale and Servicing Agreement with respect to the Loans or Contracts, the Issuer shall take all reasonable steps available to it to remedy such failure.

(e) The Issuer agrees that it will not waive timely performance or observance by the Servicer or the Seller of their respective duties under the Basic Documents if the effect thereof would adversely affect the Holders of the Notes

SECTION 3.8. Negative Covenants.

So long as any Notes are Outstanding, the Issuer shall not:

(i) except as expressly permitted by this Indenture or the Basic Documents, sell, transfer, exchange or otherwise dispose of any of the properties or assets of the Issuer, including those included in the Trust Property, unless directed to do so by the Indenture Trustee, at the direction of the Majority Noteholders;

(ii) claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts properly withheld from such payments under the Code) or assert any claim against any present or former Noteholder by reason of the payment of the taxes levied or assessed upon any part of the Trust Property; or

(iii) (A) permit the validity or effectiveness of this Indenture to be impaired, or permit the lien in favor of the Indenture Trustee created by this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the Notes under this Indenture except as may be expressly permitted hereby, (B) permit any lien, charge, excise, claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden the Trust Property or any part thereof or any interest therein or the proceeds thereof (other than tax liens, mechanics' liens and other liens that arise by operation of law, in each case on a Financed Vehicle and arising solely as a result of an action or omission of the related Obligor), (C) permit the lien of this Indenture not to constitute a valid perfected first priority security interest in the Trust Property, (D) change its name, identity, state of organization or structure as a statutory trust in any manner that would, could or might make any financing statement or continuation statement filed with respect to it seriously misleading within the meaning of Section 9-507 of the UCC or (E) waive, amend, modify, supplement or terminate any Basic Document or any provision thereof, or fail to comply with the provisions of the Basic Documents, in each case, prior to the Termination Date, without the prior written consent of the Indenture Trustee, at the direction of the Majority Noteholders.

SECTION 3.9. Annual Statement as to Compliance.

The Issuer will deliver to the Indenture Trustee, the Rating Agencies and the Noteholders on or before April 30th of each year beginning in the year 2024, an Officer's Certificate dated as of the previous December 31st stating, as to the Authorized Officer signing such Officer's Certificate, that:

(i) a review of the activities of the Issuer during the preceding 12-month period (or, for the initial certificate, for such shorter period as may have elapsed from the initial issuance of the Notes to such December 31st) and of performance under this Indenture has been made under such Authorized Officer's supervision; and

(ii) to the best of such Authorized Officer's knowledge, based on such review, the Issuer has complied with all conditions and covenants under this Indenture throughout such year, or, if there has been a default in the compliance with any such condition or covenant, specifying each such default known to such Authorized Officer and the nature and status thereof.

SECTION 3.10. Issuer May Consolidate, Etc. Only on Certain Terms.

(a) The Issuer shall not consolidate or merge with or into any other Person, unless:

(i) the Person (if other than the Issuer) formed by or surviving such consolidation or merger shall be a Person organized and existing under the laws of the United States of America or any State and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Indenture Trustee, in form satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein;

(ii) immediately after giving effect to such transaction, no Early Amortization Event, Indenture Default or Indenture Event of Default shall have occurred and be continuing;

(iii) the Rating Agency Condition shall have been satisfied with respect to such transaction;

(iv) the Issuer shall have received an Opinion of Counsel (and shall have delivered copies thereof to the Indenture Trustee) to the effect that such transaction will not have any material adverse tax consequence to the Trust, any Noteholder or any Certificateholder;

(v) any action as is necessary to maintain the Lien and security interest created by this Indenture shall have been taken; and

(vi) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such consolidation or merger and such supplemental indenture comply with this Section 3.10(a) and that all conditions precedent herein provided for relating to such transaction have been complied with.

(b) The Issuer shall not convey or transfer all or substantially all of its properties or assets, including those included in the Trust Property, to any Person, unless

(i) the Person that acquires by conveyance or transfer the properties and assets of the Issuer the conveyance or transfer of which is hereby restricted shall (A) be a United States citizen or a Person organized and existing under the laws of the United States of America or any State, (B) expressly assume, by an indenture supplemental hereto, executed and delivered to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance or observance of every agreement and covenant of this Indenture and each of the Basic Documents on the part of the Issuer to be performed or observed, all as provided herein, (C) expressly agree by means of such supplemental indenture that all right, title and interest so conveyed or transferred shall be subject and subordinate to the rights of Holders of the securities and (D) unless otherwise provided in such supplemental indenture, expressly agree to indemnify, defend and hold harmless the Issuer against and from any loss, liability or expense arising under or related to this Indenture and the Notes;

(ii) immediately after giving effect to such transaction, no Early Amortization Event, Indenture Default or Indenture Event of Default shall have occurred and be continuing;

(iii) the Rating Agency Condition shall have been satisfied with respect to such transaction;

(iv) the Issuer shall have received an Opinion of Counsel (and shall have delivered copies thereof to the Indenture Trustee) to the effect that such transaction will not have any material adverse tax consequence to the Trust, any Noteholder or any Certificate holder;

(v) any action as is necessary to maintain the Lien and security interest created by this Indenture shall have been taken; and

(vi) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such conveyance or transfer and such supplemental indenture comply with this Section 3.10(b) and that all conditions precedent herein provided for relating to such transaction have been complied with.

SECTION 3.11. Successor or Transferee.

(a) Upon any consolidation or merger of the Issuer in accordance with Section 3.10(a), the Person formed by or surviving such consolidation or merger (if other than the Issuer) shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such Person had been named as the Issuer herein.

(b) Upon a conveyance or transfer of all the assets and properties of the Issuer pursuant to Section 3.10(b), Credit Acceptance Auto Loan Trust 2023-3 will be released from every covenant and agreement of this Indenture to be observed or performed on the part of the Issuer with respect to the Notes immediately upon the delivery of written notice from the Issuer to the Indenture Trustee stating that Credit Acceptance Auto Loan Trust 2023-3 is to be so released.

SECTION 3.12. No Other Business.

The Issuer shall not engage in any business other than financing, purchasing, owning, selling and managing the Contracts in the manner contemplated by this Indenture and the Basic Documents and activities incidental thereto and any other activities permitted under the Trust Agreement.

SECTION 3.13. No Borrowing.

The Issuer shall not issue, incur, assume, guarantee or otherwise become liable, directly or indirectly, for any Indebtedness except for: (i) the Notes; and (ii) any other Indebtedness permitted by or arising under the Basic Documents. The proceeds of the Notes shall be used exclusively to fund the Issuer's purchase of the Loans and the other assets specified in the Sale and Servicing Agreement, to fund the Reserve Account and to pay the Issuer's organizational, transactional and start-up expenses.

SECTION 3.14. Guarantees, Loans, Advances and Other Liabilities.

Except as contemplated by the Sale and Servicing Agreement or this Indenture, the Issuer shall not make any loan or advance or credit to, or guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing or otherwise), endorse or otherwise become contingently liable, directly or indirectly, in connection with the obligations, stocks or dividends of, or own, purchase, repurchase or acquire (or agree contingently to do so) any stock, obligations, assets or securities of, or any other interest in, or make any capital contribution to, any other Person.

SECTION 3.15. Capital Expenditures.

The Issuer shall not make any expenditure (by long-term or operating lease or otherwise) for capital assets (either realty or personalty) except as contemplated by the Basic Documents.

SECTION 3.16. Compliance with Laws.

The Issuer shall comply with the requirements of all applicable laws, the non-compliance with which would, individually or in the aggregate, materially and adversely affect the ability of the Issuer to perform its obligations under the Notes, this Indenture or any Basic Document.

SECTION 3.17. Restricted Payments.

The Issuer shall not, directly or indirectly, (i) pay any dividend or make any distribution (by reduction of capital or otherwise), whether in cash, property, securities or a combination thereof,

to the Owner Trustee or any owner of a beneficial interest in the Issuer or otherwise with respect to any ownership or equity interest or security in or of the Issuer or to the Servicer, (ii) redeem, purchase, retire or otherwise acquire for value any such ownership or equity interest or security or (iii) set aside or otherwise segregate any amounts for any such purpose; provided, however, that the Issuer may make, or cause to be made, distributions to the Servicer, the Seller, the Owner Trustee, the Indenture Trustee, the Trust Collateral Agent, the Backup Servicer and the Certificateholders as permitted by, and to the extent funds are available for such purpose under, the Sale and Servicing Agreement and the Trust Agreement. The Issuer will not, directly or indirectly, make payments to or distributions from the Collection Account except in accordance with this Indenture and the Basic Documents.

SECTION 3.18. Notice of Indenture Events of Default; Notice of Repurchase Request.

(a) The Issuer agrees to give the Indenture Trustee, the Trust Collateral Agent, the Backup Servicer and the Rating Agencies prompt written notice of each Indenture Event of Default hereunder and each default on the part of the Servicer or the Seller of its obligations under the Sale and Servicing Agreement.

(b) If any party hereto (i) discovers (which in the case of the Indenture Trustee and the Trust Collateral Agent shall mean actual knowledge of a Responsible Officer of the Indenture Trustee or the Trust Collateral Agent, respectively) or receives written notice from any Person that is not a party to this Indenture of a breach or a claim of a breach of any representation or warranty relating to a Loan pursuant to the Sale and Contribution Agreement or the Sale and Servicing Agreement, (ii) receives written notice of any request or demand for repurchase or replacement of a Loan (any such request or demand for repurchase or replacement, a "Repurchase Request"), (iii) receives written notice of the rejection of any such Repurchase Request or is in dispute with the Person making such Repurchase Request as to the merits of such Repurchase Request or (iv) receives written notice of the withdrawal of such Repurchase Request by the Person making such Repurchase Request, then such party shall give notice thereof to the other party hereto in each case within five (5) Business Days from the receipt of any such notice. Each notice required by this paragraph of this Section shall include, in addition to any other necessary information: (i) the date on which such Repurchase Request, rejection or withdrawal was made or such dispute commenced, as applicable, (ii) the identity of the Person making such Repurchase Request, (iii) the basis asserted for such Repurchase Request, rejection, withdrawal (or an indication that no basis was given by the Person withdrawing such Repurchase Request) or dispute, as applicable, and (iv) copies of all correspondence received by such party from the Person making a Repurchase Request or of the notice received or given by such party in connection with a breach or claim of a breach of any representation or warranty herein relating to a Loan. In addition, upon written request, the Indenture Trustee shall provide Credit Acceptance as promptly as practicable after such written request is made such other information in its possession with respect to the matters set forth above as would permit Credit Acceptance to comply with its obligations under Rule 15Ga-1 under the Exchange Act or to comply with any other disclosure obligations applicable to it under federal securities laws.

SECTION 3.19. Further Instruments and Acts.

Upon request of the Indenture Trustee, the Issuer will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 3.20. Amendments of Sale and Servicing Agreement and Trust Agreement.

The Issuer shall not agree to any amendment to Section 11.01 of the Sale and Servicing Agreement or Section 11.1 of the Trust Agreement to eliminate the requirements thereunder that the Indenture Trustee or the Holders of the Notes consent to amendments thereto as provided therein.

SECTION 3.21. Income Tax Characterization.

For purposes of federal income, state and local income and franchise and any other income taxes, the Issuer will, and each Noteholder by such Noteholder's acceptance of any such Notes (and each Person who acquires an interest in any Notes through such Noteholder, by the acceptance by such Person of an interest in the applicable Notes) agrees to, treat the Notes that are characterized as indebtedness at the time of their issuance, and hereby instructs the Issuer to treat such Notes, as indebtedness for federal, state and other tax reporting purposes. Each Noteholder agrees that it will cause any Person acquiring an interest in a Note through it to comply with this Indenture as to treatment as indebtedness under applicable tax law, as described in this Section 3.21.

The Notes will be issued with the intention that, for federal, state and local income and franchise tax purposes the Trust shall not be treated as an association or publicly traded partnership taxable as a corporation. The parties hereto agree that they shall not cause or permit the making, as applicable, of any election under Treasury Regulation Section 301.7701-3 (or any successor provision) whereby the Trust or any portion thereof would be treated as a corporation for federal income tax purposes. The provisions of this Indenture shall be construed in furtherance of the foregoing intended tax treatment.

SECTION 3.22. Perfection Representations, Warranties and Covenants.

The perfection representations, warranties and covenants made by the Issuer and set forth on Schedule A hereto shall be a part of this Indenture for all purposes.

(A) either

(1) all Notes theretofore authenticated and delivered (other than (i) Notes that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.4 and (ii) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 3.3) have been delivered to the Indenture Trustee for cancellation; or

and the Issuer, in the case of (i), (ii) or (iii) of this clause (2), has irrevocably deposited or caused to be irrevocably deposited with the Trust Collateral Agent cash or direct obligations of or obligations guaranteed by the United States of America (which will mature prior to the date such amounts are payable), in trust for such purpose, in an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Indenture Trustee for cancellation when due to the Stated Final Maturity or Redemption Date (if Notes shall have been called for redemption pursuant to Section 10.1), as the case may be;

(B) the Issuer has paid or caused to be paid all Issuer Secured Obligations and there are no outstanding claims for contingent obligations; and

Upon the satisfaction and discharge of the Indenture pursuant to this Section 4.1, the Indenture Trustee shall deliver to the Owner Trustee a certificate of a Responsible Officer stating that the Noteholders and the Indenture Trustee have been paid all amounts owed to them.

SECTION 4.2. Application of Trust Money.

All moneys deposited with the Indenture Trustee pursuant to Section 4.1 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent, as the Indenture Trustee may determine, to the Holders of the particular Notes for the payment or redemption of which such moneys have been deposited with the Indenture Trustee, of all sums due and to become due thereon for principal and interest; but such moneys need not be segregated from other funds except to the extent required herein or in the Sale and Servicing Agreement or required by law.

SECTION 4.3. Repayment of Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all moneys then held by any Paying Agent other than the Indenture Trustee under the provisions of this Indenture with respect to such Notes shall, upon demand of the Issuer, be paid to the Indenture Trustee to be held and applied according to Section 3.3 and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

(c) At any time after declaration of acceleration of maturity has been made in accordance with Section 5.2(a) hereof and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this Article V provided, the Majority Noteholders by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay:

(A) all payments of principal of and interest on all Notes and all other amounts that would then be due hereunder or upon such Notes if the Indenture Event of Default giving rise to such acceleration had not occurred, which funds shall be deposited into the Note Distribution Account; and

(B) all sums paid or advanced by the Indenture Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel, which funds shall be deposited into the Collection Account; and

(ii) all Indenture Events of Default, other than the nonpayment of the interest on or the principal of the Notes that has become due solely by such acceleration, have been cured or waived.

No such rescission shall affect any subsequent default or impair any right relating to or resulting from such default.

SECTION 5.3. Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) The Issuer hereby irrevocably and unconditionally appoints the Indenture Trustee as the true and lawful attorney-in-fact of the Issuer, with full power of substitution, to execute, acknowledge and deliver any notice, document, certificate, paper, pleading or instrument and to do in the name of the Indenture Trustee as well as in the name, place and stead of the Issuer such acts, things and deeds for or on behalf of and in the name of the Issuer under this Indenture (including specifically under Section 5.4) and under the Basic Documents which the Issuer could or might do or which may be necessary, desirable or convenient in the Indenture Trustee's sole discretion to effect the purposes contemplated hereunder and under the Basic Documents and, without limitation, following the occurrence of an Indenture Event of Default, acting at the instruction or with the consent of the Majority Noteholders, in accordance with the terms of this Article V, exercise full right, power and authority to take, or defer from taking, any and all acts with respect to the administration, maintenance or disposition of the Trust Property.

(b) Notwithstanding anything to the contrary contained in this Indenture (including Sections 5.4(a), 5.13 and 5.16), the Indenture Trustee, prior to the Termination Date, shall, at the direction of the Majority Noteholders, proceed to protect and enforce its rights and the rights of the Noteholders by such appropriate proceedings as the Indenture Trustee or the Majority Noteholders shall deem most effective to protect and enforce any such rights, whether for specific performance of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Indenture Trustee by this Indenture or by law.

(c) In case there shall be pending, relative to the Issuer or any other obligor upon the Notes or any Person having or claiming an ownership interest in the Trust Property, proceedings under Title 11 of the United States Code or any other applicable federal or state

bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its property or such other obligor or Person, or in case of any other comparable judicial proceedings relative to the Issuer or other obligor upon the Notes, or to the creditors or property of the Issuer or such other obligor, the Indenture Trustee, irrespective of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Indenture Trustee shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, at the expense of the Seller by intervention in such proceedings or otherwise:

(i) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable compensation to the Indenture Trustee and each predecessor Indenture Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee, except as a result of negligence, bad faith or willful misconduct) and of the Noteholders allowed in such proceedings;

(ii) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of Notes in any election of a trustee, a standby trustee or person performing similar functions in any such proceedings;

(iii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Noteholders and the Indenture Trustee on their behalf; and

(iv) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee or the Holders of Notes allowed in any judicial proceedings relative to the Issuer, its creditors and its property;

and any trustee, receiver, liquidator, custodian or other similar official in any such proceeding is hereby authorized by each of such Noteholders to make payments to the Indenture Trustee, and, in the event that the Indenture Trustee shall consent to the making of payments directly to such Noteholders, to pay to the Indenture Trustee such amounts as shall be sufficient to cover reasonable compensation to the Indenture Trustee, each predecessor Indenture Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee except as a result of negligence, bad faith or willful misconduct.

(d) Nothing herein contained shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any Noteholder in any such proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

(e) All rights of action and of asserting claims under this Indenture or under any of the Notes, may be enforced by the Indenture Trustee without the possession of any of the Notes or the production thereof in any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Indenture Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses,

disbursements and compensation of the Indenture Trustee, each predecessor Indenture Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the Notes.

(f) In any proceedings brought by the Indenture Trustee (and also any proceedings involving the interpretation of any provision of this Indenture), the Indenture Trustee shall be held to represent all the Holders of the Notes, and it shall not be necessary to make any Noteholder a party to any such proceedings.

SECTION 5.4. Remedies.

(a) If an Indenture Event of Default shall have occurred and the maturity of the Notes shall have been accelerated pursuant to the terms of Section 5.2(a) hereof, the Indenture Trustee at the written direction of the Majority Noteholders shall, as and to the extent so directed, do any one or more of the following pursuant to such direction:

(i) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the Notes or under this Indenture with respect thereto, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Issuer and any other obligor upon such Notes moneys adjudged due;

(ii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Property;

(iii) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee and the Holders of the Notes; and

(iv) direct the Indenture Trustee to sell the Trust Property or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by law; provided, however, that the Indenture Trustee shall not, and shall not be directed by the Majority Noteholders to, sell or otherwise liquidate the Trust Property following an Indenture Event of Default unless:

(A) such Indenture Event of Default is of the type described in Section 5.1(ii),(iv) or (v); or

(B) such Indenture Event of Default is of the type described in any other clause of Section 5.1 and the consent of Holders of all Outstanding Notes to such sale or liquidation of the Trust Property in writing has been obtained; or

(C) either (i) the proceeds of such sale or liquidation would be in an amount sufficient to discharge in full all amounts then due and unpaid upon such Notes for principal and interest or (ii) the Indenture Trustee determines that the Trust Property will not continue to provide sufficient funds for the payment of principal of and interest on the Notes as they would have become due if they had not been declared due and payable (it being understood that for purposes of making such determinations, the Indenture Trustee may conclusively rely on an independent auditor);

provided, however, that, subject to Section 6.1, the Indenture Trustee shall have the right to decline to follow any such direction if it, being advised by counsel, determines that the action so directed may not lawfully be taken, or if it, in good faith shall, by a Responsible Officer, determine that the proceedings so directed would be illegal or subject it to personal liability.

(b) If the Indenture Trustee sells all or a portion of the Trust Property, following an Indenture Event of Default, the Trust Collateral Agent shall give Credit Acceptance at least ten (10) days' prior notice of such sale, and Credit Acceptance may, but is not required to, make a bid for the portion, or all, of the Trust Property being sold by the Indenture Trustee.

SECTION 5.5. Optional Preservation of the Trust Property.

If the Notes have been declared to be due and payable under Section 5.2 following an Indenture Event of Default and such declaration and its consequences have not been rescinded and annulled, the Indenture Trustee shall maintain possession of and/or control over the Trust Property which is in its possession or over which it has control and direct the Trust Collateral Agent to maintain possession of and/or control over the Trust Property which is in the possession of or controlled by the Trust Collateral Agent unless the Indenture Trustee is directed in writing by the Majority Noteholders to sell or otherwise liquidate the Trust Property and the conditions set forth in Section 5.4(a)(iv) have been satisfied. It is the desire of the parties hereto and the Noteholders that there be at all times sufficient funds for the payment of principal of and interest on the Notes, and the Majority Noteholders shall take such desire into account when determining whether or not to direct the Indenture Trustee or the Trust Collateral Agent, as applicable, to maintain possession of and/or control over the Trust Property. In determining whether to direct the Indenture Trustee or the Trust Collateral Agent, as applicable, to obtain possession of and/or control over the Trust Property, the Majority Noteholders may, but need not maintain and conclusively rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Trust Property for such purpose.

SECTION 5.6. [Reserved].

SECTION 5.7. Limitation of Suits.

Subject to Section 5.8 and Section 6.8, no Holder of any Note shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(i) such Holder has previously given written notice to the Indenture Trustee of a continuing Indenture Event of Default;

(ii) (A) the Indenture Event of Default arises from the Seller's or the Servicer's failure to remit payments under the Sale and Servicing Agreement when due or (B) the Majority Noteholders shall have made written request to the Indenture Trustee to institute such proceeding in respect of such Indenture Event of Default in its own name as Indenture Trustee hereunder;

(iii) such Holder or Holders have offered to the Indenture Trustee indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in complying with such request;

(iv) the Indenture Trustee for thirty (30) days after its receipt of such notice, request and offer of indemnity has failed to institute such proceedings; and

(v) no direction inconsistent with such written request has been given to the Indenture Trustee during such 30-day period;

it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect,

disturb or prejudice the rights of any other Holders of Notes or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Noteholders.

In the event the Indenture Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of Notes, each representing less than a majority of the Outstanding Amount of the Notes, the Indenture Trustee in its sole discretion may determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

SECTION 5.8. Unconditional Rights of Noteholders To Receive Principal and Interest.

Notwithstanding any other provisions in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest, if any, on such Note on or after the respective due dates thereof expressed in such Note or in this Indenture (or, in the case of redemption, on or after the Redemption Date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

SECTION 5.9. Restoration of Rights and Remedies.

If the Indenture Trustee or any Noteholder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or such Noteholder, then and in every such case the Issuer, the Indenture Trustee and the Noteholders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Noteholders shall continue as though no such proceeding had been instituted.

SECTION 5.10. Rights and Remedies Cumulative.

Except as provided in Section 5.7, no right or remedy herein conferred upon or reserved for the Indenture Trustee or the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11. Delay or Omission Not a Waiver.

No delay or omission of the Indenture Trustee or any Holder of any Note to exercise any right or remedy accruing upon any Indenture Default or Indenture Event of Default shall impair any such right or remedy or constitute a waiver of any such Indenture Default or Indenture Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Indenture Trustee or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Noteholders, as the case may be.

SECTION 5.12. [Reserved].

SECTION 5.13. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit

for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant.

SECTION 5.14. Waiver of Stay or Extension Laws.

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 5.15. Action on Notes.

The Indenture Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Indenture Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Indenture Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Property or upon any of the assets of the Issuer.

SECTION 5.16. Performance and Enforcement of Certain Obligations.

(a) Promptly following a request from the Indenture Trustee at the direction of the Majority Noteholders to do so and at the Issuer's expense, the Issuer agrees to take all such lawful action as the Indenture Trustee may request to compel or secure the performance and observance by the Seller and the Servicer, as applicable, of each of their obligations to the Issuer under or in connection with the Sale and Servicing Agreement, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Sale and Servicing Agreement to the extent and in the manner directed by the Indenture Trustee, including the transmission of notices of default on the part of the Seller or the Servicer thereunder and the institution of legal or administrative actions or proceedings to compel or secure performance by the Seller or the Servicer of each of their obligations under the Sale and Servicing Agreement.

(b) If an Indenture Event of Default has occurred, the Indenture Trustee shall, with the prior written consent of the Majority Noteholders, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller or the Servicer under or in connection with the Sale and Servicing Agreement, including the right or power to take any action to compel or secure performance or observance by the Seller or the Servicer of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Sale and Servicing Agreement, and any right of the Issuer to take such action shall be suspended.

ARTICLE VI

The Indenture Trustee

SECTION 6.1. Duties of Indenture Trustee.

(a) If an Indenture Event of Default has occurred and is continuing, the Indenture Trustee shall follow such instructions and directions as it may receive pursuant to Section 5.2 hereof and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Indenture Event of Default:

(i) the Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and the Basic Documents and no implied covenants or obligations shall be read into this Indenture or the Basic Documents against the Indenture Trustee (including any implied duty to enforce another party's obligations if the Basic Documents have not assigned such responsibility to a party); and

(ii) in the absence of bad faith, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture and the Basic Documents; however, the Indenture Trustee shall examine the certificates and opinions to determine whether or not they conform on their face to the requirements of this Indenture and the Basic Documents.

(c) The Indenture Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own bad faith or willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 6.1; and

(ii) the Indenture Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Indenture Trustee unless it is proved that the Indenture Trustee was negligent in ascertaining the pertinent facts.

(d) Money held in trust by the Indenture Trustee need not be segregated from other funds except to the extent required by law or the terms of this Indenture.

(e) No provision of this Indenture shall require the Indenture Trustee to expend or risk its own funds or otherwise incur liability (financial or otherwise) in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(f) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee shall be subject to the provisions of this Section 6.1.

(g) Without limiting the generality of this Section, the Indenture Trustee shall have no duty (A) to see to any recording, filing or depositing of this Indenture or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest in the Financed Vehicles, or to see to the maintenance of any such recording or filing or

depositing or to any rerecording, refiling or redepositing of any thereof, (B) to see to any insurance on the Financed Vehicles or Obligors or to effect or maintain any such insurance, (C) to see to the payment or discharge of any tax, assessment or other governmental charge or any Lien or encumbrance of any kind owing with respect to, assessed or levied against any part of the Trust, (D) to confirm, recalculate or verify the contents or accuracy of any reports or certificates delivered to the Indenture Trustee pursuant to this Indenture or the Sale and Servicing Agreement believed by the Indenture Trustee to be genuine and to have been signed or presented by the proper party or parties, or (E) to inspect the Financed Vehicles at any time or ascertain or inquire as to the performance or observance of any of the Issuer's, the Seller's or the Servicer's representations, warranties or covenants or the Servicer's duties and obligations as Servicer and as custodian of the Certificates of Title of the Financed Vehicles under the Sale and Servicing Agreement.

(h) In no event shall Computershare Trust Company, N.A., in any of its capacities hereunder, be deemed to have assumed any duties of the Owner Trustee under the Delaware Statutory Trust Act, common law, or the Trust Agreement.

SECTION 6.2. Rights of Indenture Trustee.

Except as otherwise provided in Section 6.1:

(a) Before the Indenture Trustee acts or refrains from acting, it may require an Officer's Certificate and/or an Opinion of Counsel. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel, the costs of which are to be paid by the party requesting the Indenture Trustee act or refrain from acting.

(b) The Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents (which may be an affiliate) or attorneys or a custodian or nominee and shall not be responsible for the misconduct or negligence of any agent, attorney, custodian or nominee appointed with due care.

(c) The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Indenture Trustee's conduct does not constitute willful misconduct, negligence or bad faith.

(d) The Indenture Trustee shall not be charged with knowledge of any event, including any default or Indenture Event of Default, or information (including breaches of representations and warranties) unless a Responsible Officer of the Indenture Trustee receives written notice or has actual knowledge thereof. Absent receipt of written notice or actual knowledge in accordance with this Section, the Indenture Trustee may conclusively assume that no such event or information has occurred. The Indenture Trustee shall have no obligation to inquire into, or investigate as to, the occurrence of any such event (including any default or Indenture Event of Default) or information. For purposes of determining the Indenture Trustee's responsibility and liability hereunder (including the sending of any notice), whenever reference is made in this Indenture or any other Basic Document to any event (including, but not limited to, any default or an Indenture Event of Default) or information, such reference shall be construed to refer only to such event or information of which the Indenture Trustee has received written notice or has actual knowledge as described in this Section.

(e) The Indenture Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or

suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Indenture Trustee shall be under no obligation to exercise any of the rights and powers vested in it by this Indenture or the other Basic Documents, or to institute, conduct or defend any litigation under this Indenture or in relation to this Indenture, at the request, order or direction of any of the Holders of Notes, pursuant to the provisions of this Indenture, unless it shall have been offered security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities that may be incurred therein or thereby; provided, however, that the Indenture Trustee shall, upon the occurrence of an Indenture Event of Default (that has not been cured), exercise the rights and powers vested in it by this Indenture with the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(g) Except during the continuance of an Indenture Event of Default, the Indenture Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by the Majority Noteholders; provided, however, that if the payment within a reasonable time to the Indenture Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Indenture Trustee, not reasonably assured to the Indenture Trustee by the security afforded to it by the terms of this Indenture, the Indenture Trustee may require indemnity reasonably satisfactory to the Indenture Trustee against such cost, expense or liability as a condition to so proceeding; the reasonable expense of every such examination shall be paid by the requesting Holders or the instructing party, as the case may be, or, if paid by the Indenture Trustee, shall be reimbursed by the requesting Holders or the instructing party, as the case may be, upon demand.

(h) In no event shall the Indenture Trustee be liable for any indirect, consequential, punitive or special damages (including lost profits), regardless of the form of action and whether or not any such damages were foreseeable or contemplated.

(i) Delivery of any reports, information and documents to the Indenture Trustee provided for herein or otherwise publicly available is for informational purposes only (unless otherwise expressly stated herein) and the Indenture Trustee's receipt of such items shall not constitute actual or constructive knowledge or notice to the Indenture Trustee of any information contained therein or determinable from information contained therein (unless the Indenture Trustee is contractually obligated to review their content), including the Issuer's compliance with any of its representations, warranties or covenants hereunder (as to which the Indenture Trustee is entitled to rely exclusively on Officers' Certificates).

(j) The Indenture Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(k) In the event the Indenture Trustee is also acting in the capacity of Trust Collateral Agent, Paying Agent, transfer agent or Note Registrar, it shall be afforded all of the rights, protections, immunities and indemnities afforded to the Indenture Trustee hereunder in each of such capacities hereunder and under the Basic Documents.

(l) In no event shall the Indenture Trustee be liable for any act or omission on the part of the Issuer, the Seller or the Servicer or any other Person. The Indenture Trustee shall

not be responsible for monitoring or supervising the Issuer, the Seller, the Servicer or any other Person.

(m) Without limiting the generality of any other provision hereof, the Indenture Trustee shall have (i) no duty to conduct any investigation as to a breach of any representation and warranty, the eligibility of any Loan for purposes of this Indenture or the occurrence of any condition (including materiality) requiring the repurchase of any Loan by any Person pursuant to this Indenture and (ii) no repurchase-related liabilities. For the avoidance of doubt, the Indenture Trustee, the Trust Collateral Agent and the Backup Servicer shall not be responsible for determining whether any breach of representations or warranty constitutes a material breach.

(n) In no event shall the Indenture Trustee be liable for any damages or losses due to forces beyond the control of the Indenture Trustee, including, without limitation, strikes, work stoppages, acts of war or terrorism, insurrection, revolution, civil unrest, nuclear or natural catastrophes or disasters or acts of God, interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services provided by the Indenture Trustee or to the Indenture Trustee by third parties, any present or future law or regulation or act of any governmental authority, labor disputes, disease, epidemic or pandemic, quarantine, national emergency, malware or ransomware attack, unavailability of the Federal Reserve Bank wire or telex system or other applicable wire or funds transfer system, and unavailability of any securities clearing system.

(o) The Indenture Trustee shall not be required to take any action that exposes the Indenture trustee to personal liability of that is contrary to this Indenture or Applicable Law.

(p) The right of the Indenture Trustee to perform any permissive or discretionary act enumerated in this Indenture or any related document shall not be construed as a duty.

(q) Neither the Indenture Trustee nor any of its directors, officers, agents or employees shall be responsible in any manner for any recitals, statements, representations or warranties made by the Issuer, the Servicer, the Backup Servicer, the Trust Collateral Agent, any Holder or any other Person contained in this Indenture or any other Basic Document or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Indenture or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture or any other document furnished in connection herewith, or for the acts or omissions of any other party hereto or for any failure of the Issuer, the Servicer, the Trust Collateral Agent, any Holder or any other Person to perform its obligations hereunder or in any other Basic Document, or for the satisfaction of any condition specified herein.

(r) The Indenture Trustee may execute any of its duties under this Indenture by or through agents and professionals (including attorneys-in-fact) and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Indenture Trustee shall not be responsible for the action, inaction, negligence or misconduct of any agents and professionals (including attorneys-in-fact) selected by it with reasonable care.

(s) The Indenture Trustee shall not be imputed with any knowledge of, or information possessed or obtained by, the Backup Servicer, the Trust Collateral Agent, or any affiliate, line of business or other division of Computershare Trust Company, N.A. and vice versa in each case other than instances where such roles are performed by the same group or division within Computershare Trust Company, N.A. or otherwise include common Responsible Officers.

SECTION 6.3. Individual Rights of Indenture Trustee.

The Indenture Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Indenture Trustee. Any Paying Agent, Note Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Indenture Trustee must comply with Section 6.15.

SECTION 6.4. Indenture Trustee's Disclaimer.

The Indenture Trustee shall not be responsible for and makes no representation as to the validity, sufficiency or adequacy of this Indenture, the Trust Property or the Notes, shall not be accountable for the Issuer's use of the proceeds from the Notes, and shall not be responsible for any statement of the Issuer in the Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than, the Indenture Trustee's certificate of authentication.

SECTION 6.5. Notice of Indenture Events of Default.

If an Indenture Event of Default occurs and is continuing and if written notice of the existence thereof has been delivered to a Responsible Officer of the Indenture Trustee or a Responsible Officer of the Indenture Trustee has actual knowledge thereof, the Indenture Trustee shall mail to the Rating Agencies and each Noteholder notice of the Indenture Event of Default within five (5) Business Days after such knowledge or notice occurs.

SECTION 6.6. Reports by Indenture Trustee to Holders.

The Indenture Trustee shall on behalf of the Issuer deliver to each Noteholder such information as may be reasonably required to enable such Holder to prepare its federal and state income tax returns. Such obligation shall be satisfied if the Indenture Trustee provides such Noteholder a Form 1099.

SECTION 6.7. Compensation.

(a) The Issuer shall pay to the Indenture Trustee from time to time compensation for its services as agreed in writing and in accordance with Section 5.08(a) of the Sale and Servicing Agreement. The Indenture Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Indenture Trustee for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services, except any such expense as may be attributable to its willful misconduct, negligence or bad faith. Such expenses shall include the reasonable compensation and reasonable expenses, disbursements and advances of the Indenture Trustee's counsel and of all persons not regularly in its employ. The Issuer agrees to indemnify the Indenture Trustee and Trust Collateral Agent as set forth in Section 6.05 of the Sale and Servicing Agreement. The Indenture Trustee agrees that its recourse to the Issuer, the Seller and the Trust Property shall be limited to the right to receive distributions in accordance with Section 5.08(a) of the Sale and Servicing Agreement and Article V hereof and shall not be recourse to the assets of any Noteholder.

(b) The Issuer's payment obligations to the Indenture Trustee pursuant to this Section shall survive the discharge or assignment of this Indenture and the earlier resignation or removal of the Indenture Trustee. When the Indenture Trustee incurs expenses after the occurrence of an Indenture Event of Default specified in Section 5.1(iv) or (v) with respect to the Issuer, the expenses are intended to constitute expenses of administration under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or similar law.

Notwithstanding anything else set forth in this Indenture or the Basic Documents, the Indenture Trustee agrees that the obligations of the Issuer to the Indenture Trustee hereunder and under the Basic Documents shall not be recourse to the assets of any Noteholder.

SECTION 6.8. Replacement of Indenture Trustee.

(a) The Indenture Trustee may resign at any time by so notifying the Issuer in writing at least sixty (60) days prior and upon the appointment and assumption of its obligations by a successor Indenture Trustee.

(b) The Issuer, with the prior written consent of the Majority Noteholders, may remove the Indenture Trustee by prior written notice if:

(i) the Indenture Trustee fails to comply with Section 6.17 hereof;

(ii) a court having jurisdiction over the Indenture Trustee in an involuntary case or proceeding under federal or state banking or bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, shall have entered a decree or order granting relief or appointing a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or similar official) for the Indenture Trustee or for any substantial part of the Indenture Trustee's property, or ordering the winding-up or liquidation of the Indenture Trustee's affairs;

(iii) an involuntary case under the federal bankruptcy laws, as now or hereafter in effect, or another present or future federal or state bankruptcy, insolvency or similar law is commenced with respect to the Indenture Trustee and such case is not dismissed within sixty (60) days;

(iv) the Indenture Trustee commences a voluntary case under any federal or state banking or bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or other similar official) for the Indenture Trustee or for any substantial part of the Indenture Trustee's property, or makes any assignment for the benefit of creditors or fails generally to pay its debts as such debts become due or takes any corporate action in furtherance of any of the foregoing;

(v) the Indenture Trustee fails to comply with any material covenant hereunder; or

(vi) the Indenture Trustee otherwise becomes legally incapable of acting.

(c) [Reserved].

(d) If the Indenture Trustee resigns or is removed or if a vacancy exists in the office of Indenture Trustee for any reason (the Indenture Trustee in such event being referred to herein as the retiring Indenture Trustee), the Issuer shall promptly appoint a successor Indenture Trustee.

A successor Indenture Trustee shall deliver a written acceptance of its appointment to the retiring Indenture Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Indenture Trustee shall become effective, and the successor Indenture Trustee shall have all the rights, powers and duties of the retiring Indenture Trustee under this

Indenture subject to satisfaction of the Rating Agency Condition. The successor Indenture Trustee shall mail a notice of its succession to Noteholders and the Rating Agencies. The retiring Indenture Trustee shall promptly transfer all property held by it as Indenture Trustee to the successor Indenture Trustee.

If a successor Indenture Trustee does not take office within sixty (60) days after the retiring Indenture Trustee resigns or is removed, the retiring Indenture Trustee, the Issuer or the Majority Noteholders may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee that meets the eligibility requirements set forth in Section 6.12 hereof.

If the Indenture Trustee fails to comply with Section 6.14, any Noteholder may petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

Any resignation or removal of the Indenture Trustee and appointment of a successor Indenture Trustee pursuant to any of the provisions of this Section shall not become effective until acceptance of appointment by the successor Indenture Trustee pursuant to this Section 6.8 and payment of all fees and expenses owed to the outgoing Indenture Trustee by the Servicer and the Issuer.

Notwithstanding the replacement of the Indenture Trustee pursuant to this Section, the Issuer's and the Servicer's obligations under Section 6.7 shall continue for the benefit of the retiring Indenture Trustee.

SECTION 6.9. Successor Indenture Trustee by Merger.

If the Indenture Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Indenture Trustee. The Indenture Trustee shall provide the Issuer, the Rating Agencies and the Noteholders prior written notice of any such transition.

In case at the time such successor or successors by merger, conversion or consolidation to the Indenture Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Indenture Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Indenture Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Indenture Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Indenture Trustee shall have.

SECTION 6.10. Appointment of Trust Collateral Agent.

The Issuer and the Indenture Trustee do hereby appoint Computershare Trust Company, N.A. to act as the initial trust collateral agent on behalf of the Indenture Trustee and Computershare Trust Company, N.A. hereby accepts such appointment.

SECTION 6.11. Appointment of Co-Indenture Trustee or Separate Indenture Trustee.

(a) Notwithstanding any other provisions of this Indenture, at any time (including for jurisdictional issues, for enforcement actions and where a conflict of interest

exists), the Issuer and the Indenture Trustee acting jointly and at the expense of the Issuer shall have the power and may execute and deliver all instruments to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Trust Property, and to vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the Trust Property, or any part thereof, and, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Issuer and the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 6.12 and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required under Section 6.8 hereof.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Property or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) the Indenture Trustee shall not be liable for the appointment of any separate or co-trustee, and no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, including acts or omissions of predecessor or successor trustees; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article VI. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, dissolve, become insolvent, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 6.12. Eligibility.

The Indenture Trustee under this Indenture shall at all times be a corporation or banking association having an office in the same state as the location of the Corporate Trust Office as specified, or to be specified, in this Indenture; organized and doing business under the laws of such state or the United States of America; authorized under such laws to exercise corporate trust powers; having a combined capital and surplus of at least \$50,000,000; having long-term unsecured debt obligations which have at least the Required Long-Term Debt Rating and subject to supervision or examination by federal or state authorities. If such corporation shall publish reports of its condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purpose of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Indenture Trustee shall cease to be eligible in accordance with the provisions of this Section, the Indenture Trustee shall resign immediately.

SECTION 6.13. Trust Collateral Agent to Follow Indenture Trustee's Directions.

The Indenture Trustee hereby authorizes the Trust Collateral Agent to take such action on its behalf, and to exercise such rights, remedies, powers and privileges hereunder, as the Indenture Trustee may direct and as are specifically authorized to be exercised by the Trust Collateral Agent by the terms hereof, together with such actions, rights, remedies, powers and privileges as are reasonably incidental thereto.

SECTION 6.14. Representations and Warranties of the Indenture Trustee.

The Indenture Trustee represents and warrants to the Issuer as follows:

(ii) The Indenture Trustee has full corporate power, authority, and legal right to execute, deliver, and perform this Indenture, and has taken all necessary action to authorize the execution, delivery, and performance by it of this Indenture and the other Basic Documents to which it is a party.

(iii) Each of this Indenture, and the other Basic Documents to which it is a party, has been duly executed and delivered by the Indenture Trustee.

(iv) Each of this Indenture, and the other Basic Documents to which it is a party, is a legal, valid and binding obligation of the Indenture Trustee enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, reorganization, or other similar laws affecting the enforcement of creditors' rights generally and to general principles of equity.

(v) The execution, delivery and performance of this Indenture, and each other Basic Document to which it is a party, by the Indenture Trustee will not constitute a violation, to the best of the Indenture Trustee's knowledge, with respect to any order or decree of any court or any order, regulation or demand of any federal, State, municipal or governmental agency binding on the Indenture Trustee, which violation might have consequences that would materially and adversely affect the performance of its duties under this Indenture or under any other Basic Document to which it is a party.

(vi) The execution, delivery and performance of this Indenture, and each other Basic Document to which it is a party, by the Indenture Trustee do not require any approval or consent of any Person, do not conflict with the articles of incorporation or bylaws of the Indenture Trustee.

Each of the Indenture Trustee and the Trust Collateral Agent hereby expressly waives any and all rights of setoff that the Indenture Trustee or the Trust Collateral Agent may otherwise at any time have under applicable law with respect to any Trust Account and agrees that amounts in the Trust Accounts shall at all times be held and applied solely in accordance with the provisions hereof and of the Sale and Servicing Agreement.

SECTION 6.16. Reserved.

SECTION 6.17. Disqualification of the Indenture Trustee.

If the Indenture Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act of 1939, as amended, the Indenture Trustee shall either eliminate such interest or resign to the extent in the manner provided by and subject to the provisions of this Indenture.

SECTION 6.18. Authorization and Direction.

The Issuer hereby authorizes and directs the Indenture Trustee to execute the Basic Documents to which it is a party.

SECTION 6.19. Action under the Intercreditor Agreement.

Before taking or omitting to take any action under the Intercreditor Agreement, the Indenture Trustee may request and shall be entitled to receive direction from the Majority Noteholders with respect to any action required to be taken by it thereunder. The Indenture Trustee shall not be required to take any action or omit to take any action in the absence of such consent.

ARTICLE VII

The Issuer will furnish or cause to be furnished to the Indenture Trustee (a) not more than five (5) days after each Record Date, a list, in such form as the Indenture Trustee may reasonably require, of the names and addresses of the Holders as of such Record Date and (b) at such other times as the Indenture Trustee may request in writing, within thirty (30) days after receipt by the Issuer of any such request, a list of similar form and content as of a date not more than ten (10) days prior to the time such list is furnished; provided, however, that so long as the Indenture Trustee is the Note Registrar, no such list shall be required to be furnished.

SECTION 7.2. Preservation of Information.

The Indenture Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of the Holders contained in the most recent list furnished to the Indenture Trustee as provided in Section 7.1 and the names and addresses of Holders received by the Indenture

Trustee in its capacity as Note Registrar. The Indenture Trustee may destroy any list furnished to it as provided in such Section 7.1 upon receipt of a new list so furnished.

ARTICLE VIII

Accounts, Disbursements and Releases

SECTION 8.1. Collection of Money.

Except as otherwise expressly provided herein, the Indenture Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trust Collateral Agent pursuant to the Sale and Servicing Agreement. The Indenture Trustee shall apply all such money received by it, or cause the Trust Collateral Agent to apply all money received by it as provided in this Indenture and the Sale and Servicing Agreement. Except as otherwise expressly provided in this Indenture or in the Sale and Servicing Agreement, if any default occurs in the making of any payment or performance under any agreement or instrument that is part of the Trust Property, the Indenture Trustee may at the expense of the Issuer take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate proceedings. Any such action shall be without prejudice to any right to claim an Indenture Default or Indenture Event of Default under this Indenture and any right to proceed thereafter as provided in Article V.

SECTION 8.2. Release of Trust Property.

Subject to (i) the payment of its fees and expenses pursuant to Section 6.7, (ii) upon request from the Indenture Trustee, receipt of an Officer's Certificate and (iii) upon request from the Indenture Trustee, written direction from the Issuer, the Indenture Trustee (a) after the Termination Date, may and (b) when required by the provisions of this Indenture or from time to time when required by the provisions of the Sale and Servicing Agreement shall release, and shall direct the Trust Collateral Agent to execute instruments as may be necessary to release, property from the lien of this Indenture, in a manner and under circumstances that are not inconsistent with the provisions of this Indenture. ARTICLE IX

Supplemental Indentures

SECTION 9.1. Supplemental Indentures Not Adversely Affecting Rights of Noteholders.

(a) Without the consent of the Holders of any Notes and with prior notice to the Rating Agencies by the Issuer, as evidenced to the Indenture Trustee, the Issuer and the Indenture Trustee, when authorized by an Issuer Order, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Indenture Trustee for any of the purposes set forth in clauses (i)-(vi) below; provided, however, if any party to this Indenture is unable to sign any amendment due to its dissolution, winding up or comparable circumstances, then the consent of the Majority Noteholders shall be sufficient to amend this Indenture without such party's signature:

(i) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or better to assure, convey and confirm unto the Indenture Trustee any property subject or required to be subjected to the lien of this Indenture, or to subject to the lien of this Indenture additional property;

(ii) to evidence the succession, in compliance with the applicable provisions hereof, of another person to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes contained;

(iii) to add to the covenants of the Issuer, for the benefit of the Holders of the Notes, or to surrender any right or power herein conferred upon the Issuer;

(iv) to convey, transfer, assign, mortgage or pledge any property to or with the Trust Collateral Agent;

(v) to cure any ambiguity, to correct or supplement any provision herein or in any supplemental indenture which may be inconsistent with any other provision herein or in any supplemental indenture or to add any other provisions with respect to matters or questions arising under this Indenture or in any supplemental indenture; provided that such action shall not adversely affect the interests of the Holders of the Notes as evidenced by an Officer's Certificate delivered by the Servicer or an Opinion of Counsel addressed to the Indenture Trustee; or

(vi) to evidence and provide for the acceptance of the appointment hereunder by a successor Indenture Trustee with respect to the Notes and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one Indenture Trustee, pursuant to the requirements of Article VI.

The Indenture Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that

may be therein contained provided that such action shall not adversely affect the interests of the Holders of the Notes.

(b) The Issuer and the Indenture Trustee, when authorized by an Issuer Order, may, also without the consent of any of the Holders of the Notes and with prior notice to the Rating Agencies by the Issuer, as evidenced to the Indenture Trustee, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes under this Indenture; provided, however, that such action shall not, as evidenced by an Opinion of Counsel addressed to the Indenture Trustee which may be based on a certificate of the Seller, adversely affect in any material respect the interests of any Noteholder.

SECTION 9.2. Supplemental Indentures with Consent of Noteholders.

The Issuer and the Indenture Trustee, when authorized by an Issuer Order, also may, with prior notice to the Rating Agencies by the Issuer and with the consent of the Majority Noteholders (which consent of any Holder of a Note given pursuant to this Section or pursuant to any other provision of this Indenture shall be conclusive and binding on such Holder and on all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange thereof or in lieu thereof whether or not notation of such consent is made upon the Note), enter into an indenture or indentures supplemental hereto for the purpose of modifying in any manner the rights of the Holders of the Notes under this Indenture; provided, however, if any party to this Indenture is unable to sign any amendment due to its dissolution, winding up or comparable circumstances, then the consent of the Majority Noteholders shall be sufficient to amend this Indenture without such party's signature; provided further, however, that, no such supplemental indenture shall, without the consent of the Holder of each Outstanding Note affected thereby:

(i) change the due date of any installment of principal of or interest on any Note, or reduce the principal amount thereof, the interest rate thereon or the Redemption Price with respect thereto, or change the order or content of the clauses in the priority of distributions relating to payment of principal of or interest on the Notes;

(ii) impair the right to institute suit for the enforcement of the provisions of this Indenture requiring the application of funds available therefor, as provided in Article V, to the payment of any such amount due on the Notes on or after the respective due dates thereof (or, in the case of redemption, on or after the Redemption Date);

(iii) reduce the percentage of the Outstanding Amount of the Notes, the consent of the Holders of which is required for any such supplemental indenture, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;

(iv) modify or alter the provisions of the proviso to the definition of the term "Outstanding Amount" or "Majority Noteholders";

(v) reduce the percentage of the Outstanding Amount of the Notes required to direct the Indenture Trustee to direct the Issuer to sell or liquidate the Trust Property pursuant to Section 5.4;

(vi) modify any provision of this Section except to increase any percentage specified herein or to provide that certain additional provisions of this Indenture or the Basic Documents cannot be modified or waived without the consent of the Holder of each Outstanding Note adversely affected thereby;

(vii) modify any of the provisions of this Indenture in such manner as to affect the calculation of the amount of any payment of interest or principal due on any Note on any Distribution Date (including the calculation of any of the individual components of such calculation) or to affect the rights of the Holders of Notes to the benefit of any provisions for the mandatory redemption of the Notes contained herein; or

(viii) permit the creation of any Lien ranking prior to or on a parity with the Lien of this Indenture with respect to any part of the Trust Property or, except as otherwise permitted or contemplated herein or in any of the Basic Documents, terminate the Lien of this Indenture on any property at any time subject hereto or deprive the Holder of any Note of the security provided by the Lien of this Indenture.

The Issuer may, by delivery of an Officer's Certificate to the Indenture Trustee, determine whether or not any Notes would be affected by any supplemental indenture and any such determination shall be conclusive upon the Holders of all Notes, whether theretofore or thereafter authenticated and delivered hereunder. The Indenture Trustee shall not be liable for any such determination.

Promptly after the execution by the Issuer and the Indenture Trustee of any supplemental indenture pursuant to this Section, the Indenture Trustee shall mail to the Holders of the Notes a copy of such supplemental indenture. Any failure of the Indenture Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 9.3. Execution of Supplemental Indentures.

In executing, or permitting the additional trusts created by, any supplemental indenture permitted by this Article IX or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee shall be entitled to receive, and subject to Sections 6.1 and 6.2, shall be fully protected in relying upon, an Opinion of Counsel and an Officer's Certificate stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Indenture Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Indenture Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

SECTION 9.4. Effect of Supplemental Indenture.

Upon the execution of any supplemental indenture pursuant to the provisions hereof, this Indenture shall be and be deemed to be modified and amended in accordance therewith with respect to the Notes affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Indenture Trustee, the Issuer and the Holders of the Notes shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 9.5. Reference in Notes to Supplemental Indentures.

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and if required by the Indenture Trustee shall, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such supplemental indenture. If the Issuer or the Indenture Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

ARTICLE X

Redemption of Notes

SECTION 10.1. Redemption.

The Notes are subject to redemption in whole, but not in part, at the direction of the Servicer, on any Distribution Date on which the Servicer exercises its option to reacquire the Trust Property pursuant to Section 10.01(a) of the Sale and Servicing Agreement for a redemption price equal to the Redemption Price; provided, however, that the Indenture Trustee on behalf of the Issuer has received funds sufficient to pay the Redemption Price. The Issuer shall furnish the Rating Agencies notice of such redemption. If the Notes are to be redeemed pursuant to this Section, the Issuer shall furnish notice of such election to the Trust Collateral Agent and the Indenture Trustee not later than twenty (20) days prior to the Redemption Date (or such lesser number of days permissible by the Clearing Agency and reasonably acceptable to the Indenture Trustee). On or prior to the Business Day preceding the Redemption Date, the Issuer shall designate amounts on deposit in the Collection Account and/or shall deposit or cause to be deposited with the Indenture Trustee in the Note Distribution Account the Redemption Price of the Notes to be redeemed whereupon all outstanding Notes shall be due and payable on the Redemption Date, together with other amounts due and owing at such time under the Basic Documents, upon the furnishing of a notice complying with Section 10.2 to each Holder of Notes.

SECTION 10.2. Form of Redemption Notice.

Notice of redemption under Section 10.1 shall be given by the Indenture Trustee by facsimile or by first-class mail, postage prepaid, transmitted or mailed prior to the applicable Redemption Date to each Holder of the Notes, as of the close of business on the Record Date preceding the applicable Redemption Date, at such Holder's address appearing in the Note Register.

All notices of redemption shall state:

- (i) the Redemption Date;
- (ii) the Redemption Price;
- (iii) that the Record Date otherwise applicable to such Redemption Date is not applicable and that payments shall be made only upon presentation and surrender of such Notes and the place where such Notes are to be surrendered for payment of the Redemption Price (which shall be the office or agency of the Issuer to be maintained as provided in Section 2.7); and
- (iv) that interest on the Class A Notes, the Class B Notes and the Class C Notes shall cease to accrue on the Redemption Date.

Notice of redemption of the Notes shall be given by the Indenture Trustee in the name and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder of any Note shall not impair or affect the validity of the redemption of any other Note.

SECTION 10.3. Notes Payable on Redemption Date.

The Notes to be redeemed shall, following notice of redemption as required by Section 10.2 (in the case of redemption pursuant to Section 10.1), on the Redemption Date become due and payable at the Redemption Price and (unless the Issuer shall default in the payment of the Redemption Price) no interest shall accrue on the Redemption Price for any period after the date to which accrued interest is calculated for purposes of calculating the Redemption Price.

ARTICLE XI

Miscellaneous

SECTION 11.1. Compliance Certificates and Opinions, etc.

(a) Upon any application or request by the Issuer to the Indenture Trustee or the Trust Collateral Agent to take any action under any provision of this Indenture or any other Basic Document, the Issuer shall furnish to the Indenture Trustee, or the Trust Collateral Agent, as the case may be, if such request is made by the Issuer, an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent, if any, provided for in this Indenture or any other Basic Document relating to the proposed action have been complied with.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;

(ii) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(iii) a statement as to whether, in the opinion of each such signatory, such condition or covenant has been complied with.

(b) Other than with respect to the release of any Repurchased Loans or in the case of a redemption of the Notes pursuant to Section 10.1, prior to the deposit of any Collateral or other property or securities with the Trust Collateral Agent that is to be made the basis for the release of any property or securities subject to the lien of this Indenture, the Issuer shall, in addition to any obligation imposed in Section 11.1(a) or elsewhere in this Indenture, furnish to the Indenture Trustee and the Trust Collateral Agent an Officer's Certificate certifying or stating the opinion of each person signing such certificate (which may be based upon a certification of the Seller or the Servicer) as to the fair value (within ninety (90) days of such deposit) to the Issuer of the Collateral or other property or securities to be so deposited.

(c) Whenever the Issuer is required to furnish to the Indenture Trustee and the Trust Collateral Agent an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (b) above, the Issuer shall also deliver to the

Indenture Trustee and the Trust Collateral Agent an Independent Certificate as to the same matters, if the fair value to the Issuer of the securities to be so deposited and of all other such securities made the basis of any such withdrawal or release since the commencement of the then-current fiscal year of the Issuer, as set forth in the certificates delivered pursuant to clause (b) above and this clause (c), is 10% or more of the Outstanding Amount of the Notes, but such a certificate need not be furnished with respect to any securities so deposited, if the fair value thereof to the Issuer as set forth in the related Officer's Certificate is less than \$25,000.

(d) Other than with respect to the release of any Repurchased Loans or in the case of a redemption of the Notes pursuant to Section 10.1, or satisfaction of this Indenture pursuant to Section 4.1, whenever any property or securities are to be released from the Lien of this Indenture, the Issuer shall also furnish to the Trust Collateral Agent and the Indenture Trustee an Officer's Certificate certifying or stating the opinion of each person signing such certificate as to the fair value (within ninety (90) days of such release) of the property or securities proposed to be released and stating that in the opinion of such person the proposed release will not impair the security under this Indenture in contravention of the provisions hereof.

(e) Whenever the Issuer is required to furnish to the Trust Collateral Agent and the Indenture Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (d) above, the Issuer shall also furnish to the Trust Collateral Agent and the Indenture Trustee an Independent Certificate as to the same matters if the fair value of the property or securities and of all other property other than Purchased Loans, or securities released from the Lien of this Indenture since the commencement of the then current calendar year, as set forth in the certificates required by clause (d) above and this clause (e), equals 10% or more of the Outstanding Amount of the Notes, but such certificate need not be furnished in the case of any release of property or securities if the fair value thereof as set forth in the related Officer's Certificate is less than \$25,000.

(f) Notwithstanding Section 2.9 or any other provision of this Section, the Issuer may, without delivering any Officer's Certificates or Independent Certificates (A) collect, liquidate, sell or otherwise dispose of Contracts as and to the extent required by the Basic Documents and (B) instruct the Trust Collateral Agent to make cash payments out of the Trust Accounts as and to the extent permitted or required by the Basic Documents.

SECTION 11.2. Form of Documents Delivered to Indenture Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Authorized Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his or her certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Servicer, the Seller or the Issuer, stating that the information with respect to such factual matters is in the possession of the Servicer, the Seller or the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture, in connection with any application or certificate or report to the Indenture Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Indenture Trustee's right to conclusively rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article VI.

SECTION 11.3. Acts of Noteholders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Noteholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.1) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved in any customary manner of the Indenture Trustee.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

SECTION 11.4. Notices, etc. to Indenture Trustee, Issuer, and Rating Agencies.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture to be made upon, given or furnished to or filed with:

(a) The Indenture Trustee by any Noteholder or by the Issuer shall be sufficient for every purpose hereunder if personally delivered, delivered by overnight courier, mailed certified mail, return receipt requested or by telecopy to: Computershare Trust Company, N.A., 1505 Energy Park Drive, St. Paul, Minnesota 55108, Attention: Computershare Trust Services – Asset-Backed Administration, Telephone: (612) 393-7304 and shall be deemed to have been duly given upon receipt to the Indenture Trustee at its Corporate Trust Office;

(b) The Issuer by the Indenture Trustee or by any Noteholder shall be sufficient for every purpose hereunder if personally delivered, delivered by overnight courier, mailed certified mail, return receipt requested or by telecopy to: Credit Acceptance Corporation, Silver Triangle Building, 25505 West Twelve Mile Road, Southfield, Michigan 48034-8339, Attention: Doug Busk, Telephone: (248) 353-2700 (ext. 4432), Telecopy: (866) 743-2704. The Issuer shall promptly transmit any notice received by it from the Noteholders to the Indenture Trustee;

(c) [Reserved]; and

(d) Notices required to be given to the Rating Agencies by the Issuer or the Indenture Trustee shall be in writing, electronically delivered, personally delivered, delivered by overnight courier, or mailed certified mail, return receipt requested to the following addresses: (i) in the case of S&P, via electronic delivery to Servicer_reports@sandp.com (or for any information not available in electronic format, send hard copies to: 55 Water Street, New York, New York 10041) and (ii) in the case of Moody's, via electronic delivery to absurveillance@moodys.com (or for any information not available in electronic format, send hard copies to: Moody's Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street – 25th Floor, New York, New York 10007); or, in each case, to such other address as shall be designated by written notice from the applicable notice party to the other parties.

SECTION 11.5. Notices to Noteholders; Waiver.

Where this Indenture provides for notice to Noteholders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid to each Noteholder affected by such event, at his or her address as it appears on the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Indenture Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Indenture Trustee shall be deemed to be a sufficient giving of such notice.

Where this Indenture provides for notice to the Rating Agencies, failure to give such notice shall not affect any other rights or obligations created hereunder, and shall not under any circumstance constitute an Indenture Default or Indenture Event of Default.

SECTION 11.6. Alternate Payment and Notice Provisions.

Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Issuer may enter into any agreement with any Holder of a Note providing for a method of payment, or notice by the Indenture Trustee or any Paying Agent to such Holder, that is different from the

methods provided for in this Indenture for such payments or notices, provided that such methods are reasonable and consented to by the Indenture Trustee (which consent shall not be unreasonably withheld). The Issuer will furnish to the Indenture Trustee a copy of each such agreement and the Indenture Trustee will cause payments to be made and notices to be given in accordance with such agreements.

SECTION 11.7. Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 11.8. Successors and Assigns.

All covenants and agreements in this Indenture and the Notes by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Indenture Trustee in this Indenture shall bind its successors.

SECTION 11.9. Separability.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 11.10. Benefits of Indenture.

Nothing in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, and the Noteholders, and any other party secured hereunder, and any other person with an ownership interest in any part of the Trust Property, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 11.11. Legal Holidays.

In any case where the date on which any payment is due shall not be a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

SECTION 11.12. GOVERNING LAW; WAIVER OF JURY TRIAL; JURISDICTION.

THIS INDENTURE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY HERETO IRREVOCABLY WAIVES ALL RIGHT OF TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS INDENTURE, ANY OTHER BASIC DOCUMENT, OR ANY MATTER ARISING HEREUNDER OR THEREUNDER.

Parties agree to the non-exclusive jurisdiction of the state and federal courts in New York.

SECTION 11.13. Counterparts.

This Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. This Agreement shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings and authentication of Notes when required under the UCC or other Signature Law due to the character or intended character of the writings.

SECTION 11.14. Recording of Indenture.

If this Indenture is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion of Counsel (which may be counsel to the Indenture Trustee or any other counsel reasonably acceptable to the Indenture Trustee) to the effect that such recording is necessary either for the protection of the Noteholders or any other person secured hereunder or for the enforcement of any right or remedy granted to the Indenture Trustee under this Indenture.

SECTION 11.15. Trust Obligation.

No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Seller, the Servicer, the Owner Trustee, the Trust Collateral Agent or the Indenture Trustee on the Notes or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against: (i) the Seller, the Servicer, the Indenture Trustee or the Trust Collateral Agent or the Owner Trustee in its individual capacity, (ii) any owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director or employee of the Issuer, the Seller, the Servicer, the Indenture Trustee or the Trust Collateral Agent or the Owner Trustee in its individual capacity, any holder of a beneficial interest in the Issuer, the Seller, the Servicer, the Owner Trustee, the Indenture Trustee or the Trust Collateral Agent or of any successor or assign of the Seller, the Servicer, the Indenture Trustee or the Trust Collateral Agent or the Owner Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Indenture Trustee or the Trust Collateral Agent and the Owner Trustee have no such obligations in their individual capacity) and except that any such partner, owner or beneficiary shall be fully liable, to the extent provided by applicable law, for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call owing to such entity. For all purposes of this Indenture, in the performance of any duties or obligations of the Issuer hereunder, the Owner Trustee shall be subject to, and entitled to the benefits of, the terms and provisions of Article VI, VII and VIII of the Trust Agreement.

SECTION 11.16. No Petition.

Each of the Indenture Trustee, by entering into this Indenture, and each Noteholder, by accepting a Note, hereby covenants and agrees that, until one year and one day after such time as the Notes issued under this Indenture are paid in full, it shall not: (i) institute the filing of a bankruptcy petition against the Seller or the Issuer based upon any claim in its favor arising hereunder or under the Basic Documents; (ii) file a petition or consent to a petition seeking relief on behalf of the Seller or the Issuer under the Bankruptcy Code; or (iii) consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or similar official) of the Seller or the Issuer or any portion of the property of the Seller or the Issuer. The parties hereto agree that all obligations of the Issuer and the Seller are non-recourse to the Issuer and the Seller except as specifically set forth in the Basic Documents.

SECTION 11.17. Inspection.

The Issuer agrees that, on reasonable prior notice, it will permit any representative of the Indenture Trustee, during the Issuer's normal business hours, to examine all the books of account, records, reports, and other papers of the Issuer, to make copies and extracts therefrom, to cause such books to be audited by independent certified public accountants, and to discuss the Issuer's affairs, finances and accounts with the Issuer's officers, employees, and independent certified public accountants, all at such reasonable times and as often as may be reasonably requested. The Indenture Trustee shall and shall cause its representatives to hold in confidence all such information except to the extent disclosure may be required by law, regulation or governmental authority or in connection with litigation, and except to the extent that the Indenture Trustee may reasonably determine that such disclosure is consistent with its obligations hereunder and under the Basic Documents.

SECTION 11.18. Maximum Interest Payable.

The Issuer, the Indenture Trustee and the Holders of the Notes specifically intend and agree to limit contractually the amount of interest payable under this Indenture, the Notes and all other instruments and agreements related hereto and thereto to the maximum amount of interest lawfully permitted to be charged under applicable law. Therefore, none of the terms of this Indenture, the Notes or any instrument pertaining to or relating to or executed in connection with this Indenture or the Notes shall ever be construed to create a contract to pay interest (or amounts deemed to be interest under applicable law) at a rate in excess of the maximum rate permitted to be charged under applicable law, and neither the Issuer nor any other party liable or to become liable hereunder, under the Notes or under any other instruments and agreements related hereto and thereto shall ever be liable for interest in excess of the amount determined at such maximum rate, and the provisions of this Section shall control over all other provisions of this Indenture, the Notes or any other instrument pertaining to or relating to the transactions herein or therein contemplated. If any amount of interest taken or received by the Indenture Trustee or any Holder of a Note shall be in excess of said maximum amount of interest which, under applicable law, could lawfully have been collected by the Indenture Trustee or such Holder incident to such transactions, then such excess shall be deemed to have been the result of a mathematical error by all parties hereto and shall be automatically applied to the reduction of the principal amount owing under the Notes or if such excessive interest exceeds the unpaid principal balance of the Notes, such excess shall be refunded promptly by the Person receiving such amount to the party paying such amount. All amounts paid or agreed to be paid in connection with such transactions which would under applicable law be deemed "interest" shall, to the extent permitted by such applicable law, be amortized, prorated, allocated and spread throughout the stated term of this Indenture. "Applicable law" as used in this paragraph means that law in effect from time to time which permits the charging and collection of the highest permissible lawful, nonusurious rate of interest on the transactions herein contemplated including laws of each State which may be held

to be applicable and of the United States of America, and “maximum rate” as used in this paragraph means, with respect to each of the Notes, the maximum lawful, nonusurious rates of interest (if any) which under applicable law may be charged to the Issuer from time to time with respect to such Notes.

SECTION 11.19. No Legal Title in Holders.

(a) No Holder of a Note shall have legal title to any part of the Trust Property. No transfer, by operation of law or otherwise, of any Note or other right, title and interest of any Holder of a Note in and to the Trust Property or hereunder shall operate to terminate this Indenture or the trusts hereunder or entitle any successor or transferee of such Holder to an accounting or to the transfer to it of legal title to any part of the Trust Property.

This Class A Note is one of a duly authorized issue of notes of the Issuer, designated as its 6.39% Class A Asset Backed Notes (the “Class A Notes”), issued under an Indenture dated as of August 24, 2023 (such indenture, as supplemented or amended, is herein called the “Indenture”), between the Issuer and Computershare Trust Company, N.A., as indenture trustee (the “Indenture Trustee”, which term includes any successor Indenture Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights and obligations thereunder of the Issuer, the Indenture Trustee and the Holders of the Class A Notes. This Class A Note and the Indenture shall be construed in accordance with the laws of the State of New York and the obligations, rights and remedies of the parties hereunder and thereunder shall be determined in accordance with such laws.

No reference herein to the Indenture and no provision of this Class A Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and interest on this Class A Note at the times, place, and rate, and in the coin or currency herein prescribed.

The Holder of this Class A Note by the acceptance hereof agrees that except as expressly provided in the Indenture or the Basic Documents, in the case of an Indenture Event of Default, the Holder shall have no claim against any of the foregoing for any deficiency, loss or claim therefrom; provided, however, that nothing contained herein shall be taken to prevent recourse to, and enforcement against, the assets of the Issuer for any and all liabilities, obligations and undertakings contained in the Indenture or in this Class A Note.

ANNEX 2 - 3 -

Perfection Representations, Warranties and Covenants

In addition to the representations, warranties and covenants contained in the Indenture, the Issuer hereby represents, warrants, and covenants to the Trust, the Trust Collateral Agent and the Indenture Trustee as follows on the Closing Date and on each Distribution Date on which the Trust purchases Loans, in each case only with respect to the Collateral pledged to the Indenture Trustee on the Closing Date or the relevant Distribution Date:

General

1. The Indenture creates a valid and continuing security interest (as defined in UCC Section 1-201) in the Collateral in favor of the Indenture Trustee, which security interest is prior to all other Liens, and is enforceable as such as against creditors of and purchasers from and assignees of the Trust.
2. Each Contract constitutes “tangible chattel paper,” “electronic chattel paper” or a “payment intangible”, within the meaning of UCC Section 9-102. Each Loan constitutes a “payment intangible” or a “general intangible” within the meaning of UCC Section 9-102.
3. Each Dealer Agreement and Purchase Agreement constitutes either a “general intangible,” “tangible chattel paper” or “electronic chattel paper”, within the meaning of UCC Section 9-102.
4. There is only one original executed copy of each “tangible record” constituting or forming a part of each Contract that is tangible chattel paper and a single “authoritative copy” (as such term is used in Section 9-105 of the UCC) of each electronic record constituting or forming a part of each Contract that is electronic chattel paper.
5. The Trust has taken or will take all necessary actions with respect to the Loans to perfect the security interest of the Indenture Trustee in the Loans and in the property securing the Loans.

Creation

1. The Trust owns and has good and marketable title to the Collateral, free and clear of any Lien, claim or encumbrance of any Person, excepting only liens for taxes, assessments or similar governmental charges or levies incurred in the ordinary course of business that are not yet due and payable or as to which any applicable grace period shall not have expired, or that are being contested in good faith by proper proceedings and for which adequate reserves have been established, but only so long as foreclosure with respect to such a lien is not imminent and the use and value of the property to which the Lien attaches is not impaired during the pendency of such proceeding.

Perfection

1. The Trust has caused or will have caused, within ten (10) days after the effective date of the Indenture, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Collateral granted to the Indenture Trustee under the Indenture.

2. With respect to Collateral that constitutes tangible chattel paper, such tangible chattel paper is in the possession of the Servicer, in its capacity as custodian for the Trust and the Trust Collateral Agent, and the Trust Collateral Agent has received a written acknowledgment from the Servicer, in its capacity as custodian, that it is holding such tangible chattel paper solely on its behalf and for the benefit of the Trust Collateral Agent, the Seller, the Trust and the relevant Dealer(s). With respect to Collateral that constitutes electronic chattel paper, the Trust Collateral Agent has received a written acknowledgment from the Servicer that it maintains control over such electronic chattel paper, as defined in Section 9-105 of the UCC, for the benefit of the Trust Collateral Agent, the Seller, the Trust and the relevant Dealer(s). All financing statements filed or to be filed against the Trust in favor of the Indenture Trustee in connection with this Indenture describing the Trust Property contain a statement to the following effect: "A purchase of or security interest in any collateral described in this financing statement will violate the rights of the Secured Party."

Priority

1. Other than the security interest granted to the Indenture Trustee pursuant to the Indenture, the Trust has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Trust Property. None of the Originator, the Servicer nor the Seller has authorized the filing of, or is aware of any financing statements against either the Seller, the Originator or the Trust that includes a description of the Collateral and proceeds related thereto other than any financing statement: (i) relating to the sale of the Conveyed Property (as defined in the Sale and Contribution Agreement) by the Originator to the Seller under the Sale and Contribution Agreement; (ii) relating to the security interest granted to the Trust under the Sale and Servicing Agreement; (iii) relating to the security interest granted to the Indenture Trustee under the Indenture; or (iv) that has been terminated or amended to reflect a release of the Collateral.

2. Neither the Seller, the Originator nor the Trust is aware of any judgment, ERISA or tax lien filings against either the Seller, the Originator or the Trust.

3. None of the tangible chattel paper or electronic chattel paper that constitutes or evidences the Contracts, the Dealer Agreements or the Purchase Agreements has any marks or notations indicating that it has been pledged, assigned or otherwise conveyed to any Person other than the Originator, the Servicer, the Seller, the Trust, a collection agent or the Indenture Trustee.

Survival of Perfection Representations

1. Notwithstanding any other provision of the Sale and Servicing Agreement, the Sale and Contribution Agreement, the Indenture or any other Basic Document, the Perfection Representations, Warranties and Covenants contained in this Schedule shall be continuing, and remain in full force and effect (notwithstanding any replacement of the Servicer or termination of Servicer's rights to act as such) until such time as all obligations under the Sale and Servicing

Agreement, the Sale and Contribution Agreement and the Indenture have been finally and fully paid and performed.

No Waiver

1. The parties hereto: (i) shall not, without obtaining a confirmation of the then-current ratings of the Notes, waive any of the Perfection Representations, Warranties or Covenants; and (ii) shall provide the Rating Agencies with prompt written notice of any breach of the Perfection Representations, Warranties or Covenants, and shall not, without obtaining a confirmation of the then-current rating of the Notes as determined after any adjustment or withdrawal of the ratings following notice of such breach, waive a breach of any of the Perfection Representations, Warranties or Covenants.

(a) Notwithstanding anything in Section 2.1 to the contrary, on or before the Business Day prior to the Distribution Date, the Backup Servicer will review and confirm that the Servicer's Certificate is readable and contains all information necessary for the Backup Servicer to complete its duties pursuant to this Section 2.2, and shall review the Servicer's Certificate to verify the following based solely on a recalculation of information contained in the Servicer's Certificate:

discrepancy. (f) Except as otherwise provided in this Agreement, the successor Servicer may accept and reasonably rely on all accounting, records and work of the Servicer without audit, and the successor Servicer shall have no Liability for the acts or omissions of the Servicer or for the inaccuracy of any data provided, produced or supplied by the Servicer. If any error, inaccuracy or omission (collectively, "**Errors**") exists in any information received from the Servicer, and such Errors should cause or materially contribute to the successor Servicer making or continuing any Errors (collectively, "**Continued Errors**"), the successor Servicer shall have no Liability for such Continued Errors; provided, however, that this provision shall not protect the successor Servicer against any Liability which would otherwise be imposed by reason of willful misconduct, bad faith or gross negligence in discovering or correcting any Error or in the performance of its duties hereunder or under the Sale and Servicing Agreement. In the event the successor Servicer becomes aware of Errors and/or Continued Errors which, in the opinion of the successor Servicer impairs its ability to perform its services hereunder, the successor Servicer: (i) shall promptly notify the Servicer of such Errors and/or Continued Errors; and (ii) shall use best efforts to reconstruct and reconcile such data as is commercially reasonable to correct such Errors and/or Continued Errors and prevent future Continued Errors. The successor Servicer shall be entitled to recover its costs thereby expended from the Servicer and to the extent not reimbursed by the Servicer, such amounts shall be reimbursed by the Issuer as successor Servicer expenses pursuant to Section 5.08(a) of the Sale and Servicing Agreement or Section 5.2 of the Indenture, as applicable.

(g) The Backup Servicer and its officers, directors, employees and agents shall be indemnified by the Servicer and the Issuer, jointly and severally, from and against all claims, damages, losses or expenses reasonably incurred by the Backup Servicer (including reasonable and documented attorney's fees and expenses, including, without limitation, costs and expenses (including any reasonable and documented out-of-pocket legal fees, costs and expenses and court costs) incurred in connection with (i) any enforcement (including any action, claim or suit brought) by the Backup Servicer of any indemnification or other obligation of the Servicer or

the Issuer or any other Person, and (ii) a successful defense, in whole or in part, of any claim that the Backup Servicer breached its standard of care) arising out of claims asserted against the Backup Servicer on any matter arising out of this Agreement to the extent the act or omission giving rise to the claim accrues before the Assumption Date, except for any claims, damages, losses or expenses arising from the Backup Servicer's own willful misconduct, bad faith or gross negligence, as determined by a court of competent jurisdiction. The indemnification provided for in this Section shall be paid to the Backup Servicer until such time as such court enters a judgment as to the extent and effect of the alleged willful misconduct, bad faith, or gross negligence, at which time the Backup Servicer shall, to the extent required pursuant to such court's determination, promptly return to the Servicer any such indemnification amounts so received but not owed and any other amounts as determined by such court. The obligations of the Servicer and the Issuer under this Section shall survive the termination or assignment of this Agreement and the earlier resignation or removal of the Backup Servicer.

(h) Notwithstanding the foregoing, if the Servicer's Data File or the Servicer's Certificate does not contain sufficient information for the Backup Servicer to perform any action hereunder, the Backup Servicer shall promptly notify the Servicer of any additional information to be delivered by the Servicer to the Backup Servicer, and the Backup Servicer and the Servicer shall mutually agree upon the form thereof; provided, however, that the Backup Servicer shall not be liable for the performance of any action unable to be taken hereunder without such additional information until it is received from the Servicer. In the performance of its duties hereunder, the Backup Servicer shall be entitled to conclusively rely on written notice with respect to the occurrence of any Indenture Default, Indenture Event of Default, Early Amortization Event, Automatic Amortization Event, Discretionary Amortization Event, Declared Discretionary Amortization Event, Servicer Default or any other trigger event with no duty to independently verify the information therein or confirm whether any such event has occurred or to otherwise make any determination with respect thereto.

Section 2.3. Assumption of Servicer's Obligations.

(a) The Backup Servicer agrees that within sixty (60) days (or such earlier number of days as may be agreed to by the Backup Servicer) of receipt of a written notice from the Trust Collateral Agent and the Indenture Trustee (acting at the written direction of the Majority Noteholders) of the termination of the rights and obligations of Credit Acceptance as Servicer pursuant to the Sale and Servicing Agreement, and without further notice, the Backup Servicer shall, subject to the exclusions stated herein, assume the Service-Related Activities of Credit Acceptance under the Sale and Servicing Agreement (the "**Assumption Date**") and further agrees that it shall assume all such Service-Related Activities in accordance with the requirements, terms and conditions set forth in the Sale and Servicing Agreement and this Agreement. Notwithstanding anything herein to the contrary, the Servicer shall not be relieved of its duties as Servicer under the Sale and Servicing Agreement until the Backup Servicer or a newly appointed successor Servicer shall have assumed the obligations and duties of the predecessor Servicer under the Sale and Servicing Agreement. In the event of a conflict between any provision of the Sale and Servicing Agreement and this Agreement, this Agreement shall be controlling.

(b) In the event of an assumption by the Backup Servicer of the Service-Related Activities of Credit Acceptance under the Sale and Servicing Agreement, the Backup Servicer shall not be obligated to perform the obligations imposed in the following Sections of the Sale and Servicing Agreement: Sections 3.02 (provided that the Backup Servicer shall be obligated to inform the other parties to this Agreement of the breaches or failures set forth in Section 3.02 of which a Responsible Officer has written notice of such breach or failure), 4.01(c), 4.01(d)(i), 4.01(d)(ii), 4.05, 4.06(a)(iii), 4.06(a)(v), 4.06(a)(vii)(B), 4.06(a)(ix), 4.06(a)(xi)(B), 4.06(b)(i), 4.06(b)(ii), 4.06(b)(v) (only with respect to the Servicer's obligation to

defend the right, title and interest of the Trust Collateral Agent in the Trust Property against the claims of third parties), 4.06(b) (vi), 4.07 (provided that the Backup Servicer shall be obligated to inform the other parties to this Agreement of certain breaches detailed in Section 4.07 of which a Responsible Officer has written notice or actual knowledge thereof in the manner described therein), 4.11, 5.01(b), 5.02 (only with respect to the amount of time in which the Servicer is required to remit Collections to the Collection Account which, in the case of the Backup Servicer, after the Assumption Date, will be within two (2) Business Days of receipt of such Collections with respect to cleared funds), 5.09(b), 5.10(b), 7.01, 7.02 (provided that the Backup Servicer shall be liable under Section 7.02(iii) of the Sale and Servicing Agreement as to action taken by it as successor Servicer), 7.03, 7.06, 8.01(v), 8.01(vi) or 10.01(b).

(c) The successor Servicer, if Computershare Trust Company, N.A. or its successors or assigns, shall have (i) no liability with respect to any obligation which was required to be performed by the predecessor Servicer prior to the date that the successor Servicer becomes the Servicer or any claim based on any alleged action or inaction of the predecessor Servicer, (ii) no obligation to perform any repurchase or advancing obligations, if any, of the Servicer, (iii) no obligation to pay any taxes required to be paid by the Servicer, (iv) no obligation to pay any of the fees and expenses of any other party involved in this transaction and (v) no liability or obligation with respect to any Servicer indemnification obligations of any prior servicer including the original servicer. The indemnification obligations of the Backup Servicer, upon becoming a successor Servicer are expressly limited to those instances of negligence, bad faith or willful misconduct of the Backup Servicer in its role as successor Servicer.

Section 2.4. Servicing and Retention of Servicer.

(a) Subject to early termination of the Backup Servicer due to the occurrence of a Backup Servicer Event of Default, or pursuant to Article IV, or as otherwise provided in this Section 2.4, on and after the Assumption Date, the Backup Servicer shall be responsible for the servicing, administering, managing and collection of the Loans and Contracts in accordance herewith and the Sale and Servicing Agreement.

(b) In the event of a Backup Servicer Event of Default, the Trust Collateral Agent may, or, at the direction of the Majority Noteholders, shall remove the Backup Servicer hereunder. Upon the removal or resignation of the Backup Servicer hereunder, the Majority Noteholders shall have the right to appoint a successor Backup Servicer (the “**Successor Backup Servicer**”) and enter into a backup servicing agreement with such Successor Backup Servicer at such time and exercise all of its rights under Section 4.15 of the Sale and Servicing Agreement; provided, however, that if such removal or resignation of the Backup Servicer occurs prior to the Assumption Date, the appointment of the Successor Backup Servicer shall be mutually acceptable to Credit Acceptance and the Majority Noteholders. Such backup servicing agreement shall specify the duties and obligations of the Successor Backup Servicer, and all references herein and in the Sale and Servicing Agreement to the Backup Servicer shall be deemed to refer to such Successor Backup Servicer.

(c) Except as provided in Section 4.3 hereof, the Backup Servicer shall not resign from the obligations and duties imposed on it by this Agreement or the Sale and Servicing Agreement, as successor Servicer or as Backup Servicer, as applicable, except upon a determination that by reason of a change in legal requirements, the performance of its duties hereunder or under the Sale and Servicing Agreement would cause it to be in violation of such legal requirements in a manner which would have a material adverse effect on the Backup Servicer. Any such determination permitting the resignation of the Backup Servicer pursuant to this Section 2.4(c) shall be evidenced by an opinion of counsel to such effect delivered and acceptable to the Majority Noteholders. No resignation of the Backup Servicer shall become effective until an entity reasonably acceptable to the Majority Noteholders shall have assumed

the responsibilities and obligations of the Backup Servicer. If a successor Backup Servicer does not take office within thirty (30) days after the termination or resignation of the Backup Servicer, the Backup Servicer may petition any court of competent jurisdiction for the appointment of a successor Backup Servicer. Any reasonable and documented fees, costs or expenses incurred by the retiring Backup Servicer in connection with such petition shall be reimbursed to it in as an expense of the Backup Servicer in accordance with Section 5.08(a) of the Sale and Servicing Agreement.

Any Person: (i) into which the Backup Servicer may be merged or consolidated; (ii) resulting from any merger or consolidation, or transfer of all or substantially all of its corporate trust business or assets to, another corporation or banking association, to which the Backup Servicer shall be a party; (iii) which acquires by conveyance, transfer or lease substantially all of the assets of the Backup Servicer; or (iv) succeeding to the business of the Backup Servicer, in any of the foregoing cases, shall execute an agreement of assumption to perform every obligation of the Backup Servicer under this Agreement and the Sale and Servicing Agreement, whether or not such assumption agreement is executed, shall be the successor to the Backup Servicer under this Agreement and the Sale and Servicing Agreement without the execution or filing of any paper or any further act on the part of any of the parties to this Agreement or the Sale and Servicing Agreement, anything herein or therein to the contrary notwithstanding; provided, however, that nothing contained herein or therein shall be deemed to release the Backup Servicer from any obligation hereunder or under the Sale and Servicing Agreement.

(e) Following the Assumption Date, beginning with the calendar year ending December 31, 2023, the Backup Servicer shall be required to deliver to the Indenture Trustee and the Trust Collateral Agent on or before one hundred twenty (120) days after the end of the Backup Servicer's fiscal year, with respect to such fiscal year, a copy of its annual SAS-70 and its audited financial statements for such fiscal year.

(f) Concurrently with the delivery of the financial reports delivered under (e) above, a report in substantially the form attached to this Agreement as Exhibit I and certified by the chief financial officer of the Backup Servicer, certifying that no Backup Servicer Event of Default and no event which, with the giving of notice or the passage of time, would become a Backup Servicer Event of Default has occurred and is continuing or, if any such Backup Servicer Event of Default or other event has occurred and is continuing, such a Backup Servicer Event of Default has occurred and is continuing, the action which the Backup Servicer has taken or proposes to take with respect thereto, shall be delivered to the Indenture Trustee and the Trust Collateral Agent.

Section 2.5. Servicing Duties of the Backup Servicer. On and after the Assumption Date:

(a) The Backup Servicer shall take or cause to be taken all such action as may be necessary or advisable to collect all amounts due under the Loans and Contracts from time to time, all in accordance with applicable laws, rules and regulations, and in accordance with its collection guidelines. There shall be no recourse to the Backup Servicer with regard to the Loans and Contracts. The Backup Servicer shall hold in trust for the Trust Collateral Agent all records which evidence or relate to all or any part of the Trust Estate. In the event that a Successor Backup Servicer is appointed, the outgoing Backup Servicer shall deliver to the Successor Backup Servicer and the Successor Backup Servicer shall hold in trust for the Trust Collateral Agent all records which evidence or relate to all or any part of the Trust Estate.

(b) The Backup Servicer shall remit to the Collection Account within two (2) Business Days of receipt, all Collections.

Without limiting the foregoing and anything provided for herein, the Backup Servicer shall perform the Service-Related Activities in accordance with its Collection Guidelines.

Section 2.6. Other Obligations of the Backup Servicer and Servicer.

(a) In connection with the delivery obligations of the Servicer under Section 2.1(c), Credit Acceptance shall provide a Live Data File (as defined below) transmission to the Backup Servicer, which shall include the Loan and Contract master file, the transaction history file and all other files necessary to carry out the Service-Related Activities in connection herewith (the “**Live Data Files**”). The Backup Servicer shall open the Live Data Files to confirm they are readable and store such Live Data Files. the UCC), to collect all amounts due under any and all of the Loans, including endorsing Credit Acceptance's name on checks and other instruments representing Collections and enforcing the Loans and Contracts; provided, however, that the Trust Collateral Agent shall not have an affirmative obligation to carry out such duties.

Section 2.9. Liability of the Backup Servicer; Standard of Care.

(a) The Backup Servicer shall not be liable for its actions or omissions hereunder except for its negligence, willful misconduct or bad faith, or for any recitals, statements, representations or warranties made expressly by the Backup Servicer.

(b) The Backup Servicer shall indemnify, defend and hold harmless the Servicer and its respective officers, directors, agents and employees from and against any and all costs, expenses, losses, claims, damages and liabilities to the extent that such cost, expense, loss, claim, damage or liability arose out of, or was imposed upon the Servicer through the Backup Servicer's willful misconduct, bad faith or negligence of the Backup Servicer in the performance of its duties under this Agreement or by reason of reckless disregard of its obligations and duties under this Agreement.

(c) The Servicer shall indemnify, defend and hold harmless the Backup Servicer and its respective officers, directors, agents and employees from and against any and all costs, expenses, losses, claims, damages and liabilities (including any reasonable and documented out-of-pocket legal fees, costs and expenses, including, without limitation, costs and expenses (including any reasonable and documented out-of-pocket legal fees, costs and expenses and court costs) incurred in connection with (i) any enforcement (including any action, claim or suit brought) by the Backup Servicer of any indemnification or other obligation of the Servicer or any other Person, and (ii) a successful defense, in whole or in part, of any claim that the Backup Servicer breached its standard of care) to the extent that such cost, expense, loss, claim, damage or liability arose out of, or was imposed upon the Backup Servicer through the Servicer's breach of this Agreement, willful misconduct, bad faith or negligence of the Servicer in the performance of its duties under this Agreement or by reason of reckless disregard of its obligations and duties under this Agreement.

(d) The Backup Servicer may accept and reasonably rely on all accounting and servicing records and other documentation provided to the Backup Servicer by or at the direction of the Servicer, including documents prepared or maintained by any originator, or previous servicer, or any party providing services related to the Loans or Contracts (collectively, the "**Third Party**"). The Servicer agrees to indemnify (subject to the limitation provided in subsection (e) below) and hold harmless the Backup Servicer, its respective officers, employees and agents against any and all claims, losses, penalties, fines, forfeitures, legal fees and related costs, judgments, and any other costs, fees and expenses that the Backup Servicer may sustain in any way related to the negligence or misconduct of any Third Party with respect to the Loans or Contracts. The Backup Servicer shall have no Liability for the acts or omissions of any such Third Party or for the inaccuracy of any data provided, produced or supplied by such Third Party.

(e) Indemnification under this Article shall include, without limitation, reasonable and documented fees and expenses of counsel (including in-house counsel) and expenses of litigation (including, without limitation, costs and expenses (including any reasonable and documented out-of-pocket legal fees, costs and expenses and court costs) incurred in connection with (i) any enforcement (including any action, claim or suit brought) by the indemnified party of any indemnification or other obligation of the indemnifying party or any other Person and (ii) a successful defense, in whole or in part, of any claim that the Indenture Trustee, the Trust Collateral Agent or the Backup Servicer breached its standard of care). If the indemnifying party has made any indemnity payments pursuant to this Article and the recipient

thereafter collects any of such amounts from others, the recipient shall promptly repay such amounts collected to the indemnifying party, together with any interest earned thereon.

(f) In performing the Service-Related Activities contemplated by this Agreement, the Backup Servicer agrees to comply in all respects with the applicable state and federal laws and will carry out such activities with the same degree of care as that provided for the Servicer under the Sale and Servicing Agreement. The Backup Servicer shall maintain all state and federal licenses and franchises necessary for it to perform Service-Related Activities. The Backup Servicer shall not have any Liability for any Error or Continued Error by the Servicer, or for any error, inaccuracy or omission of the Servicer before the Backup Servicer assumes the Service-Related Activities.

(g) Neither the Backup Servicer nor any of the directors or officers or employees or agents of the Backup Servicer shall be under any liability to the Servicer or any party to this Agreement or the Sale and Servicing Agreement except as provided in this Agreement, for any action taken or for refraining from the taking of any action in good faith pursuant to this Agreement; provided, however, that this provision shall not protect the Backup Servicer or any such person against any liability that would otherwise be imposed by reason of willful misconduct, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties under this Agreement by the Backup Servicer or such person, as the case may be. The Backup Servicer and any director, officer, employee or agent of the Backup Servicer may conclusively rely and shall be fully protected in acting or refraining from acting upon any document, certificate, instrument, opinion, notice, statement, consent, resolution, entitlement order, approval or conversation believed by it to be genuine and made by the proper person and upon the advice or opinion of counsel or other experts selected by it. The Backup Servicer shall not be liable for an error of judgment made in good faith by a Responsible Officer of the Backup Servicer, unless it shall be proven that the Backup Servicer was negligent in ascertaining the pertinent facts.

(h) The Backup Servicer shall maintain its existence and rights as a national banking association under the laws of the jurisdiction of its organization, and will obtain and preserve its qualification to do business in each jurisdiction in which the failure to so qualify would have an adverse effect on the validity or enforceability of any Contract, Dealer Agreement, Purchase Agreement, this Agreement or on the ability of the Backup Servicer to perform its duties under this Agreement.

(i) The provisions of this Section shall survive the termination or assignment of this Agreement and resignation or removal of the Backup Servicer.

(j) The Backup Servicer shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, entitlement order, approval or other paper or document.

(k) The Backup Servicer may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents (which may be affiliates), professionals (including attorneys), custodians or nominees appointed with due care.

(l) To the extent that the Backup Servicer is not indemnified by the Servicer pursuant to Section 2.2 hereunder and under the Sale and Servicing Agreement, such amounts shall be reimbursable by the Issuer pursuant to Section 5.08(a) of the Sale and Servicing Agreement or Section 5.2 of the Indenture, as applicable.

(m) The Backup Servicer shall be entitled to all of the benefits and immunities afforded the Indenture Trustee pursuant to the provisions of the Indenture. Other than as

specifically set forth elsewhere in this Agreement, the Backup Servicer shall have no obligation to supervise, verify, monitor or administer the performance of the Servicer and shall have no liability for any action taken or omitted by the Issuer or the Servicer.

(n) The Backup Servicer may subservice any and all of its duties and responsibilities hereunder, including its duties as successor Servicer hereunder and under the Sale and Servicing Agreement, should the Backup Servicer become the successor Servicer pursuant to Section 2.3; provided, that the Backup Servicer shall remain liable for the performance of such duties and responsibilities.

Section 2.10. Monthly Backup Servicer's Certificate. Prior to the Assumption Date, at least one (1) Business Day prior to each Distribution Date, the Backup Servicer shall deliver or cause to be delivered to the Trust Collateral Agent a certificate (the "**Backup Servicer's Certificate**"), in form and substance satisfactory to the Majority Noteholders, signed by an officer of the Backup Servicer, stating that: (i) the Backup Servicer has loaded the Servicer's Data File as described in Section 2.1(a) on its hardware; (ii) a review of the Servicer's Certificate for the related Distribution Date has been made under such officer's supervision; (iii) the Backup Servicer has received the Live Data File described in Section 2.6(a); and (iv) to such officer's knowledge: (x) the electronic media is in readable form; (y) with respect to the review and verification set forth in Section 2.2(a) and 2.2(b), the data on the Servicer's Data File tie to the related Servicer's Certificate resulting in no discrepancies between them; and (z) the Servicer's Certificate does not contain any errors in accordance with the review criteria set forth in Section 2.2(a) hereunder. If the preceding statements cannot be made in the affirmative, the applicable officer shall state the nature of any and all anomalies, discrepancies and errors, and indicate all actions it is currently taking with the Servicer to reconcile and/or correct the same. Each Backup Servicer's Certificate shall be dated as of the related Determination Date. Upon the request of the Indenture Trustee or the Trust Collateral Agent, a Backup Servicer's Certificate shall be accompanied by copies of any third party reports relied on or obtained in connection with the Backup Servicer's duties hereunder. The Backup Servicer, with respect to the Backup Servicer's Certificate, shall not be responsible for delays attributable to the failure of the Servicer or any other Person to deliver information, defects in the information supplied by the Servicer or any other Person or other circumstances beyond the control of the Backup Servicer. After the Assumption Date, the Backup Servicer shall deliver the Servicer's Certificate in accordance with Section 4.09 of the Sale and Servicing Agreement.

Section 2.11. Backup Servicer's Expenses. The Backup Servicer shall be required to pay all ordinary expenses incurred by it in connection with its activities hereunder, including expenses related to subservicers, fees and disbursements of independent accountants, taxes imposed on the Backup Servicer and expenses incurred in connection with distributions and reports to the Servicer and the Trust Collateral Agent. When the Backup Servicer incurs expenses after the occurrence of a Servicer Default specified in Section 8.01 of the Sale and Servicing Agreement or an Indenture Event of Default specified in Section 5.1 of the Indenture, the parties hereto intend that such expenses constitute expenses of administration under the Bankruptcy Code or any other applicable Federal or State bankruptcy, insolvency or similar law.

Section 2.12. Notice of Repurchase Request. If a Responsible Officer of the Backup Servicer (i) has actual knowledge or receives written notice from any Person that is not a party to this Backup Servicing Agreement of a breach or a claim of a breach of any representation or warranty relating to a Loan pursuant to the Sale and Contribution Agreement or the Sale and Servicing Agreement, (ii) receives written notice of any request or demand for repurchase or replacement of a Loan (any such request or demand for repurchase or replacement, a "**Repurchase Request**"), (iii) receives written notice of the rejection of any such Repurchase Request or is in dispute with the Person making such Repurchase Request as to the merits of such Repurchase Request or (iv) receives written notice of the withdrawal of such Repurchase

Request by the Person making such Repurchase Request, then the Backup Servicer shall give notice thereof to the other parties hereto in each case within five (5) Business Days from the receipt of any such notice. Each notice required by this paragraph of this Section 2.12 shall include, in addition to any other necessary information: (i) the date on which such Repurchase Request, rejection or withdrawal was made or such dispute commenced, as applicable, (ii) the identity of the Person making such Repurchase Request, (iii) the basis asserted for such Repurchase Request, rejection, withdrawal (or an indication that no basis was given by the Person withdrawing such Repurchase Request) or dispute, as applicable, and (iv) copies of all correspondence received by such party from the Person making a Repurchase Request or of the notice received or given by such party in connection with a breach or claim of a breach of any representation or warranty herein relating to a Loan. In addition, upon request, the Backup Servicer shall provide Credit Acceptance Corporation as promptly as practicable after such request is made such other information in its possession with respect to the matters set forth above as would permit Credit Acceptance Corporation to comply with its obligations under Rule 15Ga-1 under the Exchange Act or to comply with any other disclosure obligations applicable to it under federal securities laws.

Section 2.13. Dealer Collections Purchase. On or after the Assumption Date, if Credit Acceptance effects any Dealer Collections Purchase, Credit Acceptance shall deliver to the Backup Servicer on the date of such Dealer Collections Purchase a list identifying (A) all Dealer Loans satisfied as a result of such Dealer Collections Purchase pursuant to Section 3.2 of the Sale and Contribution Agreement and Section 4.18 of the Sale and Servicing Agreement, (B) each Dealer Loan Contract that previously secured such Dealer Loans, and (C) the Purchased Loans and Purchased Loan Contracts evidencing such Purchased Loans resulting from such Dealer Collections Purchase, in each case of clauses (A), (B) and (C), identified by account number, dealer number and pool number, as applicable.

Section 2.14. Backup Servicer as Successor Servicer. Notwithstanding anything to the contrary contained herein, and for the avoidance of doubt, any reference herein to the Backup Servicer and/or its rights, obligations and duties after the Assumption Date shall be deemed to relate to the Backup Servicer acting solely in its capacity as successor Servicer.

Article II

CONTRIBUTION AND SALE OF LOANS

Section 2.1 Contribution and Sale of Loans. (a) In consideration of the payments described in Section 3.1, effective as of the Closing Date, CAC does hereby convey, assign, sell, contribute and transfer to Funding, without recourse, except as set forth herein, all of its right, title and interest in, to and under the Initial Conveyed Property.

(a) CAC hereby further agrees that on each Distribution Date during the Revolving Period on which it decides to transfer additional Loans to Funding and the date of each Dealer Collections Purchase, in consideration of the payment described in Article III with respect to such Distribution Date, CAC shall, and CAC does hereby agree to, convey, assign, sell and transfer to Funding, without recourse, except as set forth herein, all of its right, title and interest in and to the Subsequent Conveyed Property with respect to such Distribution Date.

(b) CAC hereby further agrees that the above-described conveyances shall, without the need for any further action on the part of CAC or Funding, include (i) all rights arising under any Dealer Loan included in the Initial Conveyed Property and Subsequent Conveyed Property, including, without limitation, a security interest in each Dealer Loan Contract securing such Dealer Loan, which rights are attributable to advances made under such Dealer Loan as the result of additional Dealer Loan Contracts being allocated to the Open Pool securing such Dealer Loan and (ii) all rights arising under any Dealer Collections Purchase Agreement, including any Purchased Loans and Related Security arising thereunder.

(c) Each such contribution, sale, assignment, transfer and conveyance does not constitute an assumption by Funding of any obligations of CAC or any other Person to Obligor or to any other Person in connection with the Loans or under any Contract, Dealer Agreement, Purchase Agreement or other agreement and instrument relating to the Loans.

(d) In connection with any such foregoing conveyance, CAC agrees to record and file on or prior to the Closing Date, at its own expense, a financing statement or statements (and authorizes the filing of any continuation statements and amendments with respect thereto) with respect to the Conveyed Property conveyed by CAC hereunder meeting the requirements of applicable state law in such manner and in such jurisdictions as are necessary to perfect the interests of Funding created hereby, and to deliver either the originals of such financing statements or a file-stamped copy of such financing statements or other evidence of such filings to Funding on the Closing Date.

(e) CAC agrees that from time to time, at its expense, it will promptly execute and deliver all instruments and documents and take all actions as may be necessary or as Funding may reasonably request in order to perfect or protect the interest of Funding in the Loans and other Conveyed Property purchased hereunder or to enable Funding to exercise or enforce any of its rights hereunder. CAC shall, upon request of Funding, obtain such additional search reports as Funding shall request. To the fullest extent permitted by applicable law, Funding shall be authorized and permitted to file continuation statements and amendments to financing statements and assignments thereof to preserve and protect its right, title and interest in, to and under the Conveyed Property.

(f) It is the express intent of CAC and Funding that the conveyance of the Loans and other Conveyed Property by CAC to Funding pursuant to this Agreement be construed as an absolute sale and conveyance of all of CAC's right, title and interest in, to and under such Loans and other Conveyed Property to Funding and that CAC relinquishes control over and all right, title and interest (legal or equitable) in, to and under any Loan or other Conveyed Property immediately upon the transfer of each such Conveyed Property under this Agreement; except that, for the avoidance of doubt, CAC may effect a Dealer Collections Purchase from time to time and will continue to service the Conveyed Property, in each case, in accordance with the terms of this Agreement and the Sale and Servicing Agreement. Further, it is not the intention of CAC and Funding that such conveyance be deemed a grant of a security interest in the Loans and other Conveyed Property by CAC to Funding in the nature of a consensual lien securing an obligation. However, notwithstanding the express intent of the parties, if and to the extent the transfer of any of the Loans or other Conveyed Property is for any purpose characterized as a collateral transfer for security or the transaction is characterized as a financing transaction, then (i) this Agreement also shall be deemed to be, and hereby is, a security agreement within the meaning of the UCC as enacted in the State of New York and any other applicable jurisdiction; and (ii) the conveyance by CAC provided for in this Agreement shall be deemed to be, and CAC hereby grants to Funding, a first priority, perfected security interest in, to and under and a lien on all of CAC's right, title and interest in, to and under the Conveyed Property, to secure the obligation of CAC to pay to Funding an amount equal to the Issuer Secured Obligations. CAC and Funding shall, to the extent consistent with this Agreement, take such actions as may be necessary to ensure that, if this Agreement were deemed to create such a security interest in the Loans and other Conveyed Property, such security interest would be a perfected security interest in favor of Funding under applicable law and will be maintained as such throughout the term of this Agreement.

(g) In connection with such conveyance, CAC agrees to deliver to Funding on the Closing Date and each Distribution Date on which Subsequent Conveyed Property is sold by CAC to Funding, as applicable, one or more computer files or microfiche lists containing true and complete lists of all Dealer Agreements, Purchase Agreements, Loans conveyed to Funding on the Closing Date, and all Contracts securing or evidencing all such Loans, identified by account number, dealer number, original contract date and, for Contracts securing Dealer Loans, pool number. Such file or list shall be marked as Exhibit A to this Agreement, shall be delivered to Funding as confidential and proprietary, and is hereby incorporated into and made a part of this Agreement. Such Exhibit A shall be supplemented and updated on each Distribution Date in

the Revolving Period on which additional Subsequent Conveyed Property is conveyed by CAC to Funding so that Exhibit A will describe all existing Loans, on an aggregate basis, which have been conveyed by CAC to Funding hereunder on and prior to said Distribution Date, and the related Dealer Agreements, the related Purchase Agreements and all Contracts securing or evidencing all such Loans (other than those that have been released from Collateral and those Dealer Loans that have been deemed to be satisfied pursuant to Section 4.18 of the Sale and Servicing Agreement). Such updated Exhibit A shall be deemed to replace any existing Exhibit A as of such Distribution Date. Furthermore, CAC agrees to supplement and update Exhibit A by delivering to Funding a copy of the list delivered pursuant to Section 4.18 of the Sale and Servicing Agreement, identifying the Purchased Loan Contracts and related Subsequent Conveyed Property identified therein arising from a Dealer Collections Purchase.

(h) CAC will reflect the transactions described in paragraph (a) of this Section 2.1 on its internal non-consolidated financial statements and on any applicable non-consolidated state tax returns as a sale or other absolute transfer of the Loans from CAC to Funding, even though CAC will reflect this transaction on its consolidated financial statements as an “on-balance sheet” item in accordance with generally accepted accounting principles. CAC will present the data in its consolidated financial statements with an accompanying footnote describing Funding’s separate existence and stating that the Loans have been contributed on an arms-length basis to Funding and that Funding’s assets are not available to CAC’s creditors.

Section 2.2 Servicing of Loans. The servicing, administering and collection of the Loans shall be conducted by the Servicer then authorized to act as such under the Sale and Servicing Agreement.

Article III

CONSIDERATION AND PAYMENT

Section 3.1 Consideration. The consideration for the Loans and other Conveyed Property conveyed on the Closing Date to Funding by CAC under this Agreement shall be an amount equal to the net cash proceeds received by Funding arising out of its conveyance on the Closing Date of Conveyed Property to the Issuer under the Sale and Servicing Agreement, plus 100% of the sole membership interest in Funding. Thereafter, on each Distribution Date in the Revolving Period, the consideration for the Loans and other Conveyed Property conveyed on such Distribution Date will equal the Aggregate Outstanding Eligible Loan Balance of such Loans as of such Distribution Date. Such consideration shall be payable (i) in cash in the amount to be paid by the Issuer pursuant to Section 5.08(a)(iv) of the Sale and Servicing Agreement and/or (ii) as an increase in the value attributable to CAC’s membership interest in Funding (which constitutes and will constitute all of the equity interests issued by Funding) as a result of the conveyance of such Loans and other Conveyed Property.

Section 3.2 Dealer Collections Purchases. During its ordinary course of business in managing its serviced portfolio of dealer loans (and not based on the poor credit quality of particular dealer loans), CAC may from time to time agree to enter into an agreement (a “Dealer Collections Purchase Agreement”) with a Dealer, pursuant to which the Dealer agrees to sell and assign to CAC all of its rights, interests and entitlement in and to one or more Pools of Dealer Loan Contracts securing the related Dealer Loans, including such Dealer’s ownership interest in such Dealer Loan Contracts and rights to receive the related Dealer Collections (a “Dealer Collections Purchase”). On the date of each Dealer Collections Purchase, CAC will pay the applicable Dealer under a Dealer Collections Purchase Agreement the applicable purchase price specified therein (the “Dealer Collections Purchase Price”). Upon such payment, the related Dealer Loans (including the rights to the related Dealer Collections thereunder) shall be deemed to be satisfied and pursuant to Section 2.1(b) of this Agreement the Dealer Loan Contracts

previously securing such Dealer Loans shall be automatically assigned by CAC to Funding as Purchased Loan Contracts and the loans thereunder shall be deemed Purchased Loans. Funding agrees to accept the assignment of the Purchased Loans and Purchased Loan Contracts arising from the satisfaction of a Dealer Loan resulting from a Dealer Collections Purchase by CAC in satisfaction of such Dealer Loan secured by the related Dealer Loan Contracts. The consideration for the conveyance from CAC to Funding of the Purchased Loan Contracts and Purchased Loans arising under the related Dealer Collections Purchase Agreement and other related Subsequent Conveyed Property will be (i) the satisfaction of the Dealer Loans previously secured by such Purchased Loan Contracts as provided herein, plus (ii) an increase in the value of CAC's membership interest in Funding (which constitutes and will constitute all of the equity interests issued by Funding) that results from such conveyance.

Section 3.3 Membership Interest. The membership interest of CAC in Funding shall arise on the Closing Date. Such membership interest may not be sold or otherwise transferred by CAC.

Article IV

CAC represents and warrants to Funding, as of the Closing Date and each Distribution Date during the Revolving Period on which Funding purchases the Subsequent Conveyed Property, as the case may be, and, in the case of the representations and warranties made pursuant to Sections 4.1(h), (i), (j), (k), (l), (m), (n), (o), (q) and (bb), only with respect to the Conveyed Property conveyed to Funding at the time given or made, that:

(j) Eligibility of Contracts. Each Contract classified as an "Eligible Contract" (or included in any aggregation of balances of "Eligible Contracts") by CAC in any document or report delivered hereunder satisfied the requirements contained in the definition of Eligible Contract on the date such Contract was conveyed or pledged to Funding.

(k) Accuracy of Information. All information with respect to the Loans and other Conveyed Property provided to Funding hereunder by CAC was true and correct in all material respects as of the date such information was provided to Funding and did not omit to state any material facts necessary to make the statements contained therein not misleading.

(l) No Liens. Each Loan and the other Conveyed Property has been transferred to Funding free and clear of any Lien of any Person, and in compliance, in all material respects, with all Applicable Laws.

(m) No Consents. With respect to each Loan and the other Conveyed Property, all material consents, licenses, approvals or authorizations of or registrations or declarations with any Governmental Authority required to be obtained, effected or given by CAC, in connection with the transfer of such Conveyed Property to Funding have been duly obtained, effected or given and are in full force and effect.

(n) Exhibit A. Upon delivery and with respect to any Distribution Date during the Revolving Period on which Funding purchases Subsequent Conveyed Property, Exhibit A to this Agreement will be an accurate and complete listing in all material respects of all Loans and the related Contracts and any related Dealer Agreements that have been sold to Funding as of such date, and the information contained therein is and will be true and correct in all material respects as of such date.

(o) Adverse Selection. No selection procedure believed by CAC to be materially adverse to the interests of Funding has been or will be used in selecting the Loans or any Dealer Agreements or Purchase Agreements; provided that for the avoidance of doubt, during the Revolving Period, CAC in its sole discretion may elect to sell Dealer Loans secured by either Open Pools or Closed Pools.

Upon the filing of UCC-1 financing statements naming Funding as secured party and CAC as debtor, Funding shall have a first priority perfected security interest in the Conveyed Property. All filings (including, without limitation, UCC filings) as are necessary in any jurisdiction to perfect the interest of Funding have been made.

(r) [Reserved].

(s) Use of Proceeds. No proceeds of any sale of Conveyed Property will be used (i) for a purpose that violates, or would be inconsistent with, Regulation T, U or X promulgated by the Board of Governors of the Federal Reserve System from time to time or (ii) to acquire any security in any transaction which is subject to Section 12, 13 or 14 of the Securities Exchange Act of 1934, as amended.

(t) Taxes. CAC has filed on or before their respective due dates, all tax returns which are required to be filed in any jurisdiction or has obtained extensions for filing such tax returns and has paid all taxes, assessments, fees and other governmental charges against CAC or any of its properties, income or franchises, to the extent that such taxes have become due, other than any taxes or assessments, the validity of which are being contested in good faith by appropriate proceedings and with respect to which adequate provision has been made on the books of CAC as may be required by GAAP. To the best knowledge of CAC, all such tax returns were true and correct in all material respects and CAC does not know of any proposed material additional tax assessment against it nor any basis therefor. Any taxes, assessments, fees and other governmental charges payable by CAC in connection with the execution and delivery

CAC does not intend to incur, or believes that it has incurred, debts beyond its ability to pay such debts as they mature. CAC does not contemplate the commencement of insolvency, bankruptcy, liquidation or consolidation proceedings or the appointment of a receiver, liquidator, conservator, trustee or similar official to manage or control any of its assets. The amount of consideration being received by CAC upon the sale or other absolute transfer of the Conveyed Property to Funding constitutes reasonably equivalent value and fair consideration for the Conveyed Property. CAC is not transferring the Conveyed Property to Funding with any intent to hinder, delay or defraud any of its creditors.

(b) Preservation of Existence. CAC will preserve and maintain its existence, rights, franchises and privileges in the jurisdiction of its incorporation, and qualify and remain qualified in good standing as a foreign corporation in each jurisdiction where the failure to preserve and maintain such existence, rights, franchises, privileges and qualification has had, or could reasonably be expected to have, a material adverse effect on the Conveyed Property.

(c) Obligations and Compliance with Loans, Dealer Agreements and Purchase Agreements. CAC will duly fulfill and comply with all material obligations on the part of CAC to be fulfilled or complied with under or in connection with each Loan, each Dealer Agreement and each Purchase Agreement and will do nothing to impair the rights of Funding in, to and under the Conveyed Property.

(d) Keeping of Records and Books of Account. CAC will maintain and implement administrative and operating procedures (including without limitation, an ability to recreate records evidencing the Loans and the Contracts in the event of the destruction of the originals thereof), and keep and maintain all documents, books, records and other information reasonably necessary or advisable for the collection of all Loans, or it will cause the Servicer to do so.

(e) Preservation of Security Interest. CAC will file such financing and continuation statements and any other documents that may be required by any law or regulation of any Governmental Authority to preserve and perfect the security interest of Funding in, to and under the Conveyed Property. CAC will maintain possession of, or control over, the Dealer Agreements, Purchase Agreements and the Contract Files and Records, as custodian for the Trust and the Trust Collateral Agent, as set forth in Section 3.03(a) of the Sale and Servicing Agreement. CAC, as Servicer, will comply with its covenants under Section 4.06(a)(v) of the Sale and Servicing Agreement.

(f) Collection Guidelines. As long as it is the Servicer, CAC will comply in all material respects with the Collection Guidelines or otherwise as required by Applicable Law in regard to each Loan and Contract.

(g) Separateness. CAC will take such actions that are required on its part to be performed to cause (i) Funding to be in compliance, at all relevant times, with Sections 6.01(xviii) and 6.04 of the Sale and Servicing Agreement, and (ii) all factual assumptions set forth in the opinion letters delivered by Skadden, Arps, Slate, Meagher & Flom LLP with respect to certain bankruptcy matters under the Sale and Servicing Agreement to remain true at all relevant times.

(h) Notice to Potential Purchasers. At all times before the termination of this Agreement, if a third party, including a potential purchaser of the Loans, inquires, CAC will promptly reply that (i) CAC has sold the Loans to Funding; (ii) Funding has sold the Loans to the

Issuer; (iii) the Issuer has granted a security interest therein to the Indenture Trustee; and (iv) CAC will not claim any ownership interest in the Loans.

Section 5.2 Negative Covenants. During the term of this Agreement, unless Funding shall otherwise consent in writing:

(a) Change of Name or Location of Records. CAC shall not (A) change its name or its state of organization, move the location of its principal place of business and chief executive office, and the offices where it keeps records concerning the Loans from the location referred to in Section 3.03(b) of the Sale and Servicing Agreement, or (B) move the Records from the location thereof on the Closing Date, unless CAC or the Servicer has given at least thirty (30) days' written notice to Funding and has taken all actions required under the UCC of each relevant jurisdiction in order to continue the first priority perfected security interest of Funding in the Conveyed Property; provided that the Servicer may temporarily (or permanently, in the case of a Loan or Contract that is repurchased, liquidated or paid in full) move or transfer to an agent of the Servicer individual Contract Files or Records, or any portion thereof without notice as necessary to allow the Servicer to conduct collection and other servicing activities in accordance with its customary practices and procedures.

(b) Change in Payment Instructions to Obligors. CAC will not make any change in its instructions to Obligor s regarding payments to be made directly or indirectly, unless such change is permitted under the Sale and Servicing Agreement and Funding has consented to such change and has received duly executed documentation related thereto or unless such change is required by Applicable Law.

(c) No Instruments. CAC shall take no action to cause any Loan to be evidenced by any instrument (as defined in the UCC as in effect in the relevant jurisdictions), except for instruments obtained with respect to defaulted Loans that are in the possession, or under the control, of the Servicer in its capacity as custodian for the Trust and the Trust Collateral Agent.

(d) No Liens. CAC shall not sell, pledge, contribute, assign or transfer to any other Person, or grant, create, incur, assume or suffer to exist any Lien (other than in favor of the Trust Collateral Agent or the Trust as specifically contemplated herein) on, the Conveyed Property. CAC shall defend the right, title and interest of Funding in, to and under the Conveyed Property against all claims of third parties claiming through or under CAC.

(e) Credit Guidelines and Collection Guidelines. CAC will not amend, modify, restate or replace, in whole or in part, the Credit Guidelines or Collection Guidelines, which change would materially impair the collectibility of any Loan or Contract and materially adversely affect the interests or the remedies of Funding under this Agreement or any other Basic Document, unless (i) such change is permitted under the Sale and Servicing Agreement and CAC obtains the prior written consent of Funding or (ii) such change is required by Applicable Law.

(f) Release of Contracts. Except for a release to an insurer in exchange for insurance proceeds paid by such insurer resulting from a claim for the total insured value of a vehicle, neither CAC or CAC as the Servicer shall release a Financed Vehicle securing a Contract from the security interest granted by such Contract in whole or in part except (i) in the event of payment in full by or on behalf of the Obligor thereunder, (ii) settlement materially consistent with the Collection Guidelines, or (iii) repossession, nor shall CAC impair the rights of Funding in the Contracts, except as may be required by Applicable Law.

(g) Change in Structure. CAC shall not change its jurisdiction of organization or merge or consolidate with and into any other entity or otherwise change its name, corporate structure or its location (within the meaning of the UCC) unless (i) Funding shall have received

at least thirty (30) days advance written notice of such change and CAC has taken all action necessary or appropriate to perfect or maintain the perfection of Funding's interest in the Conveyed Property (including, without limitation, the filing of all financing statements and the taking of such other action as Funding or its assigns may request in connection with such change); (ii) in the event of a merger or consolidation, (x) if CAC is then Servicer, such merger or consolidation satisfies all conditions in Section 7.03 of the Sale and Servicing Agreement and, (y) if CAC is not the surviving entity, the surviving entity shall have executed an agreement of assumption acceptable to Funding to perform every obligation of CAC under this Agreement and the other Basic Documents to which CAC is a party; and (iii) CAC shall have delivered to Funding and the Indenture Trustee (for the benefit of itself and the Noteholders), an opinion of counsel confirming that the security interest created hereunder remains perfected and of first priority, subject only to such limitations and qualifications as are contained in the opinions of Dykema Gossett PLLC or Skadden, Arps, Slate, Meagher & Flom LLP, as applicable, delivered on the Closing Date or are otherwise consented to by the addressees of such opinion.

(h) Separate Business. CAC shall not: (i) fail to maintain separate books, financial statements, accounting records and other corporate documents from those of Funding; (ii) commingle any of its assets or the assets of any of its Affiliates with those of Funding (except to the extent that CAC acts as the Servicer of the Loans); (iii) pay from its own assets any obligation or indebtedness of any kind incurred by Funding (or the Trust); and (iv) directly, or through any of its Affiliates, borrow funds or accept credit or guaranties from Funding.

Section 5.3 Indemnities by CAC.

(a) Without limiting any other rights that any such Person may have hereunder or under Applicable Law, CAC hereby agrees to indemnify Funding, or its assignee, and each of their respective Affiliates and officers, directors, employees and agents thereof (collectively, the "Indemnified Parties"), forthwith on demand, from and against any and all damages, losses, claims, liabilities and related costs and expenses, including attorneys' fees and disbursements (all of the foregoing being collectively referred to as the "Indemnified Amounts") awarded against or incurred by such Indemnified Party arising out of or as a result of this Agreement or in respect of any Loan or any Contract, excluding, however, (a) Indemnified Amounts to the extent resulting from gross negligence or willful misconduct on the part of such Indemnified Party or (b) Indemnified Amounts that arise as a result of non-payment of Loans due to credit problems of Dealers or Obligors. If CAC has made any indemnity payment pursuant to this Section 5.3 and such payment fully indemnified the recipient thereof and the recipient thereafter collects any payments from others in respect of such Indemnified Amounts, then the recipient shall repay to CAC an amount equal to the amount it has collected from others in respect of such Indemnified Amounts. Without limiting the foregoing, CAC shall indemnify each Indemnified Party for Indemnified Amounts relating to or resulting from:

(i) any Contract or Loan treated as or represented by CAC to be an Eligible Contract or Eligible Loan that is not at the applicable time an Eligible Contract or Eligible Loan;

(ii) reliance on any representation or warranty made or deemed made by CAC or any of its officers under or in connection with this Agreement, which shall have been false or incorrect in any material respect when made or deemed made or delivered;

(iii) the failure by CAC to comply with any term, provision or covenant contained in this Agreement or any agreement executed in connection with this Agreement, or with any Applicable Law, with respect to any Loan, Dealer Agreement, Purchase Agreement, or Contract, or the nonconformity of any Loan, Dealer Agreement, Purchase Agreement or Contract with any such Applicable Law;

(iv) the failure to vest and maintain vested in Funding, or its assignees, a first priority perfected ownership or security interest in the Conveyed Property, free and clear of any Lien;

(v) the failure to file, or any delay in filing, financing statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other Applicable Laws with respect to the Conveyed Property, whether at the time of the Closing Date or at any subsequent time;

(vi) any dispute, claim, offset or defense (other than the discharge in bankruptcy of the Dealer or Obligor) of the relevant Dealer or Obligor to the payment of any Loan or Contract (including, without limitation, a defense based on such Loan or Contract not being a legal, valid and binding obligation of such Obligor enforceable against it in accordance with its terms);

(vii) any failure of CAC to perform its duties or obligations in accordance with the provisions of this Agreement or any failure by CAC to perform its respective duties under the Loans;

(viii) the failure by CAC to pay when due any taxes for which CAC is liable, including without limitation, sales, excise or personal property taxes payable in connection with the Conveyed Property;

(ix) the commingling of Collections of the Loans and Contracts at any time with other funds (except that CAC, as the Servicer of the Loans, retains Collections in its general concentration account for up to two Business Days before remitting the Collections to the Collection Account);

(x) any investigation, litigation or proceeding related to this Agreement or in respect of any Loan or Contract;

(xi) the failure of CAC, in its individual capacity, or any of its agents or representatives to remit to the Servicer or the Trust Collateral Agent, Collections remitted to CAC, in its individual capacity, or any such agent or representative; and

(xii) the failure of a Contract File to contain the relevant original or "authoritative copy" of the Contract (other than pursuant to the provisos in Section 4.1(g) or Section 5.2(a)).

Notwithstanding the foregoing, CAC shall have no indemnification obligation hereunder with respect to any Loan or Contract in respect of which CAC shall have paid the Purchase Amount under the Sale and Servicing Agreement.

(b) Any amounts subject to the indemnification provisions of this Section 5.3 shall be paid by CAC to Funding within five (5) Business Days following Funding's demand therefor.

(c) The obligations of CAC under this Section 5.3 shall survive the termination of this Agreement.

Article VI

PAYMENT OBLIGATION

Section 6.1 Mandatory Payments.

(a) CAC and Funding shall inform the other party promptly in writing, upon the discovery of any breach of CAC's representations and warranties pursuant to Sections 4.1(h), (i),

(j), (k), (l), (m), (n), (o), (q), (bb) and (cc) hereof as of the time such representation, warranty or covenant was made but without regard to any limitation set forth therein concerning the knowledge of CAC as to the facts stated therein (which in the case of CAC can be provided in the applicable Servicer Certificate).

(b) Unless any breach of a representation, warranty or covenant as described in Section 6.1(a) above shall have been cured by the last day of the first full Collection Period following the discovery thereof, CAC shall have the obligation to make a payment to Funding of the applicable Purchase Amount in respect of all Loans and Contracts with respect to which there is a breach of any such representation, warranty or covenant, which are materially and adversely affected by such event and which materially and adversely affect the interests of Funding therein as of such last day (such Loans and Contracts, the “Ineligible Loans”).

(c) CAC hereby acknowledges that, concurrently with the transfers under this Agreement, the Ineligible Loans are being (or will be) transferred to the Trust under the Sale and Servicing Agreement and Funding may be required to repurchase from the Trust such Ineligible Loans in accordance with the terms of the Sale and Servicing Agreement. CAC hereby agrees to repurchase directly from the Trust such Ineligible Loans by making a payment to the Collection Account of the applicable Purchase Amount in accordance with the Sale and Servicing Agreement, if it is requested by the Trust Collateral Agent to do so. Funding hereby acknowledges that any repurchase of Ineligible Loans under this Article VI, whether from Funding or directly from the Trust, shall be the sole remedy of Funding in respect to the Ineligible Loans.

(d) Each Dealer Loan, Dealer Loan Contract, Purchased Loan or Purchased Loan Contract which is subject to a payment in accordance with Section 6.1(b) or (c) above shall, upon payment in full of the related Purchase Amount, be reconveyed to CAC and shall no longer constitute Conveyed Property. After payment in full of the related Purchase Amount and upon the request of CAC, Funding shall execute and deliver to CAC any assignments, termination statements and any other releases and instruments as CAC may reasonably request in order to effect and evidence the release of Funding’s security interest on such Dealer Loan, Dealer Loan Contract, Purchased Loan or Purchased Loan Contract.

Section 6.2 No Recourse. Except as otherwise provided in this Article VI, the purchase and sale or contribution of the Loans under this Agreement shall be without recourse to CAC or the Servicer.

Article VII

(a) All representations and warranties of CAC and the Servicer contained in this Agreement shall be true and correct on the Closing Date with the same effect as though such representations and warranties had been made on such date;

(b) With respect to those Loans sold and/or contributed on the Closing Date, all information concerning such Loans provided to Funding shall be true and correct in all material respects as of the Closing Date;

(c) CAC and the Servicer shall have substantially performed all other obligations required to be performed by the provisions of this Agreement;

(d) CAC shall have filed or caused to be filed, or shall have delivered for filing, the financing statement(s) required to be filed pursuant to Section 2.1(e); and

EXHIBIT A
to
Sale and Contribution Agreement

Dealer Agreements, Purchase Agreements, Loans and Contracts

Exhibit A is the Excel file entitled “Exhibit A - Dealer Agreements, Purchase Agreements, Loans and Contracts” delivered by CAC to Funding.

Perfection Representations, Warranties And Covenants

In addition to the representations, warranties and covenants contained in the Agreement, CAC hereby represents, warrants, and covenants to Funding as follows on the Closing Date and on each Distribution Date on which Funding purchases Loans, in each case only with respect to the Conveyed Property conveyed to Funding on such Closing Date or the relevant Distribution Date:

General

1. This Agreement creates a valid and continuing security interest (as defined in UCC Section 9-102) in the Conveyed Property in favor of Funding, which security interest is prior to all other Liens, and is enforceable as such as against creditors of and purchasers from and assignees of CAC.
2. Each Contract constitutes “tangible chattel paper”, “electronic chattel paper,” or a “payment intangible”, within the meaning of UCC Section 9-102. Each Dealer Loan constitutes a “payment intangible” or a “general intangible” within the meaning of UCC Section 9-102.
3. Each Dealer Agreement and Purchase Agreement constitutes either a “general intangible” or “tangible chattel paper” within the meaning of UCC Section 9-102.
4. There is only one original executed copy of each “tangible record” constituting or forming a part of each Contract that is tangible chattel paper and a single “authoritative copy” (as such term is used in Section 9-105 of the UCC) of each electronic record constituting or forming a part of each Contract that is electronic chattel paper.
5. CAC has taken or will take all necessary actions with respect to the Loans to perfect Funding’s security interest in the Loans and in the property securing the Loans.

Creation

1. CAC owns and has good and marketable title to the Initial Conveyed Property or Subsequent Conveyed Property, as applicable, free and clear of any Lien, claim or encumbrance of any Person, excepting only (i) liens that will be terminated or amended on the Closing Date or each Distribution Date during the Revolving Period, as applicable, to reflect a release of the Initial Conveyed Property or Subsequent Conveyed Property, as applicable, and (ii) liens for taxes, assessments or similar governmental charges or levies incurred in the ordinary course of business that are not yet due and payable or as to which any applicable grace period shall not have expired, or that are being contested in good faith by proper proceedings and for which adequate reserves have been established, but only so long as foreclosure with respect to such a lien is not imminent and the use and value of the property to which the Lien attaches is not impaired during the pendency of such proceeding.

Perfection

1. CAC has caused or will have caused, within ten days after the effective date of the Indenture, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the contribution and sale of the Conveyed Property from the Originator to Funding, the transfer and sale of the Seller Property

from the Seller to the Issuer, and the security interest in the Collateral granted to the Indenture Trustee under the Indenture.

2. With respect to Seller Property that constitutes tangible chattel paper, such tangible chattel paper is in the possession of the Servicer, in its capacity as custodian for the Trust and the Trust Collateral Agent, and the Trust Collateral Agent has received a written acknowledgment from the Servicer, in its capacity as custodian, that it is holding such tangible chattel paper solely on its behalf and for the benefit of the Trust Collateral Agent, the Seller, the Trust and the relevant Dealer(s).

With respect to Seller Property that constitutes electronic chattel paper, the Servicer, in its capacity as custodian for the Trust and the Trust Collateral Agent, and the Trust Collateral Agent have received a written acknowledgment from the Servicer that it maintains control over such electronic chattel paper, as defined in Section 9-105 of the UCC, for the benefit of the Trust Collateral Agent, the Seller and the Trust.

All financing statements filed or to be filed against CAC in favor of Funding in connection with this Sale and Contribution Agreement describing the Conveyed Property contain a statement to the following effect: "A purchase of or security interest in any collateral described in this financing statement will violate the rights of the Secured Party."

Priority

1. None of CAC, the Servicer nor Funding has authorized the filing of, or is aware of any financing statements against either Funding, CAC or the Trust that includes a description of the Conveyed Property and proceeds related thereto other than any financing statement: (i) relating to the transfer of Conveyed Property by the Originator to the Seller under the Sale and Contribution Agreement, (ii) relating to the transfer to the Trust under the Sale and Servicing Agreement, (iii) relating to the security interest granted to the Indenture Trustee under the Indenture; or (iv) that will be terminated or amended to reflect a release of the Conveyed Property. Other than the security interest granted to Funding pursuant to this Sale and Contribution Agreement, CAC has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Conveyed Property.

2. Neither the Seller, the Originator nor the Trust is aware of any judgment, ERISA or tax lien filings against either the Seller, the Originator or the Trust.

3. None of the tangible chattel paper or electronic chattel paper that constitutes or evidences the Contracts, the Dealer Agreements or the Purchase Agreements has any marks or notations indicating that it has been pledged, assigned or otherwise conveyed to any Person other than CAC, the Servicer, Funding, the Trust, a collection agent or the Trust Collateral Agent.

Survival of Perfection Representations

1. Notwithstanding any other provision of this Agreement, the Sale and Servicing Agreement, the Indenture or any other Basic Document, the perfection representations, warranties and covenants contained in this Exhibit shall be continuing, and remain in full force and effect (notwithstanding any replacement of the Servicer or termination of Servicer's rights to act as such) until such time as all obligations under the Sale and Servicing Agreement, this Agreement and the Indenture have been finally and fully paid and performed.

No Waiver

1. The parties hereto: (i) shall not, without obtaining a confirmation of the then-current rating of the Class A, Class B and Class C Notes, waive any of the perfection representations, warranties or covenants; (ii) shall provide the Rating Agencies with prompt written notice of any breach of the perfection representations, warranties or covenants, and shall not, without obtaining a confirmation of the then-current rating of the Class A, Class B and Class C Notes as determined after any adjustment or withdrawal of the ratings following notice of such breach, waive a breach of any of the perfection representations, warranties or covenants.

The initial number of Regular Trustees shall be four, two of which shall be Independent Trustees pursuant to Section 2.1(j). Notice to “the Board” under any provision of the Basic Documents shall mean notice to each Regular Trustee at its address as set forth in this paragraph and any direction, instruction or notice by or from the Board or from the Regular Trustees shall, unless otherwise provided in a specific provision of the Basic Documents, mean a notice or direction signed by a majority of the Regular Trustees. The Majority Certificateholder shall promptly provide written notice to the Owner Trustee of any removal, resignation or replacement of a Regular Trustee, or any change in the number of Regular Trustees constituting the Board.

(d) The Board may hold meetings, both regular and special, within or outside the State of Delaware. Regular meetings of the Board may be held without notice at such time and at such place as shall from time to time be determined by the Board. Special meetings of the Board may be called by any Regular Trustee on not less than one day’s notice to each Regular Trustee by telephone, facsimile, mail, telegram or any other means of communication, and special meetings shall be called in like manner and with like notice upon the written request of any one or more of the Regular Trustees.

(e) At all meetings of the Board, a majority of the Regular Trustees shall constitute a quorum for the transaction of business and, except as otherwise provided in any other provision of this Agreement, the act of a majority of the Regular Trustees present at any meeting at which there is a quorum shall be the act of the Board. If a quorum shall not be present at any meeting of the Board, the Regular Trustees present at such meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. Any action required or permitted to be taken at any meeting of the Board or of any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or committee, as the case may be.

(f) Members of the Board, or any committee designated by the Board, may participate in meetings of the Board, or any committee, by means of telephone conference or similar communications equipment that allows all Persons participating in the meeting to hear each other, and such participation in a meeting shall constitute presence in Person at the meeting. If all the participants are participating by telephone conference or similar communications equipment, the meeting shall be deemed to be held at the principal place of business of the Trust.

(g) The Board may, by resolution passed by a majority of the whole Board, designate one or more committees, each committee to consist of one or more of the Regular Trustees. The Board may designate one or more Regular Trustees as alternate members of any

committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such members constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Trust. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board. Each committee shall keep regular minutes of its meetings and report the same to the Board when required.

(h) The Board shall have the authority to fix the compensation of Regular Trustees. The Regular Trustees may be paid their expenses, if any, of attendance at meetings of the Board, which may be a fixed sum for attendance at each meeting of the Board or a stated salary as Regular Trustee. No such payment shall preclude any Regular Trustee from serving the Trust in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

(i) Unless otherwise restricted by law, any Regular Trustee or the entire Board may be removed or expelled, with or without cause, at any time by the Majority Certificateholders, and, subject to Section 2.1(j), any vacancy caused by any such removal or expulsion may be filled by action of the Majority Certificateholders. In the event of the resignation, removal or expulsion of the entire Board, written notice of which shall be promptly delivered to a Responsible Officer of the Owner Trustee, any direction to be provided by the Board or the Regular Trustees hereunder shall be provided by the Majority Certificateholders; and the Owner Trustee shall have no liability for its acts or omissions in reliance thereon.

(j) As long as any Notes are outstanding, the Majority Certificateholders shall cause the Trust at all times to have at least two Independent Trustees who will be appointed by the Majority Certificateholders. The Independent Trustees shall not delegate their duties, authorities or responsibilities hereunder. To the fullest extent permitted by law, the Independent Trustees shall consider only the interests of the Trust, including its respective creditors, and not its Affiliates, in acting or otherwise voting on the matters hereunder; provided, however, that nothing contained in this sentence or elsewhere in this Agreement shall in any way restrict the Trust's ability to make distributions to the extent such distributions are provided for in or otherwise not prohibited by the Statutory Trust Act or the Basic Documents. As long as the Indenture has not been terminated in accordance with its terms, unless otherwise restricted by law, no resignation or removal of an Independent Trustee, and no appointment of a successor Independent Trustee, shall be effective until such successor shall have accepted his or her appointment as an Independent Trustee by a written instrument. In the event of a vacancy in the position of Independent Trustee, the Majority Certificateholders shall, as soon as practicable, appoint a successor Independent Trustee. Notwithstanding anything to the contrary contained in this Agreement, no Independent Trustee shall be removed or replaced unless the Trust provides the Trust Collateral Agent with no less than five (5) Business Days' prior written notice of (a) any proposed removal of such Independent Trustee, and (b) the identity of the proposed replacement Independent Trustee, together with a certification that such replacement satisfies the requirements for an Independent Trustee set forth in this Agreement; provided, however, that such five Business Day prior notice requirement shall not apply in the event of the disability, incapacity or death of an Independent Trustee. As a condition to the effectiveness of any such replacement or appointment, the Majority Certificateholders shall certify to the Trust that the designated Person satisfied the criteria set forth in the definition of "Independent Trustee" and the Board shall acknowledge in writing, that in the Board's reasonable judgment, the designated Person satisfies the criteria set forth in the definition of "Independent Trustee." All right, power and authority of the Independent Trustees shall be limited to the extent necessary to exercise

those rights and perform those duties specifically set forth in this Agreement. No Independent Trustee shall at any time serve as trustee in bankruptcy for any Affiliate of the Trust.

(k) No Regular Trustee shall be liable to the Trust or any other Person who has an interest in or claim against the Trust for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Regular Trustee in good faith on behalf of the Trust and in a manner reasonably believed to be within the scope of the authority conferred on such Regular Trustee by this Agreement, except that a Regular Trustee shall be liable for any such loss, damage or claim incurred by reason of such Regular Trustee's gross negligence or willful misconduct.

(1) To the fullest extent permitted by applicable law, a Regular Trustee shall be entitled to indemnification from the Trust for any loss, damage or claim incurred by such Regular Trustee by reason of any act or omission performed or omitted by such Regular Trustee in good faith on behalf of the Trust and in a manner reasonably believed to be within the scope of the authority conferred on such Regular Trustee by this Agreement, except that no Regular Trustee shall be entitled to be indemnified in respect of any loss, damage or claim incurred by such Regular Trustee by reason of such Regular Trustee's gross negligence or willful misconduct with respect to such acts or omissions; provided, however, that any indemnity under this Section 2.1(k) by the Trust shall be provided out of and to the extent of Trust assets only, and the Certificateholders shall not have personal liability on account thereof; and provided further, that no indemnity payment from funds of the Trust (as distinct from funds from other sources, such as insurance) of any indemnity under this Section shall be payable until the Notes have been paid in full pursuant to the Basic Documents.

(2) To the fullest extent permitted by applicable law, expenses (including legal fees) incurred by a Regular Trustee defending any claim, demand, action, suit or proceeding shall, from time to time, subject to the provisos in Section 2.1(k)(1) above, be advanced by the Trust prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Trust of an undertaking by or on behalf of the Regular Trustee to repay such amount if it shall be determined that the Regular Trustee is not entitled to be indemnified as authorized in this Section.

(3) A Regular Trustee shall be fully protected in relying in good faith upon the records of the Trust and upon such information, opinions, reports or statements presented to the Trust by any Person as to matters the Regular Trustee reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Trust, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, or any other facts pertinent to the existence and amount of assets from which distributions to the Certificateholders might properly be paid.

(4) To the extent that, at law or in equity, a Regular Trustee has duties (including fiduciary duties) and liabilities relating thereto to the Trust or to any other Regular Trustee, a Regular Trustee acting under this Agreement shall not be liable to the Trust or to any other Regular Trustee for his or her good faith reliance on the provisions of this Agreement or any approval or authorization granted by the Trust or any other Regular Trustee. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Regular Trustee otherwise existing at law or in equity, are agreed by each Certificateholder to replace such other duties and liabilities of such Regular Trustee.

(5) The foregoing provisions of this Section shall survive any termination of this Agreement.

The Seller is duly qualified to do business as a limited liability company in good standing, and has obtained all necessary licenses and approvals, in all jurisdictions in which the ownership or lease of its property, the conduct of its business and the performance of its obligations under this Agreement and the other Basic Documents requires such qualification.

(c) Power and Authority. The Seller has the power and authority to execute and deliver this Agreement and the other Basic Documents to which it is a party and to carry out their respective terms; the Seller has full power and authority to sell and assign the property to be sold and assigned to and deposited with the Trust and the Seller has duly authorized such sale and assignment and deposit to the Trust by all necessary action; and the execution, delivery and performance of this Agreement and the other Basic Documents to which it is a party have been duly authorized by the Seller by all necessary action.

(d) Enforceability. The Seller has duly executed and delivered this Agreement and the other Basic Documents to which it is a party and this Agreement and the other Basic Documents to which it is a party constitute legal, valid and binding obligations of the Seller, enforceable against Seller in accordance with their terms, and subject to applicable

bankruptcy, insolvency, moratorium, fraudulent conveyance, reorganization and similar laws now or hereafter in effect relating to creditors' rights generally or the rights of creditors of banks the deposit accounts of which are insured by the Federal Deposit Insurance Corporation and subject to general principles of equity (whether applied in a proceeding at law or in equity).

(e) No Consent Required. No consent, license, approval or authorization or registration or declaration with, any Person or with any governmental authority, bureau or agency is required in connection with the execution, delivery or performance of this Agreement and the other Basic Documents, except for such as have been obtained, effected or made.

(f) No Violation. The consummation of the transactions contemplated by this Agreement and the other Basic Documents to which it is a party and the fulfillment of the terms hereof and thereof do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time) a default under, the certificate of formation or the limited liability company agreement of the Seller, or any material indenture, agreement or other instrument to which the Seller is a party or by which it is bound; nor result in the creation or imposition of any Lien upon any of its properties pursuant to the terms of any such indenture, agreement or other instrument (other than pursuant to the Basic Documents); nor violate any law or any order, rule or regulation applicable to the Seller of any court or of any federal or state regulatory body, administrative agency or other governmental instrumentality having jurisdiction over the Seller or its properties.

(g) No Proceedings. There are no proceedings or investigations pending or, to the Seller's knowledge, threatened against the Seller before any court, regulatory body, administrative agency or other tribunal or governmental instrumentality having jurisdiction over it or its properties (A) asserting the invalidity of this Agreement or any of the Basic Documents, (B) seeking to prevent the issuance of the Certificates or the Notes or the consummation of any of the transactions contemplated by this Agreement or any of the other Basic Documents, (C) seeking any determination or ruling that might materially and adversely affect its performance of its obligations under, or the validity or enforceability of, this Agreement or any of the other Basic Documents, or (D) seeking to adversely affect the federal income tax or other federal, state or local tax attributes of the Certificates or the Notes.

SECTION 2.11 Federal Income Tax Treatment of the Trust.

(a) The Certificateholders acknowledge that it is their intention and that they understand that it is the intention of the Seller and the Servicer that, for purposes of U.S. federal income, state and local income and franchise tax and any other income taxes, for so long as the Trust has no equity owner other than the Seller (as determined for U.S. federal income tax purposes), the Trust will be treated as an entity disregarded as separate from its owner and that, if the Trust has more than one equity owner (as determined for U.S. federal income tax purposes), the Trust will be treated as a partnership, the equity owners will be the partners in the partnership, and the partnership will not be an association or publicly traded partnership taxable as a corporation. The Seller and the other Certificateholders, by acceptance of a Certificate, agree to such treatment and agree to take no action inconsistent with such treatment.

(b) In the event that the Trust is classified as a partnership for federal income tax purposes, the Seller (or a U.S. Affiliate of the Seller if the Seller is ineligible) is hereby designated as the partnership representative under Section 6223(a) of the Code (the "Partnership Representative") to the extent allowed under the law. The Trust shall, to the extent eligible, make the election under Section 6221(b) of the Code with respect to determinations of adjustments at the partnership level and take any other action such as filings, disclosures and notifications necessary to effectuate such election. If the election described in the preceding sentence is not available, the Trust shall, to the extent eligible, make the election under Section 6226(a) of the

Code with respect to the alternative to payment of imputed underpayments by a partnership and take any other action such as filings, disclosures and notifications necessary to effectuate such election. Notwithstanding the foregoing, each of the Trust, the Seller and the Servicer are authorized, in its sole discretion, to make with respect to the Trust any available election related to Sections 6221 through 6241 of the Code and take any action it deems necessary or appropriate to comply with the requirements of the Code and conduct the Trust's affairs under Sections 6221 through 6241 of the Code.

(c) No Person (including, without limitation, any Certificateholder, the Board, the Owner Trustee, and the Seller) shall have the power to make an election (including an election under Treasury Regulations Section 301.7701-3(c)) to treat the Trust as an association taxable as a corporation for U.S. federal income tax purposes.

(d) For each taxable year (or portion thereof), other than periods in which there is only one Certificateholder, all remaining net income or net loss, as the case may be, of the Trust for such year (or other period) as determined for U.S. federal income tax purposes (and each item of income, gain, credit, loss or deduction entering into the computation thereof) shall be allocated to the Certificateholders *pro rata* in accordance with the outstanding principal balances of their respective Certificates.

(e) The Board is authorized to modify the allocations in this Section if necessary or appropriate, in its sole discretion, for the allocations to fairly reflect the economic income, gain or loss to the Seller or the Certificateholders or as otherwise required by the Code.

SECTION 2.12 Fiscal Year.

The fiscal year of the Trust shall consist of the 12-month period ending December 31.

SECTION 2.13 Covenants of the Seller.

The Seller agrees and covenants for the benefit of each Securityholder and the Owner Trustee, during the term of this Agreement, and to the fullest extent permitted by applicable law, that:

(a) it shall not create, incur or suffer to exist any indebtedness or engage in any business, except, in each case, as permitted by its certificate of formation, limited liability company agreement and the Basic Documents;

(b) it shall not, for any reason, institute proceedings for the Trust to be adjudicated bankrupt or insolvent, or consent to or join in the institution of bankruptcy or insolvency proceedings against the Trust, or file a petition seeking or consenting to reorganization or relief under any applicable federal or state law relating to the bankruptcy of the Trust, or consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Trust or a substantial part of the property of the Trust or cause or permit the Trust to make any assignment for the benefit of creditors, or admit in writing the inability of the Trust to pay its debts generally as they become due, or declare or effect a moratorium on the debt of the Trust or take any action in furtherance of any such action;

(c) it shall obtain from each counterparty to each Basic Document to which it or the Trust is a party and each other agreement entered into on or after the date hereof to which it or the Trust is a party, an agreement by each such counterparty that prior to the occurrence of the event specified in Section 9.1(e) such counterparty shall not institute against, or join any other Person in instituting against, it or the Trust, any bankruptcy, reorganization, arrangement,

insolvency or liquidation proceedings or other similar proceedings under the laws of the United States or any state of the United States;

(d) it shall not, for any reason, withdraw or attempt to withdraw from this Agreement or any other Basic Document to which it is a party, dissolve, institute proceedings for it to be adjudicated bankrupt or insolvent, or consent to the institution of bankruptcy or insolvency proceedings against it, or file a petition seeking or consenting to reorganization or relief under any applicable federal or state law relating to bankruptcy, or consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of it or a substantial part of its property, or make any assignment for the benefit of creditors, or admit in writing its inability to pay its debts generally as they become due, or declare or effect a moratorium on its debt or take any action in furtherance of any such action;

(e) the Seller is and shall remain a limited purpose limited liability company whose activities are restricted in its certificate of formation and limited liability company agreement to activities related to purchasing or otherwise acquiring Loans and related collateral, and related assets and rights and conducting any related or incidental business or activities it deems necessary or appropriate to carry out its primary purpose, including entering into agreements such as the Basic Documents;

(f) the Seller has not engaged, does not presently engage, and will not engage, in any activity other than those activities expressly permitted hereunder and under the other Basic Documents, nor has the Seller entered into any agreement other than this Agreement, the other Basic Documents to which it is a party, and with the prior written consent of the Noteholders, any other agreement necessary to carry out more effectively the provisions and purposes hereof or thereof;

(g) (A) the Seller maintains and will continue to maintain its own deposit account or accounts, separate from those of any of its Affiliates, with commercial banking institutions, (B) the funds of the Seller are not and have not been diverted to any other Person or for other than the corporate use of the Seller, and (C) except as may be expressly permitted by the Basic Documents, the funds of the Seller are not and have not been commingled with those of any of its Affiliates;

(h) to the extent that the Seller contracts or does business with vendors or service providers where the goods and services provided are partially for the benefit of any other Person, the costs incurred in so doing are and will be fairly allocated to or among the Seller and such entities for whose benefit the goods and services are provided, and each of the Seller and each such entity bears and will bear its fair share of such costs; and, all material transactions between the Seller and any of its Affiliates shall be only on an arms-length basis;

(i) the Seller maintains and will continue to maintain a principal executive and administrative office through which its business is conducted and an email address and stationery through which all business correspondence and communication are conducted, in each case separate from those of the Originator and its Affiliates, or, if it shares office space with the Originator or any of its Affiliates, it shall allocate fairly and reasonably any overhead and expense for such shared office space;

(j) the Seller conducts and will continue to conduct its affairs strictly in accordance with its certificate of formation and limited liability company agreement and observes and will continue to observe all necessary, appropriate and customary limited liability company formalities, including (A) holding all regular and special meetings appropriate to authorize all limited liability company action, (B) keeping separate and accurate minutes of such meetings, (C) passing all resolutions or consents necessary to authorize actions taken or to be

taken and (D) maintaining accurate and separate books, records and accounts, including intercompany transaction accounts;

(k) all decisions with respect to its business and daily operations are and will continue to be independently made by the Seller (although the officer making any particular decision may also be an employee, officer or director of an Affiliate of the Seller) and are not and will not be dictated by any Affiliate of the Seller (it being understood that the Servicer, which is an Affiliate of the Seller, will undertake and perform all of the operations, functions and obligations of it set forth herein and it may appoint sub-servicers, which may be Affiliates of the Seller, to perform certain of such operations, functions and obligations);

(l) the Seller acts and will continue to act solely in its own limited liability company name and through its own authorized officers and agents, which can also be officers and agents of an Affiliate;

(m) no Affiliate of the Seller advances or will advance funds to the Seller, other than as is otherwise provided herein or in the other Basic Documents, and no Affiliate of the Seller otherwise supplies funds to, or guaranties debts of, the Seller; provided, however, that an Affiliate of the Seller may provide funds to the Seller in connection with the capitalization of the Seller;

(n) other than organizational expenses and as expressly provided herein or in its certificate of formation and limited liability company agreement, the Seller pays and will continue to pay all expenses, indebtedness and other obligations incurred by it;

(o) the Seller does not and will not guarantee, and is not and will not be otherwise liable, with respect to any obligation of any of its Affiliates;

(p) any financial reports required of the Seller are and will continue to be prepared as presented within the consolidated financial statements of Credit Acceptance and all of its subsidiaries and are and will continue to be issued separately from, but may be consolidated with, any reports prepared for any of its Affiliates;

(q) at all times the Seller is and will be adequately capitalized to engage in the transactions contemplated in its certificate of formation;

(r) the financial statements and books and records of the Seller reflect and will continue to reflect the separate corporate existence of the Seller;

(s) the Seller does not and will not act as agent for any Affiliates of itself, but instead presents and will continue to present itself to the public as a limited liability company separate from each such entity and independently engaged in the business of purchasing and financing Contracts;

(t) the Seller shall at all times have at least two independent directors (each an "Independent Director"), which shall be any person who (A) has (i) prior experience as an "independent director" for a corporation or limited liability company whose charter documents required the unanimous consent of all independent directors thereof before such corporation or limited liability company could consent to the institution of bankruptcy or insolvency proceedings against it or could file a petition seeking relief under any applicable federal or state law relating to bankruptcy; and (ii) at least three years of employment experience with one or more entities that provide, in the ordinary course of their respective businesses, advisory, management or placement services to issuers of securitization or structured finance instruments, agreements or securities, and (B) for the five-year period prior to his or her appointment as

Independent Director of the Seller has not been, and during the continuation of his or her service as Independent Director is not: (i) an employee, director, stockholder (direct or indirect or beneficial), partner, attorney, consultant or officer of the Seller or any of its Affiliates, including Credit Acceptance (other than his or her service as an independent director thereof or similar capacity); (ii) a customer, advisor or supplier of the Seller or any of its Affiliates, including Credit Acceptance; (iii) a person related to any person described in (i) or (ii); (iv) a person or other entity controlling or under common control with any such stockholder, partner, customer, supplier, employee, officer or director; or (v) a trustee, conservator or receiver for the Seller or any of its Affiliates, and (C) is provided by Corporation Service Company, CT Corporation, Global Securitization Services, LLC, Lord Securities Corporation, National Registered Agents, Inc., Stewart Management Company, Wilmington Trust Company, Wilmington Trust SP Services, Inc., or, if none of those companies is then providing professional independent directors, another nationally-recognized company reasonably approved by the Trust Collateral Agent, in each case that is not an Affiliate of the Seller and that provides professional independent directors and other corporate services in the ordinary course of its business;

(u) the certificate of formation or limited liability company agreement of the Seller do now and will at all times require the affirmative vote of the Independent Directors before a voluntary petition under Section 301 of the Bankruptcy Code may be filed by the Seller, and the Seller to maintain correct and complete books and records of account and minutes of the meetings and other proceedings of its board of directors;

(v) the Seller acknowledges that the parties hereto are entering into this Agreement and the other Basic Documents in reliance upon the Seller being, on the Closing Date and at all times during the term of this Agreement, a limited purpose entity; and

(w) as of the date hereof, the Trust is exempt from reporting under the Corporate Transparency Act, 31 U.S.C. § 5337 et seq. (the “CTA”). Upon any change in the status of such exemption, the Seller hereby covenants and agrees to make all such filings on behalf of the Trust and take all action necessary from time to time to cause compliance by the Trust with the CTA and any implementing regulations.

SECTION 2.14 Covenants of the Certificateholders.

Each Certificateholder by becoming a beneficial owner of a Certificate agrees:

(a) to be bound by the terms and conditions of the Certificates of which such Certificateholder is the beneficial owner and of this Agreement, including any supplements or amendments hereto and to perform the obligations of a Certificateholder as set forth therein or herein, in all respects as if it were a signatory hereto. This undertaking is made for the benefit of the Trust, the Owner Trustee and all other Certificateholders present and future;

(b) to the appointment of the Seller as such Certificateholder’s agent and attorney-in-fact to sign any federal income tax information return filed on behalf of the Trust and, if requested by the Trust, to sign such federal income tax information return in its capacity as holder of an interest in the Trust;

(c) that all transactions and agreements between the Trust on the one hand, and any of the Owner Trustee, the Indenture Trustee, the Trust Collateral Agent, the Seller and any Certificateholder on the other hand, shall reflect the separate legal existence of each entity and will be formally documented in writing;

(d) not to take any position in such Certificateholder’s tax returns inconsistent with those taken in any tax returns filed by the Trust;

(e) if such Certificateholder is other than an individual or other entity holding its Certificate through a broker who reports securities sales on Form 1099-B, to notify the Owner Trustee and the Certificate Registrar in writing of any transfer by it of a Certificate in a taxable sale or exchange, within 30 days of the date of the transfer; and

(f) until one year and one day after the completion of the events specified in Section 9.1(e), not, for any reason, to institute proceedings for the Trust or the Seller to be adjudicated bankrupt or insolvent, or consent to the institution of bankruptcy or insolvency proceedings against the Trust or the Seller, or file a petition seeking or consenting to reorganization or relief under any applicable federal or state law relating to bankruptcy, or consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Trust or the Seller or a substantial part of its property, or cause or permit the Trust or the Seller to make any assignment for the benefit of its creditors or to admit in writing its inability to pay its debts generally as they become due, or declare or effect a moratorium on its debt or take any action in furtherance of any such action.

ARTICLE III

Certificates and Transfer of Interests

SECTION 3.1 Initial Ownership.

Effective upon the formation of the Trust by the contribution by the Seller pursuant to Section 2.5, the Seller shall be deemed to have acquired and to have become the owner of a 100% beneficial ownership interest in the assets of the Trust and at all times prior to the issuance of any Certificates pursuant to Section 3.3 shall be the sole beneficial owner and beneficiary of the Trust.

SECTION 3.2 The Certificates.

(a) The Certificates and the interests represented by the Certificates are hereby deemed to be “securities” under Article 8 of the UCC and shall be governed by Article 8 of the UCC. The Certificates shall be executed in the name and on behalf of the Trust by manual or facsimile signature of an authorized officer of the Owner Trustee. Certificates bearing the manual or facsimile signatures of individuals who were, at the time when such signatures shall have been affixed, authorized to sign on behalf of the Trust, shall be validly issued and entitled to the benefit of this Agreement, notwithstanding that such individuals or any of them shall have ceased to be so authorized prior to the authentication and delivery of such Certificates or did not hold such offices at the date of authentication and delivery of such Certificates.

(b) No Certificate may be sold, transferred, assigned, issued, participated, pledged, or otherwise disposed of (any such act, a “Transfer”) to any Person if such Transfer would cause the number of Targeted Holders to exceed ninety-five.

(c) No Certificate may be Transferred to any Person except in accordance with the provisions of Section 3.4, and any attempted Transfer in violation of this Section or Section 3.4 shall be null and void *ab initio*. If Transfer of the Certificates is permitted pursuant to this Section 3.2 and Section 3.4, a transferee of a Certificate shall become a Certificateholder, and shall be entitled to the rights and subject to the obligations of a Certificateholder hereunder upon such transferee’s acceptance of a Certificate duly registered in such transferee’s name pursuant to Section 3.4.

SECTION 3.3 Authentication of Certificates.

Concurrently with the initial sale of the Loans and other Trust Property to the Trust pursuant to Section 2.01 of the Sale and Servicing Agreement, on the date hereof, the Owner Trustee, in the name and on behalf of the Trust shall execute by manual or facsimile signature one or more Certificates having the respective Percentage Interests (in the aggregate not to exceed 100%) specified in writing by the Board or the Administrator, and shall deliver the Certificates to the Certificate Registrar to be authenticated, issued and delivered upon the written order of the Board or the Administrator without further action by the Board. No Certificate shall entitle its holder to any benefit under this Agreement, or shall be valid for any purpose, unless there shall appear on such Certificate a certificate of authentication substantially in the form set forth in Exhibit A, executed by the Certificate Registrar, as authenticating agent, by manual signature; such authentication shall constitute conclusive evidence that such Certificate shall have been duly authenticated and delivered hereunder. All Certificates shall be dated the date of their authentication.

SECTION 3.4 Registration of Transfer and Exchange of Certificates.

(a) Computershare Trust Company, N.A., as Indenture Trustee, agrees to act as initial Certificate Registrar under this Agreement.

(b) The Certificate Registrar shall keep or cause to be kept, at the office or agency maintained pursuant to this Section 3.4(a), a Certificate Register in which, subject to such reasonable regulations as it may prescribe, the Certificate Registrar shall provide for the registration of Certificates and of Transfers and exchanges of Certificates as herein provided. No Transfer of a Certificate shall be recognized except upon registration of such Transfer in the Certificate Register. Promptly upon the Board's, or the Owner Trustee's request therefor, (a) the Certificate Registrar shall provide to the Board and the Owner Trustee a true and complete copy of the Certificate Register, and (b) the Certificate Registrar shall provide to the Board and the Owner Trustee such information regarding the Certificates and the Certificateholders as is reasonably available to the Certificate Registrar.

(c) The Certificate Registrar shall provide the Trust Collateral Agent with a list of the names and addresses of the Certificateholders on the Closing Date, to the extent such information has been provided to the Certificate Registrar and in the form provided to the Certificate Registrar on such date. Upon any Transfers of Certificates, the Certificate Registrar shall notify the Trust Collateral Agent of the name and address of the transferee in writing, by facsimile, on the day of such Transfer.

(d) Upon surrender for registration of Transfer of any Certificate at the office of the Certificate Registrar maintained in the city of St. Paul, Minnesota and confirmation of such surrender to the Owner Trustee by the Certificate Registrar, the Owner Trustee on behalf of the Issuer shall execute, and the Certificate Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Certificates in authorized denominations of a like class and aggregate face amount dated the date of authentication by the Certificate Registrar as authenticating agent. At the option of a Holder, Certificates may be exchanged for other Certificates of the same class in authorized denominations of a like aggregate amount upon surrender of the Certificates to be exchanged at the office of the Certificate Registrar maintained in the city of St. Paul, Minnesota.

(e) Every Certificate presented or surrendered for registration of Transfer or exchange shall be accompanied by:
(i) a written instrument of Transfer in form satisfactory to the Certificate Registrar duly executed by the Certificateholder or his attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the

requirements of the Certificate Registrar, which requirements include membership or participation in the Securities Transfer Agent's Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Certificate Registrar in addition to, or in substitution for, STAMP; (ii) an Opinion of Counsel that the Transfer or exchange of such Certificate would not cause the Trust to be treated as an association or a publicly traded partnership taxable as a corporation; and (iii) such other documentation as the Owner Trustee and the Certificate Registrar may reasonably require to comply with applicable law, including without limitation AML Law. Each Certificate surrendered for registration of Transfer or exchange shall be canceled and subsequently disposed of by the Certificate Registrar in accordance with its customary practice.

(f) Any Person acquiring any interest in a Certificate will furnish to the Person from whom it is acquiring such interest, the Trust, Certificate Registrar and the Owner Trustee, a properly executed U.S. Internal Revenue Service Form W-9 (and will furnish a new Form W-9, or any successor applicable form, upon the expiration or obsolescence of any previously delivered form) and such other certifications, representations or Opinions of Counsel as may be requested by the Certificate Registrar.

(g) Any Person transferring any interest in a Certificate will furnish to the Person to whom it is transferring such interest, the Trust and the Certificate Registrar, an affidavit described in Section 1446(f)(2) of the Code, in a form reasonably acceptable to the transferee and the Trust, stating, under penalty of perjury, such Person's United States taxpayer identification number and that such Person is not a foreign person.

(h) No service charge shall be made for any registration of Transfer or exchange of Certificates, but the Owner Trustee or the Certificate Registrar may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any Transfer or exchange of Certificates.

(i) The Certificates have not been registered under the Securities Act or any state securities law. Subject to the provisions of Section 3.1 hereof, the Certificate Registrar shall not register the Transfer of any Certificate or unless such resale or Transfer is: (i) pursuant to an effective registration statement under the Securities Act; (ii) to the Seller; or (iii) unless it shall have received a representation letter or such other representations and an Opinion of Counsel satisfactory to the Board or the Administrator to the effect that such resale or Transfer is made (A) in a transaction exempt from the registration requirements of the Securities Act and applicable state securities laws, or (B) to a person who the transferor of the Certificate reasonably believes is a "qualified institutional buyer" (within the meaning of Rule 144A under the Securities Act) that is aware that such resale or other Transfer is being made in reliance upon Rule 144A. Until the earlier of (i) such time as the Certificates shall be registered pursuant to a registration statement filed under the Securities Act and (ii) the date three years from the later of the date of the original authentication and delivery of the Certificates and the date any Certificate was acquired from the Seller or any affiliate of the Seller, the Certificates shall bear a legend substantially to the effect set forth in the preceding two sentences. None of the Seller, the Servicer, the Trust, the Board, the Administrator or the Owner Trustee is obligated to register the Certificates under the Securities Act or to take any other action not otherwise required under this Agreement to permit the Transfer of Certificates without registration.

(j) The provisions of this Section 3.4 and of this Agreement generally are intended to prevent the Trust from being characterized as a "publicly traded partnership" within the meaning of Section 7704 of the Code, in reliance on Treasury Regulations Section 1.7704-1(e) and (h), and the Certificateholders shall take such intent into account in requesting the Transfer of any Certificate.

(k) No Certificate may be sold, participated, transferred, assigned, exchanged or otherwise pledged or conveyed in whole or in part unless the Person that acquires the Certificate represents that:

(1) it is, for U.S. federal income tax purposes, either (a) a citizen or resident of the United States, (b) a corporation or partnership organized in or under the laws of the United States or any state thereof or the District of Columbia which, if such entity is a tax-exempt entity, recognizes that payments with respect to the Certificate may constitute unrelated business taxable income, (c) an estate the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source, or (d) either (x) a trust for which a court within the United States is able to exercise primary supervision over its administration and for which one or more persons described in this paragraph are able to control all substantial decisions or (y) a trust for which a valid election has been made to be treated as a United States person;

(2) it has not acquired and it will not transfer any interest in the Certificate, or cause an interest in the Certificate to be marketed, on or through an “established securities market” within the meaning of Section 7704(b)(1) of the Code and any Treasury regulations thereunder, including, without limitation, an over the counter market or an interdealer quotation system that regularly disseminates firm buy or sell quotations;

(3) (a) it is not and will not become (and, if it is disregarded as an entity separate from its owner within the meaning of Treasury Regulations Section 301.7701-3(a) (a “DRE”), its owner is not and will not become), for so long as it holds an interest in the Certificate, a partnership, Subchapter S corporation or grantor trust for U.S. federal income tax purposes (a “Flow-Thru Entity”); or (b) if it (or, if it is a DRE, its owner) is, or becomes, a Flow-Thru Entity, for so long as it (or, if it is a DRE, its owner) is a Flow-Thru Entity and it holds an interest in the Certificate, not more than 50% of the value of any interests in it (or, if it is a DRE, its owner) will be attributable to interests in the Trust held by it;

(4) it understands that a subsequent Transfer of the Certificate will be null and void ab initio if such Transfer would cause the number of Targeted Holders to exceed ninety-five; and

(5) it understands that the Opinion of Counsel that the Trust is not a publicly traded partnership taxable as a corporation is dependent in part on the accuracy of the representations in this [Section 3.4\(k\)](#).

(l) Unless (1) the Certificate Registrar has received an Opinion of Counsel from Skadden, Arps, Slate, Meagher & Flom LLP or another nationally recognized tax counsel selected by a Certificateholder that the restriction on the proposed acquisition of a Certificate (or any interest therein) described by this subsection is no longer necessary to conclude that any such acquisition (and subsequent resale of the applicable Notes described below) will not cause the Treasury Regulations under Section 385 of the Code to apply to such Notes in a manner that could cause a material adverse effect on the Trust or the Trust to be treated as an association or publicly traded partnership taxable as a corporation for U.S. federal income tax purposes or (2) the Treasury Regulations under Section 385 of the Code are repealed and not replaced with proposed, temporary or final Treasury Regulations that (as evidenced by an Opinion of Counsel from a nationally recognized tax counsel) could affect the classification of the Notes as debt for U.S. federal income tax purposes, (i) a Section 385 Certificateholder cannot acquire a Certificate (or any interest therein) if (A) a member of any “expanded group” (as defined in Treasury Regulation Section 1.385-1(c)(4)) that includes such Section 385 Certificateholder owns any Notes or (B) a Section 385 Controlled Partnership of such expanded group owns any Notes and (ii) a Section 385 Certificateholder cannot hold a Certificate (or any interest therein) if (A) a

member of any “expanded group” (as defined in Treasury Regulation Section 1.385-1(c)(4)) that includes such Section 385 Certificateholder acquires any Notes from the Trust, any Affiliate of the Trust or any other subsequent transferor of a Note or (B) a Section 385 Controlled Partnership of such expanded group acquires any Notes from the Trust, any Affiliate of the Trust or any other subsequent transferor of a Note. The preceding sentence shall not apply if the Noteholder or potential Noteholder is a U.S. corporate member of the same U.S. corporate “affiliated group” (as defined in Section 1504 of the Code) filing a consolidated federal income tax return that includes each of any applicable related Section 385 Certificateholders (including in the case of a partnership, the relevant “expanded group partner” (as defined in Treasury Regulation Section 1.385-3(g)(12))). If a Certificateholder (or holder of an interest in a Certificate) fails to comply with the foregoing requirements, the Trust and the Board of Trustees are authorized, at their discretion, to compel such Certificateholder (or holder of an interest in a Certificate) to sell its Certificate (or interest therein) to a Person whose ownership complies with this subsection so long as such sale does not otherwise cause a material adverse effect on the Trust or cause the Trust to be treated as an association or publicly traded partnership taxable as a corporation for U.S. federal income tax purposes.

SECTION 3.5 Mutilated, Destroyed, Lost or Stolen Certificates.

If (a) any mutilated Certificate shall be surrendered to the Certificate Registrar, or if the Certificate Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Certificate, and (b) there shall be delivered to the Certificate Registrar, the Indenture Trustee and the Owner Trustee, such security or indemnity as may be required by them to save each of them harmless, then in the absence of notice that such Certificate shall have been acquired by a bona fide purchaser, the Owner Trustee on behalf of the Trust shall execute and the Certificate Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like class, tenor and denomination. In connection with the issuance of any new Certificate under this Section, the Owner Trustee or the Certificate Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. Any duplicate Certificate issued pursuant to this Section shall constitute conclusive evidence of an ownership interest in the Trust, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

SECTION 3.6 Persons Deemed Certificateholders.

Every Person by virtue of becoming a Certificateholder in accordance with this Agreement shall be deemed to be bound by the terms of this Agreement. Prior to due presentation of a Certificate for registration of transfer, the Board, the Owner Trustee, the Certificate Registrar, the Indenture Trustee, the Trust Collateral Agent and any agent of the Trust appointed by the Board, any agent of the Owner Trustee, the Indenture Trustee, the Trust Collateral Agent and the Certificate Registrar, may treat the Person in whose name any Certificate shall be registered in the Certificate Register as the owner of such Certificate for the purpose of receiving distributions pursuant to the Sale and Servicing Agreement and for all other purposes whatsoever, and none of the Board, the Owner Trustee, the Indenture Trustee, the Trust Collateral Agent nor the Certificate Registrar nor any agent of the Owner Trustee, the Indenture Trustee, the Trust Collateral Agent nor the Certificate Registrar shall be bound by any notice to the contrary.

SECTION 3.7 Access to List of Certificateholders’ Names and Addresses.

The Owner Trustee is further authorized from time to time to take such action as the Instructing Party (as defined in Section 6.3) shall direct in writing with respect to the Basic Documents. The Instructing Party hereby agrees not to instruct the Owner Trustee to take any action which is inconsistent with or in violation of the terms of the Basic Documents, except that the Instructing Party may instruct the Owner Trustee to waive notice periods set forth herein or in the other Basic Documents provided that the party or parties entitled to receive such notice consents to such waiver or join in such instruction.

ARTICLE 6.2 General Duties.

It shall be the duty of the Owner Trustee to: discharge (or cause to be discharged) all of its responsibilities pursuant to the express terms of this Agreement in the interest of the Certificateholders, subject to the Basic Documents and in accordance with the provisions of this Agreement. Notwithstanding the foregoing, and in furtherance and not in limitation of Section 7.1(f), the Owner Trustee shall not have any duties or liabilities hereunder or under the Basic Documents or applicable law: (i) to the extent such duties and liabilities are the responsibility of the Servicer, or Credit Acceptance if Credit Acceptance is no longer the Servicer, pursuant to the Sale and Servicing Agreement, hereunder or otherwise under any Basic Document, and the Owner Trustee shall not be liable for the default or failure of the Servicer or Credit Acceptance to carry out its obligations under the Sale and Servicing Agreement or such other document; (ii) to the extent that Owner Trustee has contracted with a third party to discharge such duties and responsibilities; or (iii) to the extent that such duty or liability would be contrary to any applicable law. Each instruction delivered by the Instructing Party to the Owner Trustee shall certify to the Owner Trustee that any actions to be taken pursuant to such instruction comply with the terms of this Agreement and the Basic Documents. The Instructing Party shall not instruct the Owner Trustee in a manner inconsistent with this Agreement or the other Basic Documents, except that the Instructing Party may instruct the Owner Trustee to waive notice periods set forth herein or in the other Basic Documents provided that the party or parties entitled to receive such notice consents to such waiver or join in such instruction. Notwithstanding anything to the contrary herein, in connection with the dissolution and winding up of the Trust following payment in full of the Notes or other liquidation or final settlement of the last outstanding Loan (including the purchase by the Servicer at its option of the corpus of the Trust as described in Section 10.01(a) of the Sale and Servicing Agreement) and the subsequent distribution of all amounts in respect of such Loans as provided in the Basic Documents and the satisfaction and discharge of the Indenture pursuant to Section 9.1(a), the Certificateholders may be the Instructing Party. (b) The Owner Trustee shall not be required to take any action hereunder or under any Basic Document if the Owner Trustee shall have reasonably determined, or shall have been advised by counsel, that such action is likely to result in liability on the part of the Owner Trustee or is contrary to the terms hereof or of any other Basic Document or is otherwise contrary to law.

(c) Whenever the Owner Trustee is unable to decide between alternative courses of action permitted or required by the terms of this Agreement or any Basic Document, the Owner Trustee shall promptly give notice (in such form as shall be appropriate under the circumstances) to the Instructing Party requesting instruction as to the course of action to be adopted, and to the extent the Owner Trustee acts in good faith in accordance with any written instruction of the Instructing Party received, the Owner Trustee shall not be liable on account of such action to any Person. If the Owner Trustee shall not have received appropriate instruction within ten (10) days of such notice (or within such shorter period of time as reasonably may be specified in such notice or may be necessary under the circumstances) it may, but shall be under no duty to, take or refrain from taking such action, not inconsistent with this Agreement or the other Basic Documents, as it shall deem to be in the best interests of the Certificateholders, and shall have no liability to any Person for such action or inaction absent willful misconduct.

(d) In the event that the Owner Trustee is unsure as to the application of any provision of this Agreement or any other Basic Document or any such provision is ambiguous as to its application, or is, or appears to be, in conflict with any other applicable provision, or in the event that this Agreement permits any determination by the Owner Trustee or is silent or is incomplete as to the course of action that the Owner Trustee is required to take with respect to a particular set of facts, the Owner Trustee may give notice (in such form as shall be appropriate under the circumstances) to the Instructing Party and, to the extent that the Owner Trustee acts or refrains from acting in good faith in accordance with any such instruction received, the Owner Trustee shall not be liable, on account of such action or inaction, to any Person. If the Owner

Trustee has not received appropriate instruction within ten (10) days of such notice (or within such shorter period of time as reasonably may be specified in such notice or may be necessary under the circumstances) it may, but shall be under no duty to, take or refrain from taking such action, not inconsistent with this Agreement or the other Basic Documents, as it shall deem to be in the best interests of the Certificateholders, and shall have no liability to any Person for such action or inaction absent willful misconduct.

SECTION 6.4 No Duties Except as Specified in this Agreement or in Instructions.

(a) The Owner Trustee shall not have any duty or obligation to manage, make any payment with respect to, register, record, sell, dispose of, or otherwise deal with the Trust Property, or to otherwise take or refrain from taking any action under, or in connection with, any document contemplated hereby to which the Owner Trustee is a party, except as expressly provided by the terms of this Agreement or in any document or written instruction received by the Owner Trustee pursuant to Section 6.3; and no implied duties (including fiduciary duties existing at law or in equity) or obligations shall be read into this Agreement or any other Basic Document against the Owner Trustee, to the extent such implied duties or obligations exist, such duties are hereby eliminated and replaced by the duties expressly and specifically stated herein. The Owner Trustee shall have no responsibility for the preparation, filing, correctness, or accuracy of any financing or continuation statement in any public office at any time or shall have no responsibility to otherwise perfect or maintain the perfection of any security interest or lien granted to it hereunder or to prepare any securities law filing (including any filing with the Securities and Exchange Commission) or (except as directed in writing by the Board of the Administrator if required by applicable law) file any tax, qualification to do business, license, application, report or filing, or to monitor or enforce the satisfaction of any risk retention requirements, to declare a LIBOR transaction event, determine an alternative index/benchmark, select a bank or financial institute to provide an alternative index/benchmark, process, access or store or otherwise handle federal tax information or have any involvement in connection with the cessation or replacement of LIBOR including providing, obtaining, or calculating any index, alternative, rate, benchmark, or adjustment factors or to record this Agreement or any other Basic Document. The Owner Trustee nevertheless agrees that it will, at its own cost and expense, promptly take all action as may be necessary to discharge any Liens on any part of the Trust Property that result from actions by, or claims against, Computershare Delaware Trust Company (solely in its individual capacity) and that are not related to the ownership or the administration of the Trust Property.

(b) Computershare Trust Company Delaware, in all of its capacities hereto or under any Basic Document, including as Owner Trustee, shall not (i) be responsible for making any decisions or determinations in connection with any benchmark replacement or benchmark transition event or (ii) have any liability for any determination, decision or election made by or on behalf of the Administrator or the Trust in connection with a benchmark transition event or a benchmark replacement. Each Holder by its acceptance of a Certificate, shall be deemed to waive and release any and all claims against the Owner Trustee relating to any such determination, decision or election by the Administrator, the Servicer or any other party, as applicable.

SECTION 6.5 No Action Except under Specified Documents or Instructions.

The Owner Trustee shall not manage, control, use, sell, dispose of or otherwise deal with any part of the Trust Property except (i) in accordance with the powers granted to and the authority conferred upon the Owner Trustee pursuant to this Agreement, (ii) in accordance with the Basic Documents and (iii) in accordance with any document or instruction delivered to the Owner Trustee pursuant to Section 6.3. Except for those actions that the Owner Trustee is required to take hereunder without written direction, the Owner Trustee shall not have any

obligation or liability to take any action or to refrain from taking any action hereunder or under any Basic Document that requires written direction in the absence of such written direction as provided hereunder, regardless of the consequences of the failure to take such action. The Owner Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement or to institute, conduct or defend any litigation under this Agreement or in relation to this Agreement or to honor the request or direction pursuant to this Agreement unless the directing party shall have offered to the Owner Trustee reasonable security or indemnity satisfactory to the Owner Trustee against the reasonable costs, expenses, disbursements, advances and liabilities that might be incurred by it, its agents and its counsel in compliance with such request or direction.

SECTION 6.6 Restrictions.

The Owner Trustee shall not take any action (a) that is inconsistent with the purposes of the Trust set forth in Section 2.3 or (b) that, to the actual knowledge of the Owner Trustee, would result in the Trust's becoming taxable as a corporation for federal income tax purposes. The Certificateholders shall not direct the Owner Trustee to take action that would violate the provisions of this Section. For the avoidance of doubt, in connection with this Section 6.6, the Owner Trustee shall be fully protected under Sections 6.3 and 7.1(b) for its good faith reliance on instructions received pursuant to Section 6.3.

ARTICLE VII

The Owner Trustee accepts the trusts hereby created and agrees to perform its duties hereunder with respect to such trusts but only upon the terms of this Agreement and the other Basic Documents. The Owner Trustee also agrees to disburse all moneys actually received by it constituting part of the Trust Property upon the terms of the Basic Documents and this Agreement. The Owner Trustee shall not be answerable or accountable in its individual capacity hereunder or under any other Basic Document under any circumstances to any Person, except to the Trust and the Certificateholders (i) for its own willful misconduct, bad faith or gross negligence in the performance of its duties hereunder, (ii) in the case of the inaccuracy of any representation or warranty contained in Section 7.3 expressly made by the Owner Trustee in its individual capacity, (iii) for liabilities arising from the failure of the Owner Trustee to perform obligations expressly undertaken by it in the last sentence of Section 6.4 hereof, (iv) for any investments issued by the entity serving as Owner Trustee or any branch or affiliate thereof in its commercial capacity or (v) for taxes, fees or other charges on, based on or measured by, any fees, commissions or compensation received by the Owner Trustee, and every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Owner Trustee shall be subject to this Section. (b) the Owner Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the instructions of the Board, the Instructing Party, the Servicer, the Backup Servicer or any Certificateholder in accordance with the terms of this Agreement and the other Basic Documents;

(c) no provision of this Agreement or any other Basic Document shall require the Owner Trustee to expend or risk funds or otherwise incur any liability (financial or otherwise) in the performance of any of its rights or powers hereunder or under any other Basic Document if the Owner Trustee shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured or provided to it;

(d) under no circumstances shall the Owner Trustee be liable for the representations, warranties, covenants, obligations, or indebtedness of the Trust evidenced by or arising under any of the Basic Documents, including the principal of and interest on the Notes;

It has all requisite corporate power and authority to execute, deliver and perform its obligations under this Agreement. Its principal place of business is in the State of Delaware;

(b) it has taken all corporate action necessary to authorize the execution and delivery by it of this Agreement, and this Agreement will be executed and delivered by one of its officers who is duly authorized to execute and deliver this Agreement on its behalf; and

(c) neither the execution nor the delivery by it of this Agreement, nor the consummation by it of the transactions contemplated hereby nor compliance by it with any of the terms or provisions hereof will contravene any federal or Delaware state law, governmental rule or regulation governing the banking or trust powers of the Owner Trustee or any judgment or order binding on it, or constitute any default under its charter documents or by-laws or any indenture, mortgage, contract, agreement or instrument to which it is a party or by which any of its properties may be bound.

SECTION 7.4 Reliance; Advice of Counsel.

(a) In the absence of willful misconduct, the Owner Trustee may conclusively rely on the content or accuracy of any document provided to the Owner Trustee, the truth of the statements made and the correctness of opinions, certificates and reports rendered, and shall incur no liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper reasonably believed by it to be genuine and to be signed by the proper party or parties and the Owner Trustee shall not be required to investigate any fact or matter stated therein or to recalculate, certify or verify any numerical information contained therein. The Owner Trustee may accept a certified copy of a resolution of the Board, the board of directors of the Seller or other governing body of any corporate party or other entity as conclusive evidence that such resolution has been duly adopted by such body and that the same is in full force and effect. As to any fact or matter the method of the determination of which is not specifically prescribed herein, the Owner Trustee may for all purposes hereof conclusively rely on a certificate, signed by the president or any vice president or by the treasurer, secretary or other authorized officers of the relevant party, as to such fact or matter, and such certificate shall constitute full protection to the Owner Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon.

(b) In the exercise or administration of the Trust hereunder and in the performance of its duties and obligations under this Agreement or the related Basic Documents, prior to taking or refraining from taking any action, the Owner Trustee, at the expense of the Trust or the person requesting such action or inaction, may (i) request and shall be entitled to receive and conclusively rely upon, an officer's certificate or an opinion of counsel with respect to such matters and shall not be liable for its acts or omissions in reliance thereon and (ii) consult with counsel, accountants, and other professionals of a nationally recognized firm that are selected with due care. The Owner Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the opinion or advice of any such counsel, accountants, and other professionals and the advice of such counsel, accountants, and other professionals or any opinion of counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

SECTION 7.5 Not Acting in Individual Capacity.

Except as provided in this Article VII, in accepting the trusts hereby created, Computershare Delaware Trust Company acts solely as Owner Trustee hereunder and not in its

individual capacity and all Persons having any claim against the Owner Trustee by reason of the transactions contemplated by this Agreement or any Basic Document shall look only to the Trust Property for payment or satisfaction thereof.

SECTION 7.6 Owner Trustee Not Liable for Certificates or Loans.

The statements, recitals, representations and warranties contained herein (other than the representations and warranties made in Section 7.3 in its individual capacity) and in the other Basic Documents and the Notes and the Certificates (other than the signature and countersignature of the Owner Trustee on the Certificates) shall be taken as the statements of the Seller or the Trust, and the Owner Trustee assumes no responsibility for the correctness thereof. The Owner Trustee makes no representations as to the validity or sufficiency of this Agreement, of any other Basic Document or of the Certificates (other than the signature and countersignature of the Owner Trustee on the Certificates) or the Notes, or of any Loan, Contract or related documents. The Owner Trustee shall at no time have any responsibility or liability for or with respect to the legality, validity and enforceability of any Loan or Contract, or the perfection and priority of any security interest created by any Loan or Contract in any Financed Vehicle or the maintenance of any such perfection and priority, or for or with respect to the sufficiency of the Trust Property or its ability to generate the payments to be distributed to Certificateholders under this Agreement or the Noteholders under the Indenture, including, without limitation: the existence, condition and ownership of any Financed Vehicle; the existence and enforceability of any insurance thereon; the existence and contents of any Loan or Contract on any computer or other record thereof; the validity of the assignment of any Loan or Contract to the Trust or of any intervening assignment; the completeness of any Loan or Contract; the performance or enforcement of any Loan or Contract; the compliance by the Trust, the Seller, the Servicer or any other Person with any warranty or representation made under any Basic Document or in any related document or the accuracy of any such warranty or representation or any action of the Trust Collateral Agent or the Servicer, the Backup Servicer or any sub-servicer taken in the name of the Owner Trustee.

SECTION 7.7 Owner Trustee May Own Certificates and Notes.

The entity serving as Owner Trustee in its individual or any other capacity may become the owner or pledgee of Certificates or Notes and may deal with the Seller, the Trust Collateral Agent and the Servicer in banking transactions with the same rights as it would have if it were not Owner Trustee.

SECTION 7.8 Payments from Trust Property.

All payments to be made by the Owner Trustee on behalf of the Trust under this Agreement or any of the other Basic Documents to which the Trust or the Owner Trustee is a party shall be made only from the corpus, income and proceeds of the Trust Property and only to the extent that the Owner Trustee shall have received corpus, income or proceeds from the Trust Property to make such payments in accordance with the terms hereof. Computershare Delaware Trust Company, or any successor thereto, in its individual capacity, shall not be liable for any amounts payable under this Agreement or any of the other Basic Documents to which the Trust or the Owner Trustee is a party.

SECTION 7.9 Doing Business in Other Jurisdictions.

Notwithstanding anything contained herein to the contrary, neither Computershare Delaware Trust Company nor any successor thereto, nor the Owner Trustee shall be required to take any action in any jurisdiction other than in the State of Delaware if the taking of such action will, (i) require the consent or approval or authorization or order of or the giving of notice to, or

the registration with or the taking of any other action in respect of, any state or other governmental authority or agency of any jurisdiction other than the State of Delaware; (ii) result in any fee, tax or other governmental charge under the laws of the State of Delaware becoming payable by Computershare Delaware Trust Company (or any successor thereto); or (iii) subject Computershare Delaware Trust Company (or any successor thereto) to personal jurisdiction in any jurisdiction other than the State of Delaware for causes of action arising from acts unrelated to the consummation of the transactions by Computershare Delaware Trust Company (or any successor thereto) or the Owner Trustee, as the case may be, contemplated hereby. The Owner Trustee shall be entitled to obtain advice of counsel (which advice shall be an expense of the Trust) to determine whether any such action required to be taken pursuant to the Agreement results in the consequences described in clauses (i), (ii) and (iii) of the preceding sentence. In the event that said counsel advises the Owner Trustee that such action will result in such consequences, the Owner Trustee may, or if instructed to do so by the Instructing Party, shall appoint an additional trustee pursuant to Section 10.5 hereof to proceed with such action.

SECTION 7.10 Owner Trustee Knowledge.

(a) The Owner Trustee shall not be deemed to have notice or knowledge of, and shall not be required to act upon (including the sending of any notice), any fact or event (including without limitation any default, event of default or breach of representation or warranty under any Basic Document) unless written notice of such fact or event is received by a Responsible Officer of the Owner Trustee and such notice references the Trust or this Agreement and clearly states that the fact or event has in fact occurred. Absent written notice in accordance with this Section, the Owner Trustee may conclusively assume that no such fact or event has occurred. The Owner Trustee shall have no duty to enforce any repurchase obligations relating to document defects or breaches of representations and warranties with respect to the collateral or to inquire into, investigate or take any action to determine whether any event (including any default, event of default or breach representation or warranty) has in fact occurred and shall have no duty to make any determination as to the materiality or effect of any fact, matter or event (including any default, event of default or breach of representation or warranty).

(b) Delivery of any reports, information or other documents to the Owner Trustee hereunder and any publicly available information is for informational purposes only and the Owner Trustee's receipt of the foregoing shall not constitute notice and the Owner Trustee shall not be deemed to have actual or constructive knowledge of any information contained therein or determinable from information contained therein, including the Trust's, the Seller's or any servicer's compliance with any covenants or obligations under the Basic Documents.

(c) In connection with the delivery of any information to the Owner Trustee by the Servicer or any other party to the Basic Documents where the Owner Trustee is required to use such information in connection with the preparation or distribution of payments or reports to Certificateholders or other parties, the Owner Trustee is entitled to conclusively rely on the accuracy of all such information and shall not be required to investigate or reconfirm its accuracy and shall not be liable in any manner whatsoever for any errors, inaccuracies or incorrect information resulting from the use of this information.

(d) Knowledge or information acquired by Computershare Delaware Trust Company in its capacity as Owner Trustee hereunder shall not be imputed to Computershare Delaware Trust Company or any of its affiliates (including Computershare Trust Company, N.A.) in any other capacity in which it or its affiliates may act hereunder, under any other Basic Document or under any other related document (and vice versa).

ARTICLE VIII

Compensation of Owner Trustee

SECTION 8.1 Owner Trustee's Fees and Expenses.

The Owner Trustee shall receive as compensation for its services hereunder the Owner Trustee Fee as separately agreed upon before the date hereof between Credit Acceptance and the Owner Trustee, and the Owner Trustee shall be entitled to be reimbursed by the Issuer for its other reasonable and documented expenses hereunder, including the reasonable and documented compensation, expenses and disbursements of such agents, experts and counsel as the Owner Trustee may employ as reasonably required in connection with the exercise and performance of its rights and duties hereunder. Such fees and expenses shall be payable by the Issuer as set forth in Section 5.08(a) of the Sale and Servicing Agreement. The Owner Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. Such negotiated fees are based upon the presumption that the duties of the Trust under the Basic Documents are to be performed by Credit Acceptance pursuant to Section 11.12 hereof and Section 4.01(d) of the Sale and Servicing Agreement. In the event that Credit Acceptance fails to perform such duties and the Owner Trustee expressly agrees to do so, the Owner Trustee shall be entitled to additional reasonable compensation with respect thereto, which shall be consented to by the Majority Noteholders. In the absence of such consent and unless the Owner Trustee expressly agrees to undertake such duties, the Owner Trustee shall not be obligated to undertake such duties.

SECTION 8.2 Indemnification.

Credit Acceptance as primary obligor, and the Trust as secondary obligor, jointly and severally shall be liable for, and shall indemnify Computershare Delaware Trust Company, individually and as Owner Trustee and its officers, directors, successors, assigns, agents and servants (collectively, the "Indemnified Parties") from and against, any and all liabilities, obligations, losses, damages, taxes, claims, actions and suits, and any and all costs, expenses and disbursements (but only to the extent such costs, expenses and disbursements are reasonable and documented in the case of legal fees, expenses and court costs) of any kind and nature whatsoever (collectively, "Expenses") which may at any time be imposed on, incurred by, or asserted against any Indemnified Party in any way relating to or arising out of (a) this Agreement, (b) the other Basic Documents, (c) the formation, administration or termination of the Trust, (d) the Trust or the Trust Property, (e) the acquisition, ownership, administration or disposition of the Trust Property, (f) the use of electronic or digital signatures and electronic methods of submission (including the risk of the Owner Trustee acting on any unauthorized instructions or the risk of interception and misuse of communications by third parties), (g) the performance of any and all of its duties and responsibilities and the exercise or lack of exercise of any and all of its powers, rights or privileges hereunder or under any other Basic Document, including without limitation (i) complying with any new or updated law or regulation in any way related to or affecting the Trust and (ii) addressing any bankruptcy in any way related to or affecting the Trust, including, as applicable, all costs incurred in connection with the use of default specialists, (h) any dispute or legal proceeding, (i) any action taken or not taken pursuant to the direction of any other Person hereunder, (j) the investigation of, preparation for, or defense of itself against or prosecution for itself or for the sake of the Trust, whether pending or threatened, that is related directly or indirectly in any way to the Trust, the Basic Documents, the Trust Property, or the Certificates (including without limitation any transfer or exchange of the Certificates), or (k) the action or inaction of the Owner Trustee or any other party hereunder or under any Basic Document, except only that Credit Acceptance and the Trust shall not be liable for or required to indemnify the Owner Trustee from and against Expenses arising or resulting from the gross negligence, willful misconduct or bad faith of the Owner Trustee or other

Indemnified Party. Credit Acceptance shall advance to each Indemnified Party Expenses incurred in defending any claim, demand, action, suit or proceeding, provided that such Indemnified Party shall be obligated to repay such amount if and to the extent that a court of competent jurisdiction determines by final non-appealable order that such Indemnified Party was not entitled to indemnification hereunder. The indemnification obligations contained in this Section and the rights of the Owner Trustee under Section 8.1 shall be joint and several with the indemnification obligations of the Trust pursuant to Section 6.05 of the Sale and Servicing Agreement and shall survive the resignation or removal of the Owner Trustee or the termination or assignment of this Agreement and the Trust and shall include reasonable and documented fees and expenses of counsel and expenses of litigation (including costs and expenses (including any reasonable and documented legal fees, costs and expenses and court costs) incurred in connection with (y) the defense of any claim, action or proceeding or (z) any enforcement (including any action, claim or suit brought) by the Owner Trustee or any Indemnified Party of any indemnification or other obligation of the Trust or any other Person. In any event of any claim, action or proceeding for which indemnity will be sought pursuant to this Section, unless a conflict of interest shall exist, the Owner Trustee's choice of legal counsel shall be subject to the approval of Credit Acceptance which approval shall not be unreasonably withheld.

SECTION 8.3 Payments to the Owner Trustee.

Any amounts paid to the Owner Trustee pursuant to this Article VIII shall not be a part of the Trust Property immediately upon such payment. Any amounts owing to the Owner Trustee under this Agreement or the other Basic Documents shall constitute a claim against the Trust Property.

SECTION 8.4 Non-Recourse Obligations.

Notwithstanding anything in this Agreement or any other Basic Document, the Owner Trustee agrees that all obligations of the Trust or the Owner Trustee on behalf of the Trust shall be recourse to the Trust Property only, shall be paid in accordance with the priorities set forth in Section 5.08 of the Sale and Servicing Agreement and specifically shall not be recourse to the assets of any Holder. Computershare Delaware Trust Company agrees not to seek recourse against any Holder, in its capacity as a Holder, with respect to any obligations of the Trust owed to it.

ARTICLE IX

Termination of Trust Agreement

SECTION 9.1 Termination of Trust Agreement.

(a) The Trust shall dissolve upon the payment in full of the Notes or other liquidation or final settlement of the last outstanding Loan (including the purchase by the Servicer at its option of the corpus of the Trust as described in Section 10.01(a) of the Sale and Servicing Agreement) and the subsequent distribution of all amounts in respect of such Loans as provided in the Basic Documents and the satisfaction and discharge of the Indenture and the business and affairs of the Trust shall be wound up as hereinafter provided in this Section 9.1. The winding up of the Trust shall be conducted by the Board and the Administrator in accordance with Section 3808(e) of the Statutory Trust Act, and, absent actual knowledge to the contrary, the Board, the Administrator and the Owner Trustee shall be entitled to rely conclusively and without investigation upon the certificates of: (i) the Indenture Trustee pursuant to Section 4.1 of the Indenture; and (ii) the Servicer pursuant to Section 7.06 of the Sale and Servicing Agreement, as to the absence, to the knowledge of the Servicer, of claims against the Trust and obligations of the Trust, including, without limitation, as to the absence of claims and

obligations that have not arisen but that, based upon facts known to the certifying party, are likely to arise or become known to the Trust within 10 years after the dissolution of the Trust. The Seller shall promptly notify the Administrator, the Owner Trustee and the Board in writing of any prospective termination pursuant to this Section 9.1. The bankruptcy, liquidation, dissolution, death, termination or incapacity of any Certificateholder shall not (x) operate to terminate this Agreement or the Trust, nor (y) entitle such Certificateholder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of all or any part of the Trust or Trust Property nor (z) otherwise affect the rights, obligations and liabilities of the parties hereto.

(b) Except as provided in clause (a), neither the Board, the Seller nor any Certificateholder shall be entitled to revoke or terminate the Trust.

(c) Notice of any termination of the Trust shall be given by the Certificate Registrar, with a copy to the Owner Trustee and Trust Collateral Agent, by letter (which may be sent electronically) to Certificateholders mailed within five Business Days of receipt by a Responsible Officer of the Certificate Registrar of notice of such termination from the Seller or Servicer, as the case may be, given pursuant to Section 10.01(b) of the Sale and Servicing Agreement, which notice shall state (i) the Distribution Date upon or with respect to which final distributions on the Certificates shall be made upon presentation and surrender of the Certificates at the office of the Certificate Registrar therein designated, (ii) the amount of any such final distribution, and (iii) that the Record Date otherwise applicable to such Distribution Date is not applicable, payments being made only upon presentation and surrender of the Certificates at the office of the Certificate Registrar therein specified. Upon receipt of such notice by a Responsible Officer of (i) the Certificate Registrar, and upon presentation and surrender of the Certificates, the Certificate Register shall cancel such certificates and provide evidence of such cancellation to the Owner Trustee and (ii) the Trust Collateral Agent, the Trust Collateral Agent shall cause to be distributed to Certificateholders amounts distributable on such Distribution Date pursuant to Section 5.08 of the Sale and Servicing Agreement.

In the event that all of the Certificateholders do not surrender their Certificates for cancellation within six months after the date specified in the above-mentioned written notice, the Certificate Registrar shall give a second written notice to the remaining Certificateholders, Certificateholders, with a copy to the Owner Trustee, to surrender their Certificates for cancellation and receive the final distribution with respect thereto. If within one year after the second notice all the Certificates have not been surrendered for cancellation, the Certificate Registrar may take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining Certificateholders concerning surrender of their Certificates, and the cost thereof shall be paid out of the funds and other assets that shall remain subject to this Agreement. Any funds remaining in the Trust after two years shall be distributed, subject to applicable escheat laws, by the Trust Collateral Agent upon the written direction of the Board to the Seller. The Holders shall look solely to the Seller for payment.

(d) Any funds remaining in the Trust after funds for final distribution have been distributed or set aside for distribution and reasonable provision has been made for known claims and obligations of the Trust shall be distributed by the Trust Collateral Agent to the Certificateholders.

(e) Upon its receipt of written notice from the Administrator or the Board that the dissolution winding up and liquidation of the Trust is complete, at the expense of the Administrator (or from any reserve created for such purpose), the Owner Trustee, at the written direction of the Administrator, shall cause the Certificate of Trust to be canceled by filing a certificate of cancellation with the Secretary of State in accordance with the provisions of Section 3810 of the Statutory Trust Act, whereupon this Agreement shall terminate; provided,

however, that the rights and obligations with respect to indemnification under Section 8.2, the rights of the Owner Trustee under Section 8.1, and the terms of Section 11.7 hereof shall survive the dissolution of the Trust and the cancellation of the Certificate of Trust and the termination of the legal existence of the Trust and this Agreement. For the avoidance of doubt, it is expressly acknowledged and agreed that only the Owner Trustee, and not any Regular Trustee, need execute such certificate of cancellation.

ARTICLE X

The Owner Trustee shall at all times be a corporation or other institution: (i) satisfying the provisions of Section 3807(a) of the Statutory Trust Act; (ii) authorized to exercise corporate trust powers; and (iii) having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by federal or state authorities; provided however, the net worth of the parent organization of such corporation shall be included in the determination of the combined capital and surplus of such corporation. If such corporation or other institution shall publish reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purpose of this Section, the combined capital and surplus of such corporation or other institution shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Owner Trustee shall cease to be eligible in accordance with the provisions of this Section, the Owner Trustee shall resign immediately in the manner and with the effect specified in Section 10.2.

SECTION 10.2 Resignation or Removal of Owner Trustee.

The Owner Trustee may at any time resign and be discharged from the trusts hereby created by giving at least ninety (90) days' prior written notice thereof to the Board and the Servicer. Upon receiving such notice of resignation, the Board shall promptly appoint a successor Owner Trustee satisfying the qualifications of Section 10.1 hereof by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning Owner Trustee and one copy to the successor Owner Trustee. If no successor Owner Trustee shall have been so appointed and have accepted appointment within ninety (90) days after the giving of such notice of resignation, the resigning Owner Trustee or the Majority Certificateholders may petition any court of competent jurisdiction for the appointment of a successor Owner Trustee satisfying the qualifications of Section 10.1 hereof.

If at any time, (i) the Owner Trustee shall cease to be eligible in accordance with the provisions of Section 10.1 and shall fail to resign after written request therefor by the Board, (ii) the Owner Trustee shall fail to perform its obligations under this Agreement to the satisfaction of the Board and shall fail to resign after written request therefor by the Board, (iii) the Owner Trustee shall be legally unable to act, or shall be adjudged bankrupt or insolvent, (iv) a receiver of the Owner Trustee or of its property shall be appointed or (v) any public officer shall take charge or control of the Owner Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Board may remove the Owner Trustee. If the Board shall remove the Owner Trustee under the authority of the immediately preceding sentence, the Board shall promptly appoint a successor Owner Trustee satisfying the qualifications of Section 10.1 by written instrument, in duplicate, one copy of which instrument shall be delivered to the outgoing Owner Trustee so removed and one copy to the successor Owner Trustee and payment of all fees, expenses and indemnities owed to the outgoing Owner Trustee.

Any resignation or removal of the Owner Trustee and appointment of a successor Owner Trustee pursuant to any of the provisions of this Section shall not become effective until acceptance of appointment by the successor Owner Trustee pursuant to Section 10.3 and payment of all fees, expenses and indemnities owed to the outgoing Owner Trustee. The Seller shall provide notice of such resignation or removal of the Owner Trustee to the Rating Agencies and the Trust Collateral Agent.

SECTION 10.3 Successor Owner Trustee.

Any successor Owner Trustee appointed pursuant to Section 10.2 shall execute, acknowledge and deliver to the Board, the Seller, the Servicer and to its predecessor Owner Trustee an instrument accepting such appointment under this Agreement, and thereupon the resignation or removal of the predecessor Owner Trustee shall become effective and such successor Owner Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under this Agreement, with like effect as if originally named as Owner Trustee. The predecessor Owner Trustee shall upon payment of its fees, expenses, and indemnification amounts, deliver to the successor Owner Trustee all documents and statements and monies held by it under this Agreement; and the Board and the predecessor Owner Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Owner Trustee all such rights, powers, duties and obligations.

No successor Owner Trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor Owner Trustee shall be eligible pursuant to Section 10.1.

Upon acceptance of appointment by a successor Owner Trustee pursuant to this Section, the Servicer shall mail notice of the successor of such Owner Trustee to all Certificateholders, the Indenture Trustee, the Noteholders and the Rating Agencies. If the Servicer shall fail to mail such notice within 10 days after acceptance of appointment by the successor Owner Trustee, the successor Owner Trustee shall cause such notice to be provided at the expense of the Servicer.

Any successor Owner Trustee appointed pursuant to this Section 10.3 shall promptly file an amendment to the Certificate of Trust with the Secretary of State, identifying the name and address of such successor Owner Trustee in the State of Delaware.

SECTION 10.4 Merger or Consolidation of Owner Trustee.

Any entity into which the Owner Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Owner Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Owner Trustee (including through a sale of substantially all of the Owner Trustee's corporate trust business), shall be the successor of the Owner Trustee hereunder, provided, however, such entity shall be eligible pursuant to Section 10.1, without the execution or filing of any instrument or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided further that the Owner Trustee shall provide notice of such merger or consolidation (or other succession to substantially all of the Owner Trustee's corporate trust business) to the Board and the Seller (who shall promptly deliver a copy of such notice to the Rating Agencies), together with, in the case of a sale of substantially all of the Owner Trustee's corporate trust business, an instrument executed by the successor Owner Trustee acknowledging its assumption of the predecessor Owner Trustee's obligations hereunder.

SECTION 10.5 Appointment of Co-Owner Trustee or Separate Owner Trustee.

Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Property or any Financed Vehicle may at the time be located or any other purpose which the Owner Trustee deems convenient or necessary, the Owner Trustee and the Servicer shall jointly have the power and shall execute and deliver all instruments to appoint one or more Persons to act as co-owner trustee, jointly with the Owner Trustee, or separate owner trustee or separate owner trustees, of all or any part of the Trust Property, and to vest in such Person, in such capacity, such title to the Trust, or any part thereof, and, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Owner Trustee or the Servicer may consider necessary or desirable. No co-owner trustee or separate owner trustee under this Agreement shall be required to meet the terms of eligibility as a successor owner trustee pursuant to Section 10.1 and no notice of the appointment of any co-owner trustee or separate owner trustee shall be required pursuant to Section 10.3.

Each separate owner trustee and co-owner trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(1) all rights, powers, duties and obligations set forth in the instrument of appointment shall be conferred upon and exercised or performed by such separate owner trustee singly or by the Owner Trustee and such co-owner trustee jointly (it being understood that such co-owner trustee is not authorized to act separately without the Owner Trustee joining in such act, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Owner Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate co-owner trustee), but solely at the direction of the Servicer;

(2) no trustee under this Agreement shall be personally liable by reason of any act or omission of any other trustee under this Agreement;

(3) the Board and the Owner Trustee acting jointly may at any time accept the resignation of or remove any separate owner trustee or co-owner trustee;

(4) no separate owner trustee or co-owner trustee shall have any rights, powers, duties and obligations of a Regular Trustee pursuant to this Agreement;

(5) no separate owner trustee or co-owner trustee shall be deemed to be an agent of the Owner Trustee; and

(6) the Owner Trustee shall have no responsibility or liability relating in any way to the appointment of a separate owner trustee or co-owner trustee.

Any notice, request or other writing given to the Owner Trustee shall be deemed to have been given to each of the then separate owner trustees and co-owner trustees, as effectively as if given to each of them. Every instrument appointing any separate owner trustee or co-owner trustee shall refer to this Agreement and the conditions of this Article. Each separate owner trustee and co-owner trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Owner Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Owner Trustee. Each such instrument shall be filed with the Owner Trustee and a copy thereof given to the Servicer.

Any separate owner trustee or co-owner trustee may, with the Owner Trustee's consent, appoint the Owner Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any separate owner trustee or co-owner trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Owner Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

ARTICLE XI

Miscellaneous

SECTION 11.1 Supplements and Amendments.

(a) This Agreement may be amended by a majority of the Regular Trustees, the Seller and the Owner Trustee, with prior written notice to the Rating Agencies by the Seller, without the consent of the Noteholders or the Certificateholders: (i) to cure any ambiguity or defect; (ii) to correct, supplement or modify any provisions in this Agreement; (iii) to conform this Agreement to any offering document; or (iv) to add any other provisions with respect to matters or questions arising under this Agreement that shall not be inconsistent with the provisions of this Agreement; provided, however, that (x) such action shall not, as evidenced by an Opinion of Counsel which may be based upon a certificate of the Seller, adversely affect in any material respect the interests of any Noteholder, and (y) the Partnership Representative, without the consent of any other party, shall be entitled to make such amendments or modifications to this Agreement as are reasonably necessary or appropriate to address any future amendments to, or Regulations promulgated under, the Partnership Audit Procedures.

(b) This Agreement may also be amended from time to time by a majority of the Regular Trustees, the Seller and the Owner Trustee, with (x) prior written notice to the Rating Agencies by the Seller and (y) prior to the Termination Date, the written consent of the Majority Noteholders and thereafter, the consent of the Majority Certificateholders, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement other than under paragraph (a) above; provided, however, that, subject to the express rights of the Noteholders under the Basic Documents no such amendment shall: (a) increase or reduce in any manner the amount of, or accelerate or delay the timing of, collections of payments on Loans or distributions that shall be required to be made for the benefit of the Noteholders; or (b) reduce the percentage of the Outstanding Amount of the Notes required to consent to any such amendment, without the consent of the Holders of all the outstanding Notes.

Promptly after the execution of any such amendment or consent, the Owner Trustee shall furnish written notification of the substance of such amendment or consent to each Certificateholder, the Indenture Trustee and the Seller (who shall promptly deliver a copy of such notice to the Rating Agencies).

It shall not be necessary for the consent of the Majority Noteholders or Majority Certificateholders, as applicable, pursuant to this Section to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents shall be subject to such reasonable requirements as the Owner Trustee may prescribe. Promptly after the execution of any amendment to the Certificate of Trust, the Owner Trustee shall cause the filing of such amendment with the Secretary of State.

Prior to the execution by the Owner Trustee of any amendment to this Agreement or any Basic Document, the Owner Trustee shall be entitled to receive and conclusively rely upon an Opinion of Counsel (such Opinion of Counsel to be obtained at the expense of the Trust) stating that the execution of such amendment is authorized or permitted by this Agreement, that all conditions precedent to the execution and delivery of such amendment have been satisfied and that any such amendment would not result in the Trust becoming taxable as a corporation for federal income tax purposes. The Owner Trustee may, but shall not be obligated to, enter into any such amendment which affects the Owner Trustee's own rights, duties or immunities under this Agreement or otherwise.

All fees and expenses of the Owner Trustee accrued in connection with an amendment or supplement made pursuant to this Section 11.1 shall be payable in accordance with Section 8.1.

SECTION 11.2 Limitations on Rights of Others.

Except for Section 2.7, the provisions of this Agreement are solely for the benefit of the Owner Trustee, the Seller, the Certificateholders, the Servicer, the Backup Servicer and, to the extent expressly provided herein, the Indenture Trustee, the Trust Collateral Agent and the Noteholders, and nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Trust Property or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

SECTION 11.3 Notices.

(a) Unless otherwise expressly specified or permitted by the terms hereof, all notices, demands, instruction and other communications required or permitted to be given to or made upon any party hereto shall be in writing and shall be deemed duly given upon (i) electronic or facsimile transmission on the day that the receipt of such electronic or facsimile transmission is confirmed by phone or electronic means or (ii) receipt personally delivered, delivered by overnight courier or mailed first class mail or certified mail (in each case, with return receipt requested), in each case: if to the Owner Trustee, addressed to its Corporate Trust Office; email: amy.martin2@computershare.com; if to the Seller, addressed to Credit Acceptance Funding LLC 2023-3, Silver Triangle Building, 25505 West Twelve Mile Road, Southfield, Michigan, 48034-8339, Attention: Doug Busk; phone number: (248) 353-2700 (ext. 4432); fax number: (866) 743-2704; email: dwb@creditacceptance.com; if to the Board, addressed to the Board of Trustees of the Trust, c/o Credit Acceptance Funding LLC 2023-3, Silver Triangle Building, 25505 West Twelve Mile Road, Southfield, Michigan, 48034-8339, Attention: Doug Busk; phone number: (248) 353-2700 (ext. 4432); fax number: (866) 743-2704; email: dwb@creditacceptance.com; or if to the Indenture Trustee, the Trust Collateral Agent, the Servicer, the Backup Servicer or the Rating Agencies, addressed to each respective entity as set forth in the notice provisions of the Basic Documents or, as to each party, at such other address as shall be designated by such party in a written notice to each other party.

(b) Any notice required or permitted to be given to a Certificateholder shall be given by first-class mail, postage prepaid, at the address of such Holder as shown in the Certificate Register. Any notice so mailed within the time prescribed in this Agreement shall be conclusively presumed to have been duly given, whether or not the Certificateholder receives such notice.

SECTION 11.4 Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 11.5 Separate Counterparts.

This Agreement shall be valid, binding, and enforceable against a party only when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the Uniform Commercial Code (collectively, "Signature Law"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings and authentication of Notes when required under the Uniform Commercial Code or other Signature Law due to the character or intended character of the writings.

SECTION 11.6 Assignments.

This Agreement shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and permitted assigns.

SECTION 11.7 No Petition.

The Owner Trustee (in its individual capacity and as Owner Trustee), by entering into this Agreement, each Certificateholder, by accepting a Certificate, and the Indenture Trustee and each Noteholder by accepting the benefits of this Agreement, each hereby covenants and agrees that it will not at any time institute against the Seller or the Trust, or join in any institution against the Seller or the Trust of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law in connection with any obligations relating to the Certificates, the Notes, this Agreement or any of the other Basic Documents.

SECTION 11.8 No Recourse.

Each Certificateholder, by accepting a Certificate, acknowledges that such Certificateholder's Certificates represent beneficial interests in the Trust only and do not represent interests in or obligations of the Seller, the Servicer, the Backup Servicer, the Owner Trustee, the Indenture Trustee or the Trust Collateral Agent or any Affiliate thereof and no recourse may be had against such parties or their assets, except as may be expressly set forth or contemplated in the Certificates, this Agreement, or the other Basic Documents.

SECTION 11.9 Certain Damages.

No party hereto shall be liable for special, indirect, consequential or punitive damages, however styled, including, without limitation, lost profits, even if such party has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 11.10 Headings.

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a Trust or other legal entity, the Owner Trustee may request documentation to verify its formation and existence as a legal entity. The Owner Trustee may also request relevant financial statements, licenses, identification, and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

(b) The parties acknowledge and agree that Computershare Delaware Trust Company acts as Owner Trustee of the Trust hereunder, and in such capacity shall be entitled to discharge that separate function fully, without hindrance or regard to conflict of interest principles, duty of loyalty principles or other breach of fiduciary duties to the extent that any such conflict or breach arises from the performance by it of its express duties set forth in this Agreement or the Basic Documents in any of such capacities, all of which defenses, claims or assertions are hereby waived by the parties to this Agreement and the Certificateholders except in the case of gross negligence and willful misconduct by Computershare Delaware Trust Company.

(c) Knowledge or information acquired by Computershare Delaware Trust Company in its capacity as the Owner Trustee hereunder shall not be imputed to Computershare Delaware Trust Company in any other capacity in which it may act hereunder or under any other Basic Document or any other document, or to any affiliate of Computershare Delaware Trust Company and vice versa.

IN WITNESS WHEREOF, the parties hereto have caused this Trust Agreement to be duly executed by their respective officers hereunto duly authorized as of the day and year first above written.

CERTIFICATE OF AUTHENTICATION

This is one of the Certificates referred to in the within-mentioned Trust Agreement.

COMPUTERSHARE TRUST COMPANY, N.A., as Certificate Registrar

by: _____
Authenticating Agent

Dated: August 24, 2023

The Trust is existing as a Delaware statutory trust pursuant to the Amended and Restated Trust Agreement, dated as of August 24, 2023 (as so amended and restated, the "Trust Agreement"), between the Seller, each of the members of the Board of Trustees of the Trust, and Computershare Delaware Trust Company, as owner trustee, (in its capacity as owner trustee, and not in its individual capacity the "Owner Trustee"), a summary of certain of the pertinent provisions of which is set forth below. To the extent not otherwise defined herein, the capitalized terms used herein have the meanings assigned to them in the Trust Agreement.

This Certificate is one of the duly authorized Certificates designated as "Asset Backed Certificates" (herein called the "Certificates"). In addition to the Certificates, there were also issued, under the Indenture dated as of the Closing Date, between the Trust and Computershare Trust Company, N.A., as Indenture Trustee, four classes of Notes designated as "6.39% Class A Asset Backed Notes," "7.09% Class B Asset Backed Notes" and "7.62% Class C Asset Backed Notes" (the "Notes"). This Certificate is issued under and is subject to the terms, provisions and conditions of the Trust Agreement, to which Trust Agreement the holder of this Certificate by virtue of the acceptance hereof assents and by which such holder is bound. The property of the Trust includes a pool of dealer loans secured by retail installment sale contracts (which are secured by used automobiles, light duty trucks, minivans or sport utility vehicles) (the "Dealer Loans"), a pool of purchased loans evidenced by retail installment loans (which are secured by used automobiles, light duty trucks, minivans or sport utility vehicles) (the "Purchased Loans"), and together with the Dealer Loans, the "Loans") all monies due thereunder after the applicable Cut-off Date, security interests in the vehicles financed thereby, certain bank accounts and the proceeds thereof, proceeds from claims on certain insurance policies and certain other rights under the Trust Agreement and the Sale and Servicing Agreement, all right, title and interest of the Seller in and to the Sale and Contribution Agreement dated as of the Closing Date between the Originator and the Seller and all proceeds of the foregoing.

Under the Sale and Servicing Agreement, there will be distributed on the 15th day of each month or, if such 15th day is not a Business Day, the next Business Day (the "Distribution Date"), commencing in September 2023, to the Person in whose name this Certificate is registered at the close of business on the last day of the month preceding such Distribution Date (the "Record Date") such Certificateholder's fractional undivided interest in the amount to be distributed, if any, to Certificateholders on such Distribution Date.

The holder of this Certificate acknowledges and agrees that its rights to receive distributions in respect of this Certificate are subordinated to the rights of the Noteholders as described in the Sale and Servicing Agreement, the Indenture and the Trust Agreement, as applicable.

It is the intention of the Seller, the Servicer and the Certificateholders that, for purposes of U.S. federal income, state and local income and franchise tax and any other income taxes, for so long as the Trust has no equity owner other than the Seller (as determined for U.S. federal income tax purposes), the Trust will be treated as an entity disregarded as separate from its owner and that, if the Trust has more than one equity owner (as determined for U.S. federal income tax purposes), the Trust will be treated as a partnership, the equity owners will be the partners in the partnership, and the partnership will not be an association or publicly traded partnership taxable as a corporation. The Seller and the other Certificateholders, by acceptance of a Certificate, agree to such treatment and agree to take no action inconsistent with such treatment. Each Certificateholder, by its acceptance of a Certificate, covenants and agrees that such Certificateholder will not at any time institute against the Trust or the Seller, or join in any institution against the Trust or the Seller of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to the Certificates, the Notes, the Trust Agreement or any of the other Basic Documents.

Distributions on this Certificate will be made as provided in the Sale and Servicing Agreement by the Trust Collateral Agent by wire transfer or check mailed to the Certificateholder of record in the Certificate Register without the presentation or surrender of this Certificate or the making of any notation hereon. Except as otherwise provided in the Trust Agreement and the Sale and Servicing Agreement and, notwithstanding the above, the final distribution on this Certificate will be made after due notice by the Owner Trustee of the pendency of such distribution and only upon presentation and surrender of this Certificate at the Corporate Trust Office.

Reference is hereby made to the further provisions of this Certificate set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon shall have been executed by an authorized officer of the Certificate Registrar, by manual signature, this Certificate shall not entitle the holder hereof to any benefit under the Trust Agreement or the Sale and Servicing Agreement or be valid for any purpose.

THIS CERTIFICATE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS, EXCEPT THAT, PURSUANT TO AND TO THE FULLEST EXTENT PERMITTED BY SECTION 3809 OF THE STATUTORY TRUST ACT, THE DOCTRINE OF MERGER SHALL NOT BE APPLICABLE TO THE TRUST.

IN WITNESS WHEREOF, the Owner Trustee, on behalf of the Trust and not in its individual capacity, has caused this Certificate to be duly executed.

(Reverse of Certificate)

The Certificates do not represent an obligation of, or an interest in, the Seller, the Servicer, the Backup Servicer, the Owner Trustee or any Affiliates of any of them and no recourse may be had against such parties or their assets, except as may be expressly set forth or contemplated herein or in the Trust Agreement, the Indenture or the other Basic Documents. In addition, this Certificate is not guaranteed by any governmental agency or instrumentality and is limited in right of payment to certain collections with respect to the Loans, all as more specifically set forth herein and in the Sale and Servicing Agreement. A copy of each of the Sale and Servicing Agreement and the Trust Agreement may be examined during normal business hours at the principal office of the Seller, and at such other places, if any, designated by the Seller, by any Certificateholder upon written request.

The Trust Agreement permits, with certain exceptions therein provided, the amendment thereof and the modification of the rights and obligations of the Seller and the rights of the Certificateholders under the Trust Agreement at any time by a majority of the Regular Trustees, the Seller and the Owner Trustee with, prior to the Termination Date, the prior written consent of the Majority Noteholders. Any such consent shall be conclusive and binding on such holder and on all future holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Trust Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the holders of any of the Certificates.

This Certificate may be Transferred only under the circumstances described in Section 3.4 of the Trust Agreement. Any attempted Transfer in contravention of the restrictions and conditions of Section 3.4 of the Trust Agreement shall be null and void ab initio. As provided in the Trust Agreement and subject to certain limitations set forth therein and set forth on the front of this Certificate, the Transfer of this Certificate is registerable in the Certificate Register upon surrender of this Certificate for registration of Transfer at the offices or agencies of the Certificate Registrar maintained by the Certificate Registrar in St. Paul, Minnesota, accompanied by a written instrument of Transfer in form satisfactory to the Owner Trustee and the Certificate Registrar duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Certificates in authorized denominations evidencing the same aggregate interest in the Trust will be issued to the designated transferee. The initial Certificate Registrar appointed under the Trust Agreement is Computershare Trust Company, N.A..

The Certificates are issuable only as registered Certificates. As provided in the Trust Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates in authorized denominations evidencing the same aggregate denomination, as requested by the holder surrendering the same. No service charge will be made for any such registration of transfer or exchange, but the Owner Trustee or the Certificate Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

The Owner Trustee, the Certificate Registrar and any agent of the Owner Trustee or the Certificate Registrar may treat the person in whose name this Certificate is registered as the owner hereof for all purposes, and none of the Owner Trustee, the Certificate Registrar nor any such agent shall be affected by any notice to the contrary.

The obligations and responsibilities created by the Trust Agreement and the Trust created thereby shall terminate upon the payment to Certificateholders of all amounts required to be paid to them pursuant to the Trust Agreement and the Sale and Servicing Agreement, and the disposition of all property held as part of the Trust. The Servicer may at its option purchase the

corpus of the Trust at a price specified in the Sale and Servicing Agreement, and such purchase of the Loans and other property of the Trust will effect early retirement of the Certificates; however, such right of purchase is exercisable, subject to certain restrictions, only on a Distribution Date on which the sum of the Class A Note Balance plus the Class B Note Balance plus the Class C Note Balance shall be 10% or less of the sum of the initial Class A Note Balance plus the initial Class B Note Balance plus the initial Class C Note Balance, including any such purchase on such Purchase Date.

The Certificates may not be acquired by or transferred to (a) an employee benefit plan (as defined in Section 3(3) of ERISA) that is subject to the fiduciary responsibility provisions of Title I of ERISA, (b) a plan to which Section 4975 of the Code applies, (c) any entity whose underlying assets include plan assets by reason of a plan's investment in the entity or otherwise, or (d) an employee benefit plan, a plan or other similar arrangement subject to any provision of federal, state, local, non-U.S. or other laws that are substantially similar to Section 406 of ERISA or Section 4975 of the Code (each, a "Benefit Plan"). In connection with any acquisition or transfer of a Certificate, the Holder thereof shall be required to represent and warrant that it is not and will not be, and is not acting on behalf of or with the assets of, an entity or other person that is or will be a Benefit Plan.

The recitals contained herein shall be taken as the statements of the Seller or the Servicer, as the case may be, and the Owner Trustee assumes no responsibility for the correctness thereof. The Owner Trustee makes no representations as to the validity or sufficiency of this Certificate or of any Contracts or related document.

Unless the certificate of authentication hereon shall have been executed by an authorized officer of the Certificate Registrar, by manual signature, this Certificate shall not entitle the holder hereof to any benefit under the Trust Agreement or the Sale and Servicing Agreement or be valid for any purpose.

Each Loan classified as an “Eligible Loan” (or included in any aggregation of balances of “Eligible Loans”) by the Seller or the Servicer in any document or report delivered hereunder satisfied the requirements contained in the definition of Eligible Loan on the date each such Loan was conveyed or pledged to the Trust.

(iii) Eligibility of Contracts. Each Contract classified as an “Eligible Contract” (or included in any aggregation of balances of “Eligible Contracts”) by the Seller or the Servicer in any document or report delivered hereunder satisfied the requirements contained in the definition of Eligible Contract on the date each such Contract was conveyed or pledged to the Trust.

(iv) Accuracy of Information. All information with respect to the Loans, the Dealer Agreements, the Purchase Agreements, the Contracts and other Seller Property provided to the Trust Collateral Agent by the Seller or the Servicer was true and correct in all material respects as of the date such information was provided to the Trust Collateral Agent.

(v) No Liens. Each Loan and the other Seller Property has been pledged to the Trust Collateral Agent free and clear of any Lien of any Person, and in compliance, in all material respects, with all Applicable Laws.

(vi) No Consents. With respect to each Loan and the other Seller Property, all material consents, licenses, approvals or authorizations of or registrations or declarations with any Governmental Authority required to be obtained, effected or given by the Seller, in connection with the pledge of such Dealer Agreement, Purchase Agreement, Loan, Contract or other Collateral to the Trust Collateral Agent have been duly obtained, effected or given and are in full force and effect.

(vii) Schedule of Loans, Dealer Agreements, Purchase Agreements and Contracts. Schedule A to this Agreement and each supplement or addendum thereto is and will be an accurate and complete listing of all Loans, the related Dealer Agreements, Purchase Agreements and Contracts in all material respects on the date each such Loan and other Seller Property was sold to the Trust hereunder, and the information contained therein is and will be true and correct in all material respects as of such date.

(viii) Adverse Selection. No selection procedure believed by the Seller to be materially adverse to the interests of the Noteholders has been or will be used in selecting the Dealer Agreements, Purchase Agreements, Loans or Contracts; provided that for the avoidance of doubt, during the Revolving Period, the Seller in its sole discretion may elect to sell Dealer Loans secured by either Open Pools or Closed Pools.

(ix) Sale and Contribution Agreement. The Sale and Contribution Agreement is the only agreement pursuant to which the Seller purchases Loans from the Originator.

(x) Security Interest. The Seller has granted a security interest (as defined in the UCC) to the Trust in the Seller Property, which is enforceable in accordance with Applicable Law upon the Closing Date and each Distribution Date on which Subsequent Seller Property is sold to the Trust, as applicable. Upon the filing of

UCC-1 financing statements naming the Indenture Trustee and Trust Collateral Agent as assignee secured party and the Seller as debtor, or upon the Trust Collateral Agent obtaining possession or control, in the case of that portion of the Seller Property which constitutes tangible or electronic chattel paper or instruments, the Trust Collateral Agent, as agent for the secured parties under the Indenture, shall have a first priority perfected security interest in the Seller Property. All filings (including such UCC filings) as are necessary in any jurisdiction to perfect the interest of the Indenture Trustee and Trust Collateral Agent, as agent for the Trust, in the Seller Property have been made.

(xi) Representations and Warranties in Sale and Contribution Agreement. The representations and warranties made by the Originator to the Seller in the Sale and Contribution Agreement are hereby remade by the Seller on each date to which they speak in the Sale and Contribution Agreement as if such representations and warranties were set forth herein. For purposes of this Section 3.01(xi), such representations and warranties are incorporated herein by reference as if made by the Seller to the Trust Collateral Agent under the terms hereof mutatis mutandis.

(xii) Survival. The representations and warranties set forth in this Section 3.01 shall survive the Seller's sale and assignment of the Seller Property to the Trust and the termination of the rights and obligations of the Servicer.

(xiii) Perfection Representations. The perfection representations, warranties and covenants made by the Seller and set forth on Schedule C hereto shall be a part of this Agreement for all purposes.

(xiv) Scheduled Due Date. With respect to each Contract that is sold pursuant to this Agreement on the Closing Date only, such Contract has a first scheduled due date not later than 60 days after the Cut-off Date as of the Closing Date.

(xv) Seasoning. With respect to each Contract relating to a Purchased Loan or Dealer Loan that is sold pursuant to this Agreement during the Revolving Period, the weighted average seasoning of all Contracts (determined based on the number of months since origination of each such Contract, excluding from such determination any defaulted Contracts) then securing the Notes, after giving effect to such sale, shall equal or exceed three (3) months.

Section 3.02 Payment Upon Breach.

(a) The Seller, the Servicer, or the Trust Collateral Agent, as the case may be, shall inform the other parties to this Agreement promptly in writing (which, in the case of the Servicer, can be included in the applicable Servicer's Certificate), upon the discovery (which, in the case of the Trust Collateral Agent shall mean actual knowledge of a Responsible Officer of the Trust Collateral Agent or receipt of written notice of such breach or failure) of any breach of the Seller's representations and warranties pursuant to Sections 3.01(i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (x) and (xiii) hereof without regard to any limitation set forth therein concerning the knowledge of the Seller as to the facts stated therein.

(b) Unless any such breach of a representation or warranty described in clause (a) of this Section 3.02 shall have been cured in all material respects by, and subject to the terms of Section 3.02(d) below, as of the last day of the first full Collection Period following the discovery thereof the Seller shall have the obligation, and the Trust Collateral Agent shall, at the expense of the Seller, enforce such obligation of the Seller, and if necessary, any obligation of the Originator under the Sale and Contribution Agreement, to make a payment to the Collection

Account of the applicable Purchase Amount in respect of all Loans and Contracts with respect to which there is a breach of any such representations and warranties which are materially and adversely affected by such event and which materially and adversely affects the interests of the Indenture Trustee or the Noteholders therein as of such last day.

(c) The sole remedy of the Trust Collateral Agent, the Trust, the Noteholders and the Certificateholders with respect to a breach of the Seller's representations and warranties pursuant to Section 3.01 hereof which materially and adversely affects either a Contract or a Loan and the interests of the Indenture Trustee or the Noteholders in the Contracts, Purchased Loans or Dealer Loans shall be to require the Seller to make payments in respect of the related Loans pursuant to this Section or to enforce any obligation of Credit Acceptance to repurchase such Loans pursuant to the Sale and Contribution Agreement, and to require the Seller to make payments in respect of the related Contracts pursuant to this Section or to enforce the obligation of Credit Acceptance to make such payments pursuant to the Sale and Contribution Agreement. The Trust Collateral Agent shall have no duty to conduct any affirmative investigation as to the occurrence of any condition requiring the purchase of any Loan or payment in respect of any Contract pursuant to this Section. Any expenses incurred in enforcing the obligations of the Seller or Credit Acceptance shall be paid pursuant to Section 5.08(a) hereof.

(d) (i) Notwithstanding anything herein to the contrary, (A) during the Revolving Period such payments of Purchase Amounts pursuant to Section 3.02(b) of this Agreement shall not be required if the Adjusted Collateral Amount is equal to or greater than the Minimum Collateral Amount, and (B) during the Amortization Period, such payments of Purchase Amounts pursuant to Section 3.02(b) of this Agreement shall not be required: (x) with respect to any Loan, so long as the aggregate Outstanding Balance of all Loans which would be Ineligible Loans as a result of being subject to the foregoing payment obligations during the Amortization Period is less than the sum of: (1) the product of (i) the aggregate Outstanding Balance of all Eligible Loans sold to the Issuer during the Amortization Period and (ii) the then effective Advance Rate; and (2) all Purchase Amounts which have been previously paid during the Amortization Period in respect of Ineligible Loans (such sum, the "Amortization Period Additional Loan Collateral Amount"); and (y) with respect to any Contract, so long as the aggregate Outstanding Balance of all Contracts which would be Ineligible Contracts as a result of being subject to the foregoing payment obligations during the Amortization Period is less than the sum of: (1) the product of (i) the aggregate Outstanding Balance of all Eligible Contracts an interest in which is sold to the Issuer during the Amortization Period and (ii) a fraction, the numerator of which is equal to the Aggregate Note Balance and the denominator of which is equal to the Outstanding Balance of all Eligible Contracts; and (2) all Purchase Amounts which have been previously paid during the Amortization Period in respect of Ineligible Contracts (such sum, the "Amortization Period Additional Contract Collateral Amount").

(i) If such payments are required during the Amortization Period in accordance with clause (d)(i) of this Section 3.02, they shall be made: (A) with respect to Ineligible Loans, to the extent and in the amount by which the aggregate Outstanding Balance of all Ineligible Loans which are subject to the foregoing payment obligations during the Amortization Period exceeds the Amortization Period Additional Loan Collateral Amount; and (B) with respect to Ineligible Contracts, to the extent and in the amount by which the aggregate Outstanding Balance of all Ineligible Contracts which are subject to the foregoing payment obligations during the Amortization Period exceeds the Amortization Period Additional Contract Collateral Amount (the foregoing payment obligations, the "Amortization Period Payment Obligations").

(ii) If such payments are required during the Revolving Period in accordance with clause (d)(i) of this Section 3.02, such payments shall be equal to the

applicable Purchase Amounts of the Ineligible Loans or Ineligible Contracts. Notwithstanding the foregoing, with respect to any Ineligible Contracts, the Seller may repurchase the Loans related thereto in lieu of such Ineligible Contracts and deposit into the Collection Account the Purchase Amount of such Loans (as if such Loans were Ineligible Loans).

(iii) Notwithstanding the foregoing, the Seller's obligation to make payments under Section 3.02 hereof may be waived with the prior written consent of the Indenture Trustee, at the direction of the Majority Noteholders. Any such waiver by the Indenture Trustee, at the direction of the Majority Noteholders, shall not require any further waiver, action or consent by any other party. The party providing such waiver shall give notice thereof to the Issuer and the Administrator.

(e) Any Contract which is subject to a payment in accordance with Section 3.02(b) or Section 4.07 of this Agreement shall be an Ineligible Contract. Any Loan which is subject to a payment in accordance with Section 3.02(b) or Section 4.07 of this Agreement shall be an Ineligible Loan. Each Dealer Loan, Purchased Loan or Contract which is subject to a payment in accordance with Section 3.02(b) or Section 4.07 of this Agreement, shall, upon payment in full of the related Purchase Amount, be released from the lien created pursuant to the Indenture and shall no longer constitute Trust Property.

Section 3.03. Custody of Dealer Agreements, Purchase Agreements and Contract Files.

(a) The Trust hereby revocably appoints Credit Acceptance as custodian of the Dealer Agreements, the Purchase Agreements, the Contract Files and the Certificates of Title related to the Financed Vehicles. Credit Acceptance hereby accepts such appointment and agrees to hold and/or control, or appoint an agent to hold and/or control, each Dealer Agreement, Purchase Agreement, Contract File and, in states where it is required by Applicable Law, the Certificate of Title related to each Financed Vehicle under this Agreement as custodian for the Trust and the Trust Collateral Agent.

(b) To assure uniform quality in servicing the Loans and Contracts and to reduce administrative costs, the Issuer hereby revocably appoints the Servicer and the Servicer hereby accepts such appointment, to act as the agent of the Issuer and the Trust Collateral Agent as custodian of the original Certificates of Title for each Financed Vehicle evidencing the security interest of the Trust Collateral Agent in such Financed Vehicle, which are hereby constructively delivered to the Trust Collateral Agent as of the Closing Date. The Servicer agrees to maintain the Dealer Agreements, Purchase Agreements, Contract Files, Certificates of Title and other Records which are delivered to it at the offices of the Servicer as shall from time to time be identified to the Trust Collateral Agent and the Backup Servicer by written notice. The Servicer shall maintain, or shall appoint an agent to maintain, such Certificates of Title at 25300 Telegraph Road, Southfield, Michigan 48033 or as otherwise notified in writing to the Trust Collateral Agent and the Backup Servicer. The Trust Collateral Agent shall not be responsible for the acts or omissions of the Servicer acting as custodian.

(c) Subject to the foregoing, Credit Acceptance may temporarily (or permanently, in the case of a Loan or a Contract that is repurchased, liquidated or paid in full) move individual Dealer Agreements, Purchase Agreements, Contract Files or other Records, or any portion thereof without notice as necessary to allow the Servicer to conduct collection and other servicing activities in accordance with its customary practices and procedures.

(d) The Servicer shall have and perform the following powers and duties:

(i) hold the Dealer Agreements, Purchase Agreements, Contract Files and other Records in trust for the benefit of the Trust Collateral Agent and the Trust and maintain a current inventory thereof; and

(ii) carry out such policies and procedures in accordance with its customary actions with respect to the handling and custody of the Dealer Agreements, the Purchase Agreements, Contract Files and other Records so that the integrity and physical possession of, or control over, the Dealer Agreements, Purchase Agreements, Contract Files and other Records will be maintained.

In performing its duties as custodian, the Servicer agrees to act with reasonable care, using that degree of skill and care that it exercises with respect to similar Dealer Agreements, Purchase Agreements, Contracts or Loans owned or held by it.

(e) The Servicer shall have the obligation (i) to physically segregate the Contract Files (to the extent held in physical form) from the other custodial files it is holding for its own account or on behalf of any other Person (ii) to physically mark the Contract folders (to the extent held in physical form) to demonstrate the transfer of Contract Files and the Trust Collateral Agent's security interest hereunder, and (iii) mark its computer records indicating the transfer of any Contract Files relating to Contracts constituting electronic chattel paper and the Trust Collateral Agent's security interest hereunder.

(f) (i) If a Servicer Default occurs, the Trust Collateral Agent shall have the rights set forth in Section 8.01 hereof, including, at the request of the Indenture Trustee, at the direction of the Majority Noteholders, the right to terminate Credit Acceptance as the custodian hereunder and the Trust Collateral Agent shall have the right to appoint a successor custodian hereunder who shall assume all the rights and obligations of the "custodian" hereunder. On the effective date of the termination of Credit Acceptance as Servicer, Credit Acceptance shall be released of all of its obligations as custodian arising on or after such date. Copies of the Dealer Agreements and the Purchase Agreements, and original or "authoritative copies" (as such term is used in Section 9-105 of the UCC) of the Contract Files and other Records shall be delivered by Credit Acceptance to the successor custodian, on or before the date which is two (2) Business Days prior to such date.

(i) During the continuance of a Servicer Default, the Servicer and the Seller shall, at the request of the Indenture Trustee, at the direction of the Majority Noteholders or the Trust Collateral Agent, take all steps necessary to cause the Certificate of Title of each Financed Vehicle to be revised to name the Trust Collateral Agent on behalf of the Trust as lienholder. Any costs associated with such revision of the Certificate of Title shall be paid by the Servicer and, and to the extent such costs are not paid by the Servicer such unpaid costs shall be recovered as described in Section 5.08 hereof. In no event shall the Trust Collateral Agent or the successor Servicer be required to expend funds in connection with this Section 3.03(f).

(ii) The Servicer shall provide to the Trust Collateral Agent access to the Dealer Agreements, the Purchase Agreements, Contract Files and other Records and all other documentation regarding the Dealer Agreements, Purchase Agreements, Contracts and the Loans and the related Financed Vehicles in such cases where the Trust Collateral Agent is required in connection with the enforcement of the rights or interests of the Trust, or by applicable statutes or regulations to review such documentation, such access being afforded without charge.

ARTICLE IV.

ADMINISTRATION AND SERVICING OF LOANS AND CONTRACTS

Section 4.01. Appointment; Duties of Servicer.

(a) Servicing; Termination. The Seller and the Trust hereby appoint Credit Acceptance as Servicer hereunder and Credit Acceptance hereby accepts such appointment and agrees to manage, collect and administer each of the Loans as Servicer. Upon the occurrence of a Servicer Default, the Indenture Trustee shall have the rights set forth in Section 8.01 hereof.

(b) Standard of Care; Types of Duties. The Servicer shall manage, service, administer, and make collections on the Loans and the Contracts with reasonable care, using that degree of skill and attention that the servicers in the retail automobile financing industry exercise with respect to all comparable receivables that they service for themselves or others and the same degree of care that the Servicer exercises with respect to any comparable loan or automobile contracts that it holds for its own account. The Servicer's duties shall include collection and posting of all payments, responding to inquiries of Dealers and of Obligors on such Contracts, investigating delinquencies, sending payment statements or coupons to Dealers and Obligors, reporting tax information to Dealers and Obligors, accounting for collections, and furnishing monthly and annual statements to the Trust Collateral Agent with respect to distributions. The Servicer shall follow prudent standards, policies, and procedures in performing its duties as Servicer. Without limiting the generality of the foregoing, the Servicer is hereby granted a limited power of attorney by the Trust Collateral Agent to execute and deliver, on behalf of itself, the Trust, the Noteholders, or the Trust Collateral Agent or any of them, any and all instruments of satisfaction or cancellation, or partial or full release or discharge, and all other comparable instruments, with respect to such Loans and Contracts or to the Financed Vehicles securing such Contracts in accordance with the terms of this Agreement. If the Servicer shall commence a legal proceeding to enforce a Loan or a Contract, the Trust Collateral Agent (in the case of a Loan other than a Repurchased Loan) shall thereupon be deemed to have automatically assigned, solely for the purpose of collection, such Loan or Contract to the Servicer. The Servicer shall not make the Seller, the Trust, the Trust Collateral Agent or the Indenture Trustee a party to any such legal proceeding without such party's written consent. If in any enforcement suit or legal proceeding it shall be held that the Servicer may not enforce a Loan or a Contract on the ground that it shall not be a real party in interest or a holder entitled to enforce the Loan or Contract, the Trust Collateral Agent shall be deemed to have automatically assigned such Loan or Contract to the Servicer, solely for the purpose of collection. The Trust Collateral Agent shall furnish the Servicer with any powers of attorney and other documents prepared by the Servicer reasonably necessary or appropriate to enable the Servicer to carry out its servicing and administrative duties hereunder. The Servicer, at its expense, shall obtain on behalf of the Trust all licenses, if any, required by the laws of any jurisdiction to be held by the Trust in connection with ownership of the Loans and the Purchased Loan Contracts and its security interest in the Dealer Loan Contracts, and shall make all filings and pay all fees as may be required in connection therewith during the term hereof. The Seller shall assist the Backup Servicer, as successor Servicer, in connection with any reports related to distributions.

(c) Duties with Respect to the Basic Documents. The Seller and the Trust hereby appoint Credit Acceptance as Administrator of the Trust, and Credit Acceptance hereby accepts such appointment, and agrees to perform all its duties as Administrator and, unless otherwise specified, the administrative duties of the Issuer under the Basic Documents. In addition, Credit Acceptance shall consult with the Indenture Trustee, as Credit Acceptance deems appropriate regarding the duties of the Issuer under the Basic Documents. Credit Acceptance shall monitor the performance of the Trust and shall advise the Owner Trustee and

Indenture Trustee, when action is necessary to comply with the Trust's duties under the Basic Documents. The Seller (to the extent the Servicer or the Administrator does not) shall execute and deliver all Issuer Orders and Officer's Certificates required to be delivered by the Trust under the Indenture or any other Basic Document. Notwithstanding anything herein to the contrary, the Backup Servicer, as successor Servicer, shall not have an obligation to perform such duties set forth in this Section 4.01(c).

(d) Duties with Respect to the Trust.

(i) In addition to the duties of the Servicer set forth in this Agreement or any of the Basic Documents, Credit Acceptance, as Administrator, shall perform such calculations, shall execute and deliver all Issuer Orders and Officer's Certificates required of the Issuer under the Basic Documents, and shall prepare for execution by the Trust or the Owner Trustee or shall cause the preparation by other appropriate Persons of all such documents, reports, filings, instruments, certificates, opinions, financial statements and accounting books and records as it shall be the duty of the Trust or the Owner Trustee or any other Person to prepare, file or deliver pursuant to this Agreement or any of the Basic Documents or under state and federal tax and securities laws or any state regulatory filings required to be made by the Trust and shall take all appropriate action that it is the duty of the Trust to take pursuant to this Agreement or any of the Basic Documents, including pursuant to Section 5.1 (with respect to the preparation and filing of tax returns) and Section 11.12 of the Trust Agreement.

(ii) In carrying out the foregoing duties or any of its other obligations under this Agreement, the Servicer may enter into transactions with or otherwise deal with any of its Affiliates; provided, however, that such delegation shall not relieve the Servicer of its obligations that the terms of any such transaction or dealings shall be in accordance with any directions received from the Trust and shall be, in the Servicer's opinion, no less favorable to the Trust in any material respect.

Notwithstanding anything herein to the contrary, in the event that the Backup Servicer is acting as successor Servicer, the Seller shall assist the Backup Servicer in performing the duties of the Administrator set forth in this Section 4.01(d).

(e) Records. The Servicer shall maintain appropriate books of account and records relating to its duties performed under Section 4.01(c) and (d) hereof, which books of account and records shall be accessible for inspection and copy by the Issuer, the Board of Trustees, the Owner Trustee, the Indenture Trustee, the Backup Servicer or the Trust Collateral Agent at any time during normal business hours at its offices and in a reasonable manner.

(f) Additional Information to be Furnished to the Trust. The Servicer shall furnish to the Issuer, the Board of Trustees, the Owner Trustee, the Indenture Trustee, the Trust Collateral Agent and the Backup Servicer from time to time such additional information regarding the Trust or the Basic Documents as the Issuer, the Board of Trustees, the Owner Trustee, the Indenture Trustee, the Trust Collateral Agent or the Backup Servicer shall reasonably request.

(g) Servicer as Independent Contractor. All services, duties and responsibilities of the Servicer under this Agreement shall be performed and carried out by the Servicer as an independent contractor for the benefit of the Trust, and none of the provisions of this Agreement shall be deemed to make, authorize or appoint the Servicer as agent or representative of the Seller, the Trust Collateral Agent, the Indenture Trustee, the Backup Servicer, the Trust or any Noteholder except as provided in Section 3.03 hereof.

Section 4.02. Collection and Application of Payments on the Loans and Contracts; Extensions and Amendments.

The Servicer shall take or cause to be taken all such action as may be necessary or advisable to collect all amounts due under the Loans and Contracts from time to time, all in material accordance with Applicable Laws, with reasonable care and diligence, and in material accordance with the Collection Guidelines (including selling or assigning defaulted contracts to third parties for collection), it being understood that there shall be no recourse to the Servicer with regard to the Loans and Contracts except as otherwise provided herein and in the other Basic Documents. In performing its duties as Servicer, the Servicer shall use the same degree of care and attention it employs with respect to similar contracts and loans which it services for itself or others. Each of the Issuer and the Trust Collateral Agent hereby appoints as its agent the Servicer, from time to time designated pursuant to the terms hereof, to enforce its respective rights and interests in and under the Trust Property. The Servicer shall hold in trust for the Issuer and the Trust Collateral Agent all Records and all Collections (other than Dealer Collections) and any other amounts it receives in respect of the Trust Property. In the event that a successor Servicer is appointed, the outgoing Servicer shall deliver to the successor Servicer and the successor Servicer shall hold in trust for the Issuer and the Trust Collateral Agent all records which evidence or relate to all or any part of the Trust Property.

As part of its normal servicing and collection efforts, the Servicer may modify the terms of any Contract, including, without limitation, effecting extensions, modified payment plans, granting refunds, rebates or adjustments and/or making other changes as required by Applicable Law.

For the avoidance of doubt, none of the Indenture Trustee, the Trust Collateral Agent or the Backup Servicer shall have any obligation to approve or consent to, or monitor compliance of the Servicer with the satisfaction of the conditions related to, any such modification or adjustment.

Section 4.03. Realization Upon Contracts.

On behalf of the Trust and the Indenture Trustee, the Servicer shall use reasonable efforts, in material accordance with the Collection Guidelines and prudent servicing procedures, to repossess or otherwise convert the ownership of the Financed Vehicle securing any Contract as to which the Servicer shall have determined eventual payment in full is unlikely, as soon as practicable after the Servicer makes such determination. The Servicer may also sell or otherwise assign defaulted contracts for collection in an effort to realize upon such defaulted contracts. The Servicer shall follow such prudent practices and procedures as would be deemed prudent in the servicing of comparable receivables, consistent with the standard of care required by Section 4.01(b) which may include reasonable efforts to sell the Financed Vehicle at public or private sale. If the Backup Servicer has become the Servicer, it shall be entitled to receive Repossession Expenses in accordance with Section 5.02 hereof.

Section 4.04. [Reserved].

Section 4.05. Maintenance of Security Interests in Financed Vehicles.

The Servicer shall take such steps as are necessary to maintain perfection of the security interest created by each Contract in the related Financed Vehicle, including taking such steps as are reasonably necessary to maintain the Originator as noted lienholder on each Certificate of Title relating to a Financed Vehicle in all states where such notation is a means of perfection under Applicable Law. The Servicer shall take such reasonable steps as are necessary

to reperfect such security interest on behalf of the Indenture Trustee in the event of the relocation of a Financed Vehicle or for any other reason. In the event that the assignment of a Contract to the Indenture Trustee is insufficient without a notation on related Financed Vehicle's Certificate of Title, or without fulfilling any additional administrative requirements under the laws of the state in which the Financed Vehicle is located, to perfect a security interest in the related Financed Vehicle in favor of the Indenture Trustee, the parties hereto agree that the Originator's designation as the secured party on the Certificate of Title is, with respect to each secured party, as applicable, in its capacity as agent of the Indenture Trustee. The Backup Servicer as successor Servicer shall be entitled to reimbursement for all expenses incurred in connection with its duties under this Section 4.05.

Section 4.06. Covenants of Servicer.

(a) Affirmative Covenants. From the date hereof until the Stated Final Maturity or, if earlier, the date each class of Notes have been paid in full:

(i) Compliance with Law. The Servicer will comply in all material respects with all Applicable Laws, including those with respect to the Loans, the Dealer Agreements, the Purchase Agreements, the Contracts or any part thereof.

(ii) Preservation of Existence. The Servicer will preserve and maintain its existence, rights, franchises and privileges in the jurisdiction of its formation, and qualify and remain qualified in good standing as a foreign corporation in each jurisdiction where the failure to preserve and maintain such existence, rights, franchises, privileges and qualification has had, or could reasonably be expected to have, a material adverse effect on the Loans, the Dealer Agreements, the Purchase Agreements, the Contracts or the Notes.

(iii) Obligations and Compliance with Loans, Dealer Agreements and Purchase Agreements. The Servicer will duly fulfill and comply with all material obligations on the part of the Seller to be fulfilled or complied with under or in connection with each Loan and each Dealer Agreement and Purchase Agreement and will do nothing to impair the rights of the Trust Collateral Agent, the Indenture Trustee or the Noteholders in, to and under the Trust Property. The Backup Servicer as successor Servicer shall not have an obligation to perform the obligations of the Servicer under this Section 4.06(a)(iii).

(iv) Keeping of Records and Books of Account. The Servicer will maintain and implement administrative and operating procedures (including an ability to recreate records consistent with standards or practices in the industry evidencing the Loans and the Contracts in the event of the destruction of the originals thereof), and keep and maintain all documents, books, records and other information reasonably necessary or advisable for the collection of all Loans.

(v) Preservation of Security Interest. The Servicer will file such financing and continuation statements and any other documents that may be required by any law or regulation of any Governmental Authority to preserve and protect fully the perfected security interest of the Indenture Trustee for the benefit of the Noteholders in, to and under the Trust Property. In its capacity as custodian, the Servicer will maintain possession of, or control over, the Dealer Agreements, the Purchase Agreements and the Contract Files and other Records, as custodian for the Trust and the Trust Collateral Agent, as set forth in Section 3.03(a).

(vi) Collection Guidelines. The Servicer will comply in all material respects with the Collection Guidelines in regard to each Loan and Contract.

(vii) Books and Records. The Servicer shall keep, or cause to be kept, in reasonable detail, books and records of account of: (A) its assets and business, and shall clearly reflect therein the ownership of the Trust Property by the Issuer; and (B) any statutory trust records of the Trust required in accordance with Section 4.1(c)(4) of the Trust Agreement.

(viii) Access to Records; Discussions with Officers. The Servicer shall, at the Servicer's expense upon the prior reasonable request of the Indenture Trustee, acting at the direction of the Majority Noteholders, permit an authorized agent appointed by the Majority Noteholders, access during normal business hours at its offices to (i) the Servicer's books of account, records, reports and other papers with respect to the Trust Property and the Basic Documents and (ii) any of the properties of the Servicer, in order to examine all of such books of account, records, reports and other papers, to make copies and extracts therefrom and to discuss the Servicer's affairs, finances and accounts with its officers, employees, and subject to the agreement of such accountants, independent public accountants. Such inspections and discussions shall be conducted at such reasonable times, as often as may be reasonably requested and in a commercially reasonable manner.

(ix) ERISA. So long as the Seller or the Issuer are ERISA Affiliates, the Servicer shall comply in all material respects with the provisions of ERISA, the Code, and all other applicable laws, except where such non-compliance could not reasonably be expected to result in a material adverse effect with respect to the Servicer or its ERISA Affiliates or with respect to the Trust Property. Without limiting the foregoing, the Servicer shall not, and shall not permit its ERISA Affiliates to: (i) engage in any non-exempt prohibited transaction (within the meaning of the Code Section 4975 or ERISA Section 406) with respect to any Benefit Plan that would result in a material adverse effect for which Seller or Issuer would be liable as ERISA Affiliates; (ii) fail to satisfy the minimum funding standards under Section 302(a) of ERISA and Section 412(a) of the Code with respect to any Benefit Plan or, in the case of a Multiemployer Plan, have an accumulated funding deficiency within the meaning of Section 304 of ERISA or Section 431 of the Code by an amount that would result in a material adverse effect for which Seller or Issuer would be liable as ERISA Affiliates; or (iii) terminate or withdraw from any Benefit Plan or Multiemployer Plan if such termination or withdrawal would result in any material adverse effect for which the Seller or Issuer would be liable as ERISA Affiliates. Further, none of the assets of the Seller or the Issuer constitutes or will constitute "plan assets" of one or more Benefit Plans.

(x) [Reserved].

(xi) Financial Reporting. The Servicer shall furnish or cause to be furnished to the Indenture Trustee and the Rating Agencies the following:

(A) Annual Financial Statements. As soon as available, and in any event within the later of (x) one hundred and twenty (120) days after the close of each fiscal year of the Servicer and (y) the date any such reports or financial statements are required to be publicly filed with the Securities and Exchange Commission, the audited consolidated balance sheet of the Servicer as of the end of such fiscal year, and the audited consolidated statements of income, shareholders' equity and cash flows of the Servicer for such fiscal year in reasonable detail and stating in comparative form the

respective figures for the corresponding date and period in the preceding fiscal year, in each case prepared in accordance with GAAP, consistently applied, and accompanied by the certificate of Independent Accountants and certified by an authorized officer of the Servicer as being complete and correct in all material respects, in each case presenting the financial condition and results of operations of the Servicer as of the dates and for the periods indicated, in accordance with GAAP consistently applied.

(B) Quarterly Financial Statements. As soon as available, and in any event within the later of (x) sixty (60) days after the close of the first three quarters of each fiscal year of the Servicer and (y) the date any such reports or financial statements are required to be publicly filed with the Securities and Exchange Commission, the unaudited consolidated balance sheet of the Servicer as of the end of each such quarter, and the unaudited consolidated statements of income and cash flows of the Servicer for the portion of the fiscal year then ended, in reasonable detail and stating in comparative form the respective figures for the corresponding date and period in the preceding fiscal year, prepared in accordance with GAAP, consistently applied (subject to normal year-end adjustments), and certified by an authorized officer of the Servicer as being complete and correct in all material respects and presenting the financial condition and results of operations of the Servicer as of the dates and for the periods indicated, in accordance with GAAP consistently applied (subject as to interim statements to normal year-end adjustments).

(C) Certification Regarding Servicer Defaults. Concurrently with the delivery of each financial report delivered under (A) or (B) above, a certification by the chief financial officer or chief treasury officer of the Servicer that, to the best of his knowledge, no Servicer Default and no event which, with the giving of notice or the passage of time, would become a Servicer Default has occurred and is continuing or, if any such Servicer Default or other event has occurred and is continuing, the action which the Servicer has taken or proposes to take with respect thereto.

(D) Notices to Other Creditors. Concurrently with the delivery to the “Agent” under the Comerica Credit Agreement, but in any event no later than when such reports and notices are required to be given under such agreement, copies of any static pool analyses, notices of default, notices disclosing adverse litigation or a material adverse change in the Servicer’s financial condition, business or operations.

(E) Other Material Events. As soon as possible, and in any event within three (3) Business Days after becoming aware of (i) any material adverse change in the financial condition of the Servicer or any of its Subsidiaries, a certificate of a financial officer setting forth the details of such change, or (ii) the submission of any claim or the initiation of any legal process, litigation or administrative or judicial investigation against the Servicer or any of its Subsidiaries in any federal, state or local court or before any arbitration board, or any such proceeding threatened by any governmental agency, which, if adversely determined, would be reasonably likely to cause a material adverse effect on the Servicer’s financial condition or operations, its ability to perform its obligations hereunder or on the collectability of the Trust Property.

(F) Other Information. Promptly upon request, such other information respecting the Trust Property or the Servicer as the Rating Agencies may reasonably request.

(b) Negative Covenants. From the date hereof until the Stated Final Maturity or, if earlier, the date that each class of Notes have been paid in full:

(i) Mergers, Acquisition, Sales, etc. The Servicer will not consolidate with or merge into any other Person or convey or transfer its properties and assets substantially as an entirety to any Person, unless the Servicer is the surviving entity and unless:

(A) the Servicer has delivered to the Trust Collateral Agent, the Indenture Trustee, the Board of Trustees, the Owner Trustee and the Backup Servicer an Officer's Certificate and an Opinion of Counsel each stating that any consolidation, merger, conveyance or transfer and any related supplemental agreement comply with the terms of this Agreement and that all conditions precedent herein provided for relating to such transaction have been complied with and, in the case of the Opinion of Counsel, that any such supplemental agreement is legal, valid and binding with respect to the Servicer and such other matters as the Trust Collateral Agent may reasonably request;

(B) the Servicer shall have delivered written notice of such consolidation, merger, conveyance or transfer to the Trust Collateral Agent, the Indenture Trustee and the Noteholders; and,

(C) after giving effect thereto, no Servicer Default or event that with notice or lapse of time, or both, would constitute a Servicer Default shall have occurred.

(ii) Change of Name or Location of Records. Except as permitted under Section 7.03, the Servicer shall not (A) change its name or its state of organization, move the location of its principal place of business and chief executive office, and the offices where it keeps records concerning the Loans from the location referred to in Section 3.03(b), or (B) move the Records from the location thereof on the Closing Date, unless the Records are moved pursuant to Section 3.03(c) or the Servicer has given at least thirty (30) days' written notice to the Trust Collateral Agent and the Indenture Trustee and has taken all actions required under the UCC of each relevant jurisdiction in order to continue the first priority perfected security interest of the Trust Collateral Agent as agent for the Noteholders in the Trust Property.

(iii) Change in Payment Instructions to Obligors. The Servicer will not make any change in its instructions to Obligors (other than pursuant to its Collection Guidelines) regarding payments to be made directly or indirectly, unless the Trust Collateral Agent with the consent of the Majority Noteholders has consented to such change and has received duly executed documentation related thereto; provided, however, any successor Servicer appointed Servicer hereunder, shall be permitted to make changes to such instructions directing the Obligors to make payments to such successor Servicer directly or indirectly upon its appointment, but any subsequent changes shall be subject to the consent provisions of this clause (iii).

(iv) No Instruments. The Servicer shall take no action to cause any Loan to be evidenced by any instrument (as defined in the UCC as in effect in the relevant jurisdictions) except for instruments obtained with respect to defaulted Loans that are in the possession, or under the control, of the Servicer in its capacity as custodian for the Trust and the Trust Collateral Agent.

(v) No Liens. The Servicer shall not sell, pledge, assign or transfer to any other Person, or grant, create, incur, assume or suffer to exist any Lien (other than in favor of the Trust Collateral Agent or the Trust as specifically contemplated herein) on the Trust Property or any interest therein; the Servicer will notify the Trust Collateral Agent of the existence of any Lien on any portion of the Trust Property immediately

upon discovery thereof, and the Servicer shall defend the right, title and interest of the Trust Collateral Agent on behalf of the Noteholders in, to and under the Trust Property against all claims of third parties claiming through or under the Servicer.

(vi) Credit Guidelines and Collection Guidelines. The Servicer will not amend, modify, restate or replace, in whole or in part, the Credit Guidelines or Collection Guidelines, which change would materially impair the collectability of any Loan or Contract and materially adversely affect the interests or the remedies of the Trust Collateral Agent or the Trust under this Agreement or any other Basic Document, without the prior written consent of the Trust Collateral Agent with the consent of the Majority Noteholders, except if such change was made to comply with Applicable Laws.

(vii) Release of Contracts. Except for a release to an insurer in exchange for insurance proceeds paid by such insurer resulting from a claim for the total insured value of a vehicle, the Servicer shall not release or direct the Trust Collateral Agent to release the Financed Vehicle securing each such Contract from the security interest granted by such Contract in whole or in part, except in the event of (i) payment in full by or on behalf of the Obligor thereunder, (ii) settlement with the Obligor in respect of defaulted contracts materially consistent with its Collection Guidelines or (iii) repossession, nor shall the Servicer impair the rights of the Noteholders in the Contracts, except as may be required by Applicable Law.

(c) Notwithstanding the foregoing, the Servicer may assign rights in and to defaulted contracts to collection agents as part of the collection process under the Collection Guidelines.

Section 4.07. Payments in Respect of Loans or Contracts Upon Breach.

(a) The Servicer or the Trust Collateral Agent (provided that a Responsible Officer of the Trust Collateral Agent has actual knowledge or has received written notice thereof) shall inform the other parties to this Agreement promptly, in writing, upon the discovery (which in the case of the Backup Servicer in its capacity as successor Servicer shall mean actual knowledge or written notice of a Responsible Officer) of any breach of Section 4.01, 4.02, 4.03, 4.04, 4.05 or 4.06 hereof which materially and adversely affects the interest of the Issuer or the Indenture Trustee in the Contracts, the Purchased Loans or the Dealer Loans. Unless the breach shall have been cured by the last day of the first full Collection Period following such actual knowledge or receipt of notice by an Authorized Officer of the Servicer, the Servicer shall, as of the Business Day preceding the Determination Date relating to the respective Collection Period, make payments with respect to any Loan or Contract that is materially and adversely affected by such breach and which materially and adversely affects the interests of the Indenture Trustee or the Noteholders therein; provided, however, if the Backup Servicer is acting as successor Servicer, it shall not have any obligation to make payments with respect to any Loans or prepay any Contracts. In connection with making a payment required pursuant to this Section 4.07 in respect of a Loan or Contract, the Servicer shall remit the Purchase Amount. Notwithstanding anything herein to the contrary, (i) during the Revolving Period, such payments shall not be required if the Adjusted Collateral Amount is equal to or greater than the Minimum Collateral Amount; and (ii) during the Amortization Period, such payments shall not be required: (A) with respect to any Loan, so long as the aggregate Outstanding Balance of all Loans which would be Ineligible Loans as a result of being subject to the foregoing payment obligations during the Amortization Period is less than the Amortization Period Additional Loan Collateral Amount; and (B) with respect to any Contract, so long as the aggregate Outstanding Balance of all Contracts which would be Ineligible Contracts as a result of being subject to the foregoing

payment obligations during the Amortization Period is less than the Amortization Period Additional Contract Collateral Amount.

(b) If such payments are required in accordance with clause (a) of this Section 4.07, they shall be made only with respect to the Amortization Period Payment Obligations. Notwithstanding the foregoing, the Servicer's obligation to make any payment under this Section 4.07 may be waived with the prior written consent of the Indenture Trustee, at the direction of the Majority Noteholders. The Trust Collateral Agent and the Backup Servicer shall have no duty to conduct any affirmative investigation or inquiry as to the occurrence of any condition requiring payments to be made with respect to any Loan or Contract pursuant to this Section. Any such waiver by the Indenture Trustee, at the direction of the Majority Noteholders, shall not require any further waiver, action or consent by any other party. The party providing such waiver shall give notice thereof to the Issuer and the Administrator.

Section 4.08. Servicer Fee.

The Servicer, including any successor Servicer, shall be entitled to payment of the Servicing Fee as defined herein, which shall be payable in accordance with Section 5.08(a) hereof. In no event shall the Indenture Trustee or the Trust Collateral Agent be responsible for the Servicing Fee or for any differential between the Servicing Fee and the amount necessary to induce a successor Servicer to assume the obligations of Servicer hereunder.

Section 4.09. Servicer's Certificate.

(a) By the Determination Date in each calendar month, the Servicer shall deliver to the Trust Collateral Agent and the Indenture Trustee, the Rating Agencies, and Wells Fargo Securities, LLC, a Servicer's Certificate substantially in the form of Exhibit B hereto containing all information necessary to make the transfers, deposits and distributions pursuant to Sections 5.04 through 5.10 hereof for the Collection Period immediately preceding the date of such Servicer's Certificate and as of the last day of such Collection Period, and all information necessary for the Trust Collateral Agent to make available statements to the Noteholders pursuant to Section 5.11 hereof. Upon receipt of the Servicer's Certificate, the Indenture Trustee shall conclusively rely (and shall be fully protected in so relying) on the information contained therein for the purposes of making distributions and allocations as provided for herein. Each Servicer's Certificate shall be certified by a Responsible Officer of the Servicer. The Seller shall assist the Indenture Trustee with its obligation to make distributions and allocations. Loans purchased by the Trust shall be identified by the Servicer by the Dealer's lot number and certain other information with respect to such Loan (as specified in Schedule A to this Agreement).

(b) No later than 9:00 A.M. New York time on the fifth (5th) Business Day of each calendar month (the "Servicer's Data Date"), the Servicer shall send to the Backup Servicer a Computer Tape, detailing the Collections received during the prior Collection Period and all other information in its possession relating to the Loans and the Contracts as may be necessary for the complete and correct completion of the Servicer's Certificate (the "Servicer's Data File"). Such Computer Tape shall be in the form and have the specifications as may be agreed to between the Servicer and the Backup Servicer from time to time.

(c) No later than the end of the second (2nd) Business Day prior to each Determination Date, the Servicer shall furnish to the Backup Servicer the Servicer's Certificate related to the prior Collection Period together with all other information necessary for the preparation of such Servicer's Certificate.

(d) The Backup Servicer and the Servicer shall attempt to reconcile any material inconsistencies and/or to furnish any omitted information and the Servicer shall amend the Servicer's Certificate to reflect the Backup Servicer's computations or to include the omitted information. The Backup Servicer shall in no event be liable to the Servicer with respect to any failure of the Backup Servicer to discover or detect any errors, inconsistencies, or omissions by the Servicer with respect to the Servicer's Certificate and Servicer's Data File except as specifically set forth in this Section.

(e) On or before the end of the second Business Day prior to each Determination Date, the Servicer shall provide to the Backup Servicer, or its agent, or as frequently as may be otherwise requested, information on the Loans and related Contracts sufficient to enable the Backup Servicer to assume the responsibilities as successor Servicer and collect on the Contracts.

(f) Except as provided in this Agreement, the successor Servicer may accept and conclusively rely on all accounting, records and work of the Servicer without audit, and the successor Servicer shall have no liability for the acts or omissions of the Servicer or for the inaccuracy of any data provided, produced or supplied by the Servicer. If any Error exists in any information received from the Servicer, and such Errors should cause or materially contribute to any Continued Errors, the successor Servicer shall have no liability for such Continued Errors; provided, however, that this provision shall not protect the successor Servicer against any liability that would otherwise be imposed by reason of willful misconduct, bad faith or gross negligence in discovering or correcting any Error or in the performance of its duties hereunder or under the Backup Servicing Agreement. In the event the successor Servicer becomes aware of Errors or Continued Errors, the successor Servicer shall use its best efforts to reconstruct and reconcile such data as is commercially reasonable to correct such Errors and Continued Errors and prevent future Continued Errors. The successor Servicer shall be entitled to recover its costs thereby expended from the Servicer.

(g) The Backup Servicer and its officers, directors, employees and agent shall be indemnified by the Servicer and the Issuer jointly and severally, from and against all claims, damages, losses or expenses reasonably incurred by the Backup Servicer (including reasonable and documented attorneys' fees) and including costs and expenses (including any reasonable and documented legal fees, costs and expenses and court costs) incurred in connection with (i) any enforcement (including any action, claim or suit brought) by the Backup Servicer of any indemnification or other obligation of the Servicer or the Issuer or any other Person, and (ii) a successful defense, in whole or in part, of any claim that the Backup Servicer breached its standard of care arising out of claims asserted against the Backup Servicer by third parties on any matter arising out of this Agreement to the extent the act or omission giving rise to the claim accrues before the date on which the Backup Servicer assumes the duties of Servicer hereunder, except for any claims, damages, losses or expenses arising from the Backup Servicer's own gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction. The indemnification provided for in this Section shall be paid to the Backup Servicer until such time as such court enters a judgment as to the extent and effect of the alleged willful misconduct, bad faith or gross negligence, at which time the Backup Servicer shall, to the extent required pursuant to such court's determination, promptly return to the Servicer and the Issuer any such indemnification amounts so received but not owed and any other amounts as determined by such court. Indemnification by the Servicer and the Issuer under this Section 4.09(f) shall survive the termination or assignment of this Agreement or the earlier removal or resignation of the Backup Servicer.

(h) Other than as specifically set forth in this Agreement or in the Backup Servicing Agreement, the Backup Servicer shall have no obligation to supervise, verify, monitor

or administer the performance of the Servicer and shall have no duty, responsibility, obligation, or liability for any action taken or omitted by the Servicer.

Section 4.10. Annual Statement as to Compliance; Notice of Default.

(a) The Servicer shall deliver to the Trust Collateral Agent, the Issuer, the Rating Agencies, and the Indenture Trustee, on or before April 30th of each year beginning in the year 2024, an Officer's Certificate, dated as of the preceding December 31st, stating that (i) a review of the activities of the Servicer during the preceding 12-month (or for the initial certificate, for such shorter period as may have elapsed from the Closing Date to such December 31st or, with respect to a successor Servicer, shorter period if a successor Servicer becomes Servicer after the beginning of a calendar year) period and of its performance under this Agreement has been made under such officer's supervision and (ii) to the best of such officer's knowledge, based on such review, the Servicer has fulfilled all its obligations under this Agreement throughout such period, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to such officer and the nature and status thereof.

The Servicer shall direct the Indenture Trustee, upon receipt of such Officer's Certificate, to post such Officer's Certificate to www.CTSLink.com for the benefit of the Noteholders. The Indenture Trustee shall be protected and incur no liability to any Noteholder acting in reliance upon the contents of such Officer's Certificate. The Indenture Trustee shall not be required to make an independent investigation or inquiry with respect to the contents of such Officer's Certificate.

(b) The Servicer shall deliver to the Trust Collateral Agent, the Indenture Trustee, the Issuer, the Board of Trustees, the Owner Trustee, the Backup Servicer and to the Rating Agencies, promptly after having obtained knowledge thereof, but in no event later than five (5) Business Days thereafter, written notice in an Officer's Certificate of any event which with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 8.01. The Seller shall deliver to the Trust Collateral Agent, the Indenture Trustee, the Issuer, the Board of Trustees, the Owner Trustee, the Backup Servicer and to the Rating Agencies, promptly after having obtained knowledge thereof, but in no event later than five (5) Business Days thereafter, written notice in an Officer's Certificate of any event which with the giving of notice or lapse of time, or both, would become a Servicer Default under clause (ii) of Section 8.01. The Trust Collateral Agent shall forward a copy of each Officer's Certificate so received to each Noteholder.

Section 4.11. Annual Independent Certified Public Accountants' Report.

(a) The Servicer will deliver to the Trust Collateral Agent, the Issuer, the Indenture Trustee, and the Rating Agencies, on or before April 30th of each year beginning in the year 2024, a copy of a report prepared by Independent Accountants, who may also render other services to the Servicer or any of its Affiliates, or to the Seller, addressed to the audit committee of the Servicer and the Indenture Trustee and dated during the current year, to the effect that such firm has examined the Servicer's policies and procedures and issued its report thereon and expressing a summary of findings (based on the procedures to be performed on the documents, records and accounting records set forth in clause (b) of this Section 4.11) relating to the servicing of the Loans and the related Contracts and the administration of the Loans and the related Contracts and of the Trust during the preceding calendar year and that such servicing and administration was conducted in compliance with the terms of this Agreement, except for (i) such exceptions as such firm shall believe to be immaterial and (ii) such other exceptions as shall be set forth in such report and that such examination was performed in accordance with standards

established by the American Institute of Certified Public Accountants. For purposes of clause (i) of this Section 4.11(a), an amount shall be deemed “immaterial” if it is less than \$2,000 or 0.1%.

The Servicer shall direct the Indenture Trustee, upon receipt of such copy of the Independent Accountants report, to post such copy of the Independent Accountants Report to www.CTSLink.com for the benefit of the Noteholders. The Indenture Trustee shall be protected and incur no liability to any Noteholder acting in reliance upon the contents of such copy of the Independent Accountants report. The Indenture Trustee shall not be required to make an independent investigation or inquiry with respect to the contents of such copy of the Independent Accountants report.

In the event such independent public accountants require the Trust Collateral Agent or the Indenture Trustee to agree to the procedures to be performed by such firm in any of the reports required to be prepared pursuant to this Section 4.11, the Servicer shall direct the Trust Collateral Agent or the Indenture Trustee in writing to so agree; it being understood and agreed that the Trust Collateral Agent or the Indenture Trustee will deliver such letter of agreement in conclusive reliance upon the direction of the Servicer, and neither the Trust Collateral Agent nor the Indenture Trustee has made any independent inquiry or investigation as to, and shall have no obligation or liability in respect of, the sufficiency, validity or correctness of such procedures. The Indenture Trustee and the Trust Collateral Agent shall not be liable for any claims, liabilities or expenses relating to such accountants’ engagement or any report issued in connection with such an engagement and dissemination of any such report is subject to the consent of the accountants.

Such report shall also indicate that the firm is independent of the Servicer and its Affiliates within the meaning of the Code of Professional Ethics of the American Institute of Certified Public Accountants.

(b) The procedures to be performed by the Independent Accountants shall include: (i) a comparison of the data contained in two (2) Servicer’s Certificates (which are to be selected at random by the Independent Accountants from all of the Servicer’s Certificates delivered during the applicable fiscal year) to (A) the Servicer’s internal reports derived from its loan servicing system, (B) information obtained by the Servicer from the Indenture Trustee in compiling the Servicer’s Certificates, and (C) such other information used in the preparation of the Servicer’s Certificates, to confirm the calculation of the data contained in the Servicer’s Certificates; (ii) a comparison of the Aggregate Outstanding Eligible Loan Balance contained on three (3) Servicer’s Certificates (which are to be selected at random by the Independent Accountants from all of the Servicer’s Certificates delivered during the applicable fiscal year) to the Servicer’s internal reports derived from its accounting records, to confirm the calculation of such amount; (iii) an audit of the Servicer’s cash collections procedures by testing a random sample of five (5) daily cash receipts from the Servicer’s list of cash collections for the applicable fiscal year to confirm that Collections received are deposited to the Collection Account within two (2) Business Days of receipt; and (iv) such other procedures as may be mutually agreed upon by the Servicer, the Indenture Trustee at the direction of the Majority Noteholders and the Independent Accountants which are considered appropriate under the circumstances.

Section 4.12. Access to Certain Documentation and Information Regarding Loans and Contracts.

The Servicer shall provide to each Noteholder, the Indenture Trustee and the Trust Collateral Agent access to its records pertaining to the Loans and the related Contracts, upon reasonable prior written request. Access shall be afforded without charge, but only during the

normal business hours at the offices of the Servicer. Nothing in this Section shall affect the obligation of the Servicer to observe any Applicable Law prohibiting disclosure of information regarding the Dealers or the Obligors, and the failure of the Servicer to provide access to information as a result of such obligation shall not constitute a breach of this Section.

Section 4.13. Servicer Expenses.

The Servicer shall be required to pay all expenses incurred by it in connection with its activities hereunder, including fees and disbursements of independent accountants, taxes imposed on the Servicer and expenses incurred in connection with distributions and reports to the Noteholders, the Indenture Trustee and the Trust Collateral Agent and with administering the duties of the Trust and the Issuer. If the Backup Servicer has become the Servicer, it shall be entitled to be reimbursed for all Servicer Expenses and Transition Expenses in accordance with Section 5.08(a) hereof and for all Repossession Expenses in accordance with Section 5.02 hereof.

Section 4.14. Servicer Not to Resign as Servicer.

Subject to the provisions of Section 7.03 of this Agreement, the Servicer shall not resign from the obligations and duties hereby imposed on it as Servicer under this Agreement except upon determination that the performance of its duties under this Agreement shall no longer be permissible under Applicable Law. Notice of any such determination permitting the resignation of the Servicer shall be communicated to the Backup Servicer, the Trust Collateral Agent, the Rating Agencies, the Issuer, the Board of Trustees, the Owner Trustee and the Indenture Trustee within five (5) Business Days thereafter (and, if such communication is not in writing, shall be confirmed in writing within five (5) Business Days thereafter) and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Backup Servicer, the Trust Collateral Agent and the Indenture Trustee concurrently with or promptly after such notice. No such resignation shall become effective until the successor Servicer, appointed in accordance with Section 8.02 hereof, shall have taken the actions required by the last paragraph of Section 8.01 of this Agreement and shall have assumed the responsibilities and obligations of the predecessor Servicer in accordance with Section 8.02 of this Agreement. The Trust Collateral Agent shall forward a copy of each notice so received to each Noteholder and the Rating Agencies.

Section 4.15. The Backup Servicer.

(a) Prior to assuming any of the Servicer's rights and obligations hereunder the Backup Servicer shall only be required to perform those duties specifically imposed upon it by the provisions of this Agreement and the Backup Servicing Agreement, and no implied obligations shall be read into this Agreement and therein against the Backup Servicer (including any implied duty to enforce another party's obligations if the Basic Documents have not assigned such responsibility to a party). Such duties generally relate to following the provisions herein and therein which would permit the Backup Servicer to assume some or all of the Servicer's rights and obligations hereunder (as modified or limited herein or in the Backup Servicing Agreement) with reasonable dispatch, following written notice.

The Backup Servicer, prior to assuming any of the Servicer's duties hereunder, may not resign hereunder unless it arranges for a successor Backup Servicer reasonably acceptable to the Servicer and the Seller, with not less than thirty (30) days' notice delivered to the Servicer and the Seller. The Backup Servicer shall have no obligations or duties under any agreement to which it is not a party, including but not limited to the various agreements named herein.

(b) The Backup Servicer shall not be required to expend or risk its own funds or otherwise incur liability (financial or otherwise) in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if the repayment of such funds or written indemnity reasonably satisfactory to it against such risk or liability is not reasonably assured to it in writing prior to the expenditure or risk of such funds or incurrence of financial liability. Notwithstanding any provision to the contrary, the Backup Servicer, in its capacity as such, and not in its capacity as successor Servicer, shall not be liable for any obligation of the Servicer contained in this Agreement, and the parties shall look only to the Servicer to perform such obligations.

(c) The Servicer shall have no liability, direct or indirect, to any party, for the acts or omissions of the Backup Servicer, irrespective of when such acts or omissions may occur whenever such acts or omissions occur, except as set forth in Section 4.09(f). The successor Servicer shall not be liable for the acts or omissions of any predecessor Servicer.

Section 4.16. [Reserved].

Section 4.17. Obligations in Respect of the Servicer.

To the extent Credit Acceptance is no longer the Servicer hereunder, Credit Acceptance, in its individual capacity, agrees to perform the obligations of the Servicer, as Administrator, described in Sections 4.01(c) and (d) and Section 4.06(a)(vii)(B) hereof and in Sections 5.1, 6.2 and 11.12 of the Trust Agreement.

Section 4.18. Dealer Collections Purchase.

(a) On the date of any Dealer Collections Purchase, Credit Acceptance shall deliver to the Indenture Trustee a list identifying (A) all Dealer Loans satisfied as a result of such Dealer Collections Purchase, (B) each Dealer Loan Contract that previously secured such Dealer Loans, and (C) the Purchased Loans and Purchased Loan Contracts evidencing such Purchased Loans resulting from such Dealer Collections Purchase, in each case of clauses (A), (B) and (C), identified by account number, dealer number and pool number, as applicable. Such list shall be deemed to supplement Exhibit A to the Sale and Contribution Agreement and Schedule A hereof as of the date of such Dealer Collections Purchase.

(b) On each date of a Dealer Collections Purchase, following payment in full of the Dealer Collections Purchase Price by Credit Acceptance to the applicable Dealer, (i) the related Dealer Loans (including the rights to the related Dealer Collections thereunder) shall be deemed to be satisfied; (ii) the Dealer Loan Contracts that previously secured such Dealer Loans will be automatically assigned by Credit Acceptance to the Seller and by the Seller to the Issuer as Purchased Loan Contracts and the advances by Credit Acceptance thereon will be deemed Purchased Loans; (iii) the Issuer agrees to accept the assignment of such Purchased Loans and Purchased Loan Contracts by the Seller in satisfaction of such Dealer Loans; (iv) the Dealer Collections Purchase Agreement will be deemed a Purchase Agreement with respect to such Purchased Loans; and (v) the Issuer will retain as Available Funds all Collections on such Purchased Loan Contracts that previously secured such Dealer Loans.

(c) The consideration for the conveyance from the Seller to the Issuer of the Purchased Loan Contracts and Purchased Loans arising under the related Dealer Collections Purchase Agreement and other related Subsequent Seller Property will be (i) the satisfaction of the Dealer Loans previously secured by such Purchased Loan Contracts as provided herein, plus (ii) an increase in the value of the Seller's equity interest in the Issuer (which constitutes and will constitute all of the equity interests issued by the Issuer) that results from such conveyance.

ARTICLE V.

TRUST ACCOUNTS; DISTRIBUTIONS; STATEMENTS TO CERTIFICATEHOLDERS AND NOTEHOLDERS

Section 5.01. Establishment of Accounts of the Trust.

(a) (i) On or prior to the Closing Date, the Trust Collateral Agent, on behalf of the Indenture Trustee, for the benefit of the Noteholders, shall establish and maintain in its own name two Eligible Accounts (respectively, the “Collection Account” and the “Principal Collection Account”) bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Trust Collateral Agent on behalf of the Indenture Trustee for the benefit of the Noteholders. The Collection Account and the Principal Collection Account shall initially be established by the Trust Collateral Agent at Wells Fargo Bank, N.A.

(ii) The Trust Collateral Agent, on behalf of the Indenture Trustee, for the benefit of the Noteholders, shall establish and maintain, in its own name an Eligible Account (the “Note Distribution Account”) bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Trust Collateral Agent on behalf of the Indenture Trustee for the benefit of the Noteholders. The Note Distribution Account shall initially be established by the Trust Collateral Agent at Wells Fargo Bank, N.A.

(iii) The Trust Collateral Agent, on behalf of the Indenture Trustee, for the benefit of the Certificateholders, shall establish and maintain, in its own name an Eligible Account (the “Certificate Distribution Account”) bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Trust Collateral Agent on behalf of the Indenture Trustee for the benefit of the Certificateholders. The Certificate Distribution Account shall initially be established by the Trust Collateral Agent at Wells Fargo Bank, N.A.

(iv) The Trust Collateral Agent, on behalf of the Noteholders, shall establish and maintain in its own name an Eligible Account (the “Reserve Account”) bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Trust Collateral Agent on behalf of the Indenture Trustee for the benefit of the Noteholders. The Reserve Account shall initially be established by the Trust Collateral Agent at Wells Fargo Bank, N.A.

(b) Funds on deposit in the Collection Account, the Principal Collection Account and the Reserve Account shall each be invested by the Trust Collateral Agent (or any custodian with respect to funds on deposit in any such account) in Eligible Investments selected in writing by the Servicer (pursuant to standing instructions or otherwise), bearing interest or sold at a discount, and maturing, unless payable on demand, no later than the Business Day immediately preceding the next Distribution Date; provided, however, it is understood and agreed that the Trust Collateral Agent shall not be liable for any loss arising from such investment in Eligible Investments made at the written direction of the Servicer in conformity with this Agreement unless the Eligible Investment was a direct obligation of the Trust Collateral Agent in its commercial capacity. All such Eligible Investments shall be held by or on behalf of the Trust Collateral Agent for the benefit of the Indenture Trustee on behalf of the Noteholders. Funds deposited in the Collection Account on the day immediately preceding a Distribution Date and funds arising from the maturity of any Eligible Investments on such preceding day are not required to be invested overnight. On each Distribution Date, all interest and investment income (net of investment losses and expenses) on funds on deposit in the Collection Account, as of the

end of the Collection Period shall be included in Available Funds; and all interest and other investment income (net of investment losses and expenses) on funds on deposit in the Reserve Account shall be deposited into the Reserve Account. (c) If (i) the Servicer shall have failed to give investment directions for any funds on deposit in the Collection Account, the Principal Collection Account or the Reserve Account to the Trust Collateral Agent by 2:00 p.m. Eastern Time (or such other time as may be agreed by the Issuer and Trust Collateral Agent) on any Business Day pursuant to standing instructions or otherwise, such funds shall remain uninvested; or (ii) an Indenture Default or Indenture Event of Default shall have occurred and be continuing with respect to the Notes but the Notes shall not have been declared due and payable, or, if such Notes shall have been declared due and payable following an Indenture Event of Default, but amounts collected or receivable from the Trust Property are being applied as if there had not been such a declaration; then the Trust Collateral Agent shall, to the fullest extent practicable, continue to invest and reinvest funds in the Collection Account, the Principal Collection Account or the Reserve Account, as the case may be, in Eligible Investments pursuant to the last written investment direction of the Servicer.

(d) (i) Subject to the grant of the security interest pursuant to the Indenture in favor of the Indenture Trustee, the Trust shall possess all right, title and interest in all funds on deposit from time to time in the Trust Accounts (other than Dealer Collections) and in all proceeds thereof and all such funds, investments, proceeds and income shall be part of the Trust Property. Except as otherwise provided herein, the Trust Accounts shall be under the sole dominion and control of the Trust Collateral Agent for the benefit of the Noteholders.

(ii) With respect to any Eligible Investments held from time to time in any Trust Account, the Trust Collateral Agent agrees that:

(A) any Eligible Investment that is held in deposit accounts shall be, except as otherwise provided herein, subject to the exclusive custody and control of the Trust Collateral Agent, and the Trust Collateral Agent shall have sole signature authority with respect thereto;

(b) In the event that any withholding tax is imposed on the Trust's payment (or allocations of income) to a Certificateholder, such tax shall reduce the amount otherwise distributable to the Certificateholder in accordance with this Section. The Trust Collateral Agent is hereby authorized and directed to retain from amounts otherwise distributable to the Certificateholders sufficient funds for the payment of any tax that is legally owed by the Trust as instructed in writing by the Servicer (but such authorization shall not prevent the Trust Collateral Agent from contesting, at the expense of the Seller, any such tax in appropriate proceedings, and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to a Certificateholder shall be treated as cash distributed to such Certificateholder at the time it is withheld by the Trust and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trust Collateral Agent may withhold such amounts in accordance with this clause (b). In the event that a Certificateholder wishes to apply for a refund of any such withholding tax, the Trust Collateral Agent shall reasonably cooperate with such Certificateholder in making such claim so long as such Certificateholder agrees to reimburse the Trust Collateral Agent for any out-of-pocket expenses incurred. Upon request from the Trust Collateral Agent, the parties hereto will provide such additional information that they may have to assist the Trust Collateral Agent in making any such withholdings or information reports.

(c) Distributions required to be made to Certificateholders on any Distribution Date shall be made to each Certificateholder of record on the preceding Record Date either by wire transfer, in immediately available funds, to the account of such Certificateholder at a bank or other entity having appropriate facilities therefor, if (i) such Certificateholder shall have provided to the Certificate Registrar appropriate written instructions at least ten (10) Business Days prior to such Distribution Date and such Certificateholder's Certificates in the aggregate evidence a denomination of not less than \$500,000 or (ii) such Certificateholder is the Seller, or an Affiliate thereof, or, if not, by check mailed to such Certificateholder at the address of such holder appearing in the Certificate Register. Notwithstanding the foregoing, the final distribution in respect of any Certificate will be payable only upon presentation and surrender of such Certificate at the office or agency maintained for that purpose by the Certificate Registrar pursuant to Section 3.4 of the Trust Agreement.

(d) Notwithstanding the foregoing, all transfers of funds between accounts may occur on the Business Day immediately preceding the Distribution Date related to such transfer; all distributions from accounts shall occur on the Distribution Date.

The indemnification provided for in this Section shall be paid to the indemnified party until such time as such court enters a judgment as to the extent and effect of the alleged willful misconduct, bad faith, or negligence (or in the case of the Owner Trustee, gross negligence), at which time the indemnified party shall, to the extent required pursuant to such court's determination, promptly return to the Issuer any such indemnification amounts so received but not owed and any other amounts as determined by such court.

(v) The Issuer shall indemnify, defend, and hold harmless, the Indenture Trustee, the Owner Trustee and each of their officers, directors, employees and agents from and against all costs, expenses, losses, claims, damages, and liabilities arising out of or incurred in connection with the acceptance or performance of the trusts and duties contained in the Trust Agreement, except, as to any such party, to the extent that such cost, expense, loss, claim, damage, or liability: (a) shall be due to the willful misconduct, bad faith or negligence (or in the case of the Owner Trustee, gross negligence) of such party as determined by a court of competent jurisdiction; or (b) shall arise from such breach of any of its representations or warranties set forth in the Trust Agreement. The indemnification of the Owner Trustee hereunder shall include indemnification for the matters set forth in Section 8.2 of the Trust Agreement. The

indemnification provided for in this Section shall be paid to the indemnified party until such time as such court enters a judgment as to the extent and effect of the alleged willful misconduct, bad faith, or negligence (or in the case of the Owner Trustee, gross negligence), at which time such indemnified party shall, to the extent required pursuant to such court's determination, promptly return to the Issuer any such indemnification amounts so received but not owed and any other amounts as determined by such court.

Indemnification under this Section 6.05 by the Issuer shall survive the termination or assignment of this Agreement and shall include reasonable and documented fees and expenses of counsel and expenses of litigation (including costs and expenses (including any reasonable and documented legal fees, costs and expenses and court costs) incurred in connection with (i) any enforcement (including any action, claim or suit brought) by the Indenture Trustee, the Owner Trustee, the Trust Collateral Agent or the Backup Servicer of any indemnification or other obligation of the Issuer or any other Person, and (ii) a successful defense, in whole or in part, of any claim that the Indenture Trustee, the Owner Trustee, the Trust Collateral Agent or the Backup Servicer breached its standard of care). If the Issuer shall have made any indemnity payments pursuant to this Section and the recipient thereafter collects any of such amounts from others, the recipient shall promptly repay such amounts to the Issuer, without interest. Amounts payable by the Issuer pursuant to this Section 6.05 shall only be payable: (i) in accordance with and only to the extent funds are available therefor pursuant to Section 5.08(a) hereof; or (ii) to the extent the Issuer receives additional funds designated for such purpose. No amount owing by the Issuer under this Section 6.05 shall constitute a claim (as defined in Section 101(5) of the Bankruptcy Code) against the Issuer and recourse to it.

Section 7.02. Indemnities of Servicer.

The Servicer shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Servicer under this Agreement and the other Basic Documents to which it is a party and no implied duties or obligations shall be read into this Agreement or the other Basic Documents against the Servicer.

Loans, or federal or other income taxes arising out of the transactions contemplated by this Agreement) and costs and expenses in defending against the same.

(iii) The Servicer shall indemnify, defend, and hold harmless the Trust, the Backup Servicer, the Trust Collateral Agent, the Owner Trustee, the Indenture Trustee and each of their respective officers, directors, employees and agents, and the Noteholders from and against any and all costs, expenses, losses, claims, damages, and liabilities to the extent that such cost, expense, loss, claim, damage, or liability arose out of, or was imposed upon such party through the breach by the Servicer of its obligations under this Agreement or any other Basic Document to which it is a party, in its capacity as Servicer, or the negligence, willful misconduct or bad faith of the Servicer in the performance of its duties under this Agreement or any other Basic Document to which it is a party.

(iv) The Servicer shall indemnify, defend, and hold harmless the Trust Collateral Agent, the Indenture Trustee, the Owner Trustee, the Backup Servicer and each of their respective officers, directors, employees and agents from and against all costs, expenses, losses, claims, damages, and liabilities arising out of or incurred in connection with the acceptance or performance of the trusts and duties contained herein, except, with respect to any such indemnified party, to the extent that such cost, expense, loss, claim, damage, or liability: (a) shall be due to the willful misconduct, bad faith, or negligence (or, in the case of the Owner Trustee, gross negligence) of such indemnified party as determined by a court of competent jurisdiction; or (b) shall arise from such indemnified party's breach of any of its representations or warranties in any material respect set forth in this Agreement or any other Basic Document to which such indemnified party is a party.

Indemnification under this Section by the Servicer, with respect to the period such Person was (or was deemed to be) the Servicer, shall survive the termination of such Person as Servicer or a resignation by or removal of such Person as Servicer as well as the termination or assignment of this Agreement and shall include reasonable fees and documented and expenses of counsel and expenses of litigation (including costs and expenses (including any reasonable and

documented legal fees, costs and expenses and court costs) incurred in connection with (i) any enforcement (including any action, claim or suit brought) by the Indenture Trustee, the Owner Trustee, the Trust Collateral Agent or the Backup Servicer of any indemnification or other obligation of the Servicer or any other Person, and (ii) a successful defense, in whole or in part, of any claim that the Indenture Trustee, the Owner Trustee, the Trust Collateral Agent or the Backup Servicer breached its standard of care). If the Servicer shall have made any indemnity payments pursuant to this Section and the recipient thereafter collects any of such amounts from others, the recipient shall promptly repay such amounts to the Servicer, without interest. The indemnification provided for in this Section shall be paid to the indemnified party until such time as such court enters a judgment as to the extent and effect of the alleged willful misconduct, bad faith, or negligence (or in the case of the Owner Trustee, gross negligence), at which time such indemnified party shall, to the extent required pursuant to such court's determination, promptly return to the Servicer any such indemnification amounts so received but not owed and any other amounts as determined by such court.

For purposes of this Section 7.02, in the event of the termination of the rights and obligations of the Servicer (or any successor thereto pursuant to Section 7.03) as Servicer pursuant to Section 8.01 or a resignation by such Servicer pursuant to this Agreement, such Servicer shall remain the Servicer until a successor Servicer has accepted its appointment pursuant to Section 8.02. The provisions of this paragraph shall in no way affect the survival pursuant to the preceding paragraph of the indemnification by the Servicer.

Notwithstanding any other provision of this Agreement, the obligations of the Servicer described in this Section shall not terminate or be deemed released upon the resignation or termination of the Servicer and shall survive any termination of this Agreement to the extent that such obligations arise from the Servicer's actions hereunder while acting as Servicer.

Section 7.03. Merger or Consolidation of, or Assumption of the Obligations of, Servicer.

Any Person (i) into which the Servicer may be merged or consolidated, (ii) resulting from any merger, conversion, or consolidation to which the Servicer shall be a party, or (iii) succeeding to the business of the Servicer (or to substantially all of the Servicer's business insofar as it relates to the making of Loans and the servicing of the Loans and the related Contracts), which corporation in any of the foregoing cases executes an agreement of assumption acceptable to the Majority Noteholders (which acceptance shall be in writing) to perform every obligation of the Servicer under this Agreement and the other Basic Documents to which it is a party, will be the successor to the Servicer under this Agreement and the other Basic Documents to which it is a party without the execution or filing of any paper or any further act on the part of any of the parties to this Agreement; provided, however, that (x) the Servicer shall have delivered to the Trust Collateral Agent, the Issuer, the Owner Trustee and the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, conversion, merger or succession and such agreement of assumption comply with this Section and that all conditions precedent provided for in this Agreement and the other Basic Documents to which it is a party relating to such transaction have been complied with and (y) the Servicer shall have delivered to the Trust Collateral Agent, the Issuer, the Owner Trustee and the Indenture Trustee an Opinion of Counsel either (A) stating that, in the opinion of such counsel, all financing statements and continuation statements and amendments thereto have been filed that are necessary to preserve and protect fully the interest of the Trust in the Contracts which secure certain of the Loans, and reciting the details of such filings, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interest or (z) the Rating Agency Condition shall have been satisfied. The Servicer shall provide notice of any merger, conversion, consolidation or succession pursuant to this Section to the Trust

Collateral Agent and the Rating Agencies then providing a rating for the Notes. The Trust Collateral Agent shall forward a copy of each such notice to each Noteholder. Notwithstanding anything herein to the contrary, the execution of the foregoing agreement of assumption and compliance with clauses (x), (y) and (z) above shall be conditions to the consummation of the transactions referred to in clauses (i), (ii) or (iii) above.

Section 7.04. Limitation on Liability of Servicer and Others.

Subject to Section 7.02, neither the Servicer nor any of the directors or officers or employees or agents of the Servicer shall be under any liability to the Trust, the Trust Collateral Agent, the Noteholders or the Certificateholders, except as provided under this Agreement or any other Basic Document to which it is a party, for any action taken or omitted to be taken pursuant to this Agreement in the good faith business judgment of the Servicer; provided, however, that this provision shall not protect the Servicer against any liability that would otherwise be imposed by reason of bad faith, willful misconduct in the performance of duties, or by reason of negligence in the performance of its duties under this Agreement or any other Basic Document to which it is a party. The Servicer and any director, officer or employee or agent of the Servicer may rely in good faith on any advice of counsel, Opinion of Counsel or on any Officer's Certificate of the Seller or certificate of auditors or other document of any kind believed to be genuine and to have been signed by the proper party in respect of any matters arising under this Agreement.

Except as provided in this Agreement, the Servicer shall not be under any obligation to appear in, prosecute, or defend any legal action that shall not be incidental to its duties to service the Loans and the related Contracts in accordance with this Agreement, and that in its opinion may involve it in any expense or liability; provided, however, that the Servicer may undertake any reasonable action that it may deem necessary or desirable in respect of this Agreement and the rights and duties of the parties to this Agreement and the interests of the Noteholders and the Certificateholders under this Agreement. In such event, the legal expenses and costs of such action and any liability resulting therefrom shall be expenses, costs, and liabilities of the Servicer.

Section 7.05. Delegation of Duties.

The Servicer may at any time perform specific duties or all the duties enumerated herein as servicer under this Agreement through a sub-contractor; provided, that no such delegation or subcontracting shall relieve the Servicer of its responsibilities with respect to such duties and the Servicer shall remain primarily responsible with respect thereto.

Section 7.06. Certification Upon Satisfaction.

Upon the satisfaction and discharge of the Indenture pursuant to Section 4.1 thereof, the Servicer shall deliver to the Board of Trustees and the Owner Trustee a written certification of a Responsible Officer stating, to the best knowledge of such Responsible Officer, that (a) no claims (including contingent or unliquidated claims) remain against the Issuer and no obligations are owed by the Trust, including that there are no claims and obligations that have not arisen but that, based upon facts known to such Responsible Officer, are likely to arise or become known to the Trust within 10 years after the dissolution, or (b) the only claims or obligations known to such Responsible Officer (including contingent and unliquidated claims) are those listed on a schedule to such certification.

ARTICLE VIII.

If any one of the following events (each, a “Servicer Default”) shall occur:

(i) any failure by the Servicer: (x) to deposit to the Collection Account (A) any amount required to be deposited therein by the Servicer (other than any such failure resulting from an administrative or technical error of the Servicer in the amount so deposited); or (B) within one (1) Business Day after the Servicer becomes aware that, as a result of an administrative or technical error of the Servicer, any amount previously deposited by the Servicer to the Collection Account was less than the amount required to be deposited therein by the Servicer, the amount of such shortfall; or (y) to deliver to the Trust Collateral Agent the Servicer’s Certificate on the related Determination Date;

(ii) failure on the part of the Servicer duly to observe or to perform in any material respect any other covenants or agreements of the Servicer set forth in any Basic Document, or any representation or warranty of the Servicer made in this Agreement, any other Basic Document or in any certificate or other writing delivered pursuant to any Basic Document proving to have been incorrect in any material respect as of the time when the same shall have been made, which default, if capable of cure, shall continue unremedied for a period of thirty (30) days (or a longer period, not in excess of sixty (60) days, as may be reasonably necessary to remedy such default, if the default is capable of remedy within sixty (60) days or less and the Servicer delivers an Officer’s Certificate to the Indenture Trustee to the effect that it has commenced, or will promptly commence and diligently pursue, all reasonable efforts to remedy the default) after (x) there shall have been given written notice of such failure, requiring the same to be remedied, to the Servicer by the Trust Collateral Agent (acting upon the written direction of the Majority Noteholders) or (y) discovery of such failure by an officer of the Servicer; or

(iii) the entry of a decree or order by a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a conservator, receiver, or liquidator for the Servicer or any of its subsidiaries in any insolvency, readjustment of debt, marshalling of assets and liabilities, or similar proceedings, or for the winding up or liquidation of its respective affairs, and the continuance of any such decree or order unstayed and in effect for a period of sixty (60) consecutive days or the entry of any decree or order for relief in respect of the Servicer or any of its subsidiaries under any bankruptcy, reorganization, compromise, arrangement, insolvency, readjustment of debt, or similar law, whether now or hereafter in effect, which decree or order for relief continues unstayed and in effect for a period of sixty (60) consecutive days; or

(iv) the consent by the Servicer or any of its subsidiaries to the appointment of a conservator or receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities, or similar proceedings of or relating to the Servicer or any of its subsidiaries or relating to substantially all of its property; or the admission by the Servicer or any of its subsidiaries in writing of its inability to pay its debts generally as they become due, the filing by the Servicer or any of its subsidiaries of a petition to take advantage of any applicable insolvency or reorganization statute, the

(v) [Reserved]; or

(vi) the Originator or Servicer, if Credit Acceptance is the Servicer, fails to pay when due (or no later than the next Distribution Date after the Servicer becomes aware that such payment was not made) Purchase Amounts in excess of \$100,000;

then, and in each and every case, the Trust Collateral Agent, if so directed by the Majority Noteholders by notice then given in writing to the Servicer, the Backup Servicer and the Trust Collateral Agent, shall terminate all of the rights and obligations of the Servicer under this Agreement.

The Trust Collateral Agent shall have no obligation to confirm the existence of a breach under clause (ii) above or to determine or verify its materiality.

Upon sending or receiving any such notice, the Trust Collateral Agent shall promptly send a copy thereof to the Indenture Trustee, the Issuer, the Owner Trustee, the Servicer (who shall promptly provide such notice to the Rating Agencies) and to each Noteholder. Within thirty (30) days after the receipt by the Backup Servicer of such written notice (if such notice relates to terminating the Servicer) and subject to Section 8.02(a), all authority and power of the Servicer under this Agreement, whether with respect to the Notes or the Loans or Contracts or otherwise, shall, without further action, pass to and be vested in the Backup Servicer or such successor Servicer as may be appointed under Section 8.02; and the Backup Servicer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the conveyance and endorsement of the Loans and the Contracts and related documents, or otherwise. Notwithstanding anything herein to the contrary, the Servicer shall not be relieved of its duties as Servicer under this Agreement until the Backup Servicer or a newly appointed successor Servicer shall have assumed the obligations and duties of the predecessor Servicer under this Agreement.

The predecessor Servicer shall cooperate with the successor Servicer and the Backup Servicer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Backup Servicer or the successor Servicer for administration by it of all cash amounts that shall at the time be held by the predecessor Servicer for deposit, or shall thereafter be received with respect to a Loan or related Contract, and the related accounts and records maintained by the Servicer. All Transition Expenses shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. If such Transition Expenses are not paid to the successor Servicer by the predecessor Servicer, such Transition Expenses shall be paid under Section 5.08(a)(i) hereof.

Section 8.02. Appointment of Successor.

(a) Upon the Servicer's receipt of notice of termination pursuant to Section 8.01, or the Servicer's resignation in accordance with the terms of Section 4.14, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, (i) in the case of termination, only until the date specified in such termination notice or, if no such date is specified in a notice of termination, until receipt of such notice and, (ii) in the case of

resignation, until the later of (x) the date thirty (30) days from the delivery to the Backup Servicer, the Trust Collateral Agent and the Indenture Trustee of written notice of such resignation (or the date of written confirmation of such notice prior to the expiration of the thirty (30) days) in accordance with the terms of this Agreement and (y) the date upon which the predecessor Servicer shall become unable to act as Servicer, as specified in the notice of resignation and accompanying Opinion of Counsel. In the event of the Servicer's resignation or termination hereunder, the Backup Servicer shall be the successor in all respects to the Servicer in its capacity as servicer under this Agreement and the transactions set forth or provided for herein and shall be subject to the responsibilities, duties and liabilities relating thereto placed on the Servicer by the terms and provisions hereof, as modified or limited hereby or by the Backup Servicing Agreement; provided, however, that the Backup Servicer shall not be liable for any actions of any Servicer prior to such succession or for any breach by the Servicer of any of its representations and warranties contained in this Agreement or in any related document or agreement. Notwithstanding the above, if the Backup Servicer is legally unable to so act, the Trust Collateral Agent shall appoint (after soliciting bids from potential servicers), or petition a court of competent jurisdiction to appoint, a Servicer as the successor Servicer hereunder, in the assumption of all or any part of the responsibilities, duties or liabilities of the outgoing Servicer hereunder. In the event that Computershare Trust Company, N.A., as Backup Servicer, is legally unable to act as Servicer under this Agreement and another entity is appointed as successor Servicer under this Section 8.02(a), Computershare Trust Company, N.A. shall have no further obligation to perform the obligations of Servicer or Backup Servicer under this Agreement. Pending appointment of a successor to the outgoing Servicer hereunder, if the Backup Servicer is prohibited by law from so acting (as evidenced by an Opinion of Counsel to the Trust Collateral Agent and the Indenture Trustee on behalf of the Noteholders), the outgoing Servicer shall continue to act as Servicer hereunder until a successor Servicer is appointed and assumes the obligations as successor Servicer. In the event the Backup Servicer assumes the responsibilities of the Servicer pursuant to this Section 8.02, the Backup Servicer will make commercially reasonable efforts consistent with Applicable Law to become licensed, qualified and in good standing under the laws which require licensing or qualification, in order to perform its obligations as Servicer hereunder or, alternatively, shall retain an agent who is so licensed, qualified and in good standing.

(b) Upon appointment, the Backup Servicer or the successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to the responsibilities, duties, and liabilities arising thereafter relating thereto placed on the predecessor Servicer (subject to the limitations and modifications thereto set forth herein or in the Backup Servicing Agreement) and shall be entitled to (to the extent arranged in accordance with the following paragraph) the Servicing Fee, Servicer Expenses, Repossession Expenses and all of the rights granted to the predecessor Servicer, by the terms and provisions of this Agreement, provided that neither the Backup Servicer nor the successor Servicer shall be liable for the acts or omissions of any predecessor Servicer. The Backup Servicer or any successor Servicer shall provide Credit Acceptance with copies of all documents and information reasonably necessary for Credit Acceptance to perform its obligations under Section 4.17 of this Agreement.

(c) In connection with such appointment, the Trust Collateral Agent may make such arrangements for the compensation of such successor Servicer (including Transition Expenses) out of payments on Loans and related Contracts as it, the Majority Noteholders and such successor Servicer shall agree; provided, however, any such arrangement shall be subject to Section 4.08 hereof. The Backup Servicer, the Trust Collateral Agent and any such successor Servicer shall take such action, consistent with this Agreement, as shall be necessary to effectuate any such succession.

Section 8.03. Notification to Noteholders and Certificateholders.

Upon any termination of, or appointment of a successor to, the Servicer pursuant to this Article VIII, the Trust Collateral Agent shall promptly upon its receipt of notice thereof give prompt written notice thereof to the Noteholders and the Certificateholders at their respective addresses appearing in the Note Register and the Certificate Register, the Issuer, the Board of Trustees, the Owner Trustee and the Servicer (who shall promptly provide such notice to each of the Rating Agencies then rating the Notes).

Section 8.04. Waiver of Past Defaults.

The Majority Noteholders, may, on behalf of all Noteholders, waive any or all default(s) by the Servicer or the Seller in the performance of its obligations hereunder and the consequences thereof, except a default in making any required deposits to or payments from a Trust Account in accordance with this Agreement. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. Notwithstanding anything herein to the contrary, the Indenture Trustee, at the direction of the Majority Noteholders, shall have the right to waive the payment of any Purchase Amount required hereunder except any Purchase Amount payable pursuant to Section 10.01(a).

ARTICLE IX.

THE TRUST COLLATERAL AGENT

Section 9.01. Duties of the Trust Collateral Agent.

(a) The Issuer hereby appoints Computershare Trust Company, N.A., as the Trust Collateral Agent, and Computershare Trust Company, N.A. hereby accepts such appointment.

(b) (i) the Trust Collateral Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement and the other Basic Documents and no implied covenants or obligations shall be read into this Agreement or the other Basic Documents against the Trust Collateral Agent (including any implied duty to enforce another party's obligations if the Basic Documents have not assigned such responsibility to a party); and

(ii) in the absence of bad faith or willful misconduct on its part, the Trust Collateral Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trust Collateral Agent and conforming to the requirements of this Agreement and the Basic Documents; however, the Trust Collateral Agent shall examine the certificates and opinions to determine whether or not they conform on their face to the requirements of this Agreement and the other Basic Documents.

(c) The Trust Collateral Agent may not be relieved from liability for its own negligent actions, its own negligent failure to act or its own bad faith or willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section; and

(ii) the Trust Collateral Agent shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trust Collateral Agent

unless it is proved that the Trust Collateral Agent was negligent in ascertaining the pertinent facts.

(d) Money held in trust by the Trust Collateral Agent need not be segregated from other funds except to the extent required by law or the terms of this Agreement.

(e) No provision of this Agreement shall require the Trust Collateral Agent to expend or risk its own funds or otherwise incur liability (financial or otherwise) in the performance of any of its duties hereunder or in the exercise of any of its rights or powers hereunder, if it shall have reasonable grounds to believe that repayment of such funds or indemnity reasonably satisfactory to it against such risk or liability is not reasonably assured to it.

(f) Every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Trust Collateral Agent shall be subject to the provisions of this Section.

(g) Without limiting the generality of this Section, the Trust Collateral Agent shall have no duty (A) to see to any recording, filing or depositing of this Agreement or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest in the Contracts which secure certain of the Loans or the Financed Vehicles, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, refiling or redepositing of any thereof, (B) to see to any insurance on the Financed Vehicles or Obligors or to effect or maintain any such insurance, (C) to see to the payment or discharge of any tax, assessment or other governmental charge or any Lien or encumbrance of any kind owing with respect to, assessed or levied against any part of the Trust, (D) to confirm, recalculate or verify the contents or accuracy of any reports or certificates delivered to the Trust Collateral Agent pursuant to this Agreement believed by the Trust Collateral Agent to be genuine and to have been signed or presented by the proper party or parties, or (E) to inspect the Contracts at any time or ascertain or inquire as to the performance or observance of any of the Issuer's, the Seller's or the Servicer's representations, warranties or covenants or the Servicer's duties and obligations as Servicer and as custodian of the Dealer Agreements, the Purchase Agreements, the original Certificates of Title relating to the Financed Vehicles and the Contracts under this Agreement.

(h) In no event shall Computershare Trust Company, N.A., in any of its capacities hereunder, be deemed to have assumed any duties of the Owner Trustee under the Delaware Statutory Trust Act, common law, or the Trust Agreement.

(i) Computershare Trust Company, N.A. by its execution hereof accepts its appointment as Trust Collateral Agent under the Indenture and this Agreement. The Trust Collateral Agent shall act upon and in compliance with the written instructions of the Indenture Trustee delivered pursuant to the Indenture promptly following receipt of such written instructions; provided, however, that the Trust Collateral Agent shall not act in accordance with any instructions: (i) which are not authorized by, or in violation of the provisions of, the Indenture or this Agreement; (ii) that are in violation of any applicable law, rule or regulation; or (iii) for which the Trust Collateral Agent has not received indemnity reasonably satisfactory to it. Receipt of such instructions shall not be a condition to the exercise by the Trust Collateral Agent of its express duties hereunder, except where the Indenture or this Agreement provides that the Trust Collateral Agent is permitted to act only following and in accordance with such instructions.

Section 9.02. Rights of the Trust Collateral Agent.

(a) Before the Trust Collateral Agent acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trust Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel, the costs of which are to be paid by the party requesting the Trust Collateral Agent act or refrain from acting.

(b) The Trust Collateral Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents (which may be an affiliate) or attorneys or a custodian or nominee and shall not be responsible for the misconduct or negligence of any agent, attorney, custodian or nominee appointed with due care.

(c) The Trust Collateral Agent shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trust Collateral Agent's conduct does not constitute willful misconduct, negligence or bad faith.

(d) The Trust Collateral Agent may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Agreement and the Notes or Certificates shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(e) The Trust Collateral Agent shall be under no obligation to exercise any of the rights and powers vested in it by this Agreement or the other Basic Documents, or to institute, conduct or defend any litigation under this Agreement or in relation to this Agreement, at the request, order or direction of any of the Holders of Notes or Certificateholders or the instructing party, as the case may be, pursuant to the provisions of this Agreement, unless the Trust Collateral Agent shall have been offered security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities that may be incurred therein or thereby.

(f) The Trust Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by the Majority Noteholders; provided, however, that if the payment within a reasonable time to the Trust Collateral Agent of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trust Collateral Agent, not reasonably assured to the Trust Collateral Agent by the security afforded to it by the terms of this Agreement, the Trust Collateral Agent may require indemnity reasonably satisfactory to it against such cost, expense or liability as a condition to so proceeding; the reasonable expense of every such examination shall be paid by the requesting Holders or the instructing party, as the case may be, or, if paid by the Trust Collateral Agent, shall be reimbursed by the requesting Holders upon demand.

(g) Delivery of any reports, information and documents to the Trust Collateral Agent provided for herein or otherwise publicly available is for informational purposes only (unless otherwise expressly stated herein) and the Trust Collateral Agent's receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein, including the Servicer's, Seller's or Issuer's compliance with any of its representations, warranties or covenants hereunder (as to which the Trust Collateral Agent is entitled to rely exclusively on Officer's Certificates).

(h) For purposes of determining the Trust Collateral Agent's responsibility and liability hereunder (including the sending of any notice), whenever reference is made in this

Agreement or any other Basic Document to any event (including, but not limited to, any default, Servicer Default or an Early Amortization Event) or information, such reference shall be construed to refer only to such event or information of which the Trust Collateral Agent has received written notice or has constructive or actual knowledge as described in this Section. Information contained in monthly distribution reports (other than those reports that the Trust Collateral Agent is contractually obligated to review) and other publicly-available information shall not constitute written notice or actual knowledge. The Trust Collateral Agent shall not be deemed to have knowledge of any event, including any default, Servicer Default or an Early Amortization Event, or information (including breaches of representations and warranties), unless a Responsible Officer of the Trust Collateral Agent has actual knowledge or has received written notice thereof and shall have no duty to take any action to determine whether such event or information has occurred.

(i) In no event shall the Trust Collateral Agent be liable for any indirect, or consequential, punitive or special damages (including lost profits), regardless of the form of action and whether or not any such damages were foreseeable or contemplated.

(j) The Trust Collateral Agent may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval or other paper or document believed by it to be genuine and to have been signed or presented by the property party or parties.

(k) In no event shall the Trust Collateral Agent be liable for any act or omission on the part of the Issuer or the Servicer or any other Person. The Trust Collateral Agent shall not be responsible for monitoring or supervising the Issuer or the Servicer.

(l) Without limiting the generality of any other provision hereof, the Trust Collateral Agent shall have (i) no duty to conduct any investigation as to a breach of any representation and warranty, the eligibility of any Loan for purposes of the Basic Documents or the occurrence of any condition (including materiality) requiring the repurchase of any Loan by any Person pursuant to any Basic Document and (ii) no repurchase-related liabilities.

(m) In no event shall the Trust Collateral Agent be liable for any damages or losses due to forces beyond the control of the Trust Collateral Agent, including, without limitation, strikes, work stoppages, acts of war or terrorism, insurrection, revolution, civil unrest, nuclear or natural catastrophes or disasters or acts of God, interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services provided by the Trust Collateral Agent or to the Trust Collateral Agent by third parties, any present or future law or regulation or act of any governmental authority, labor disputes, disease, epidemic or pandemic, quarantine, national emergency, malware or ransomware attack, unavailability of the Federal Reserve Bank wire or telex system or other applicable wire or funds transfer system, and unavailability of any securities clearing system.

(n) The Trust Collateral Agent shall not be required to take any action that exposes the Trust Collateral Agent to personal liability of that is contrary to this Agreement or Applicable Law.

(o) The right of the Trust Collateral Agent to perform any permissive or discretionary act enumerated in this Agreement or any related document shall not be construed as a duty.

(p) Neither the Trust Collateral Agent nor any of its directors, officers, agents or employees shall be responsible in any manner for any recitals, statements, representations or

warranties made by the Issuer, the Servicer, the Backup Servicer, the Indenture Trustee, any Holder or any other Person contained in this Agreement or any other Basic Document or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, this Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other document furnished in connection herewith, or for the acts or omissions of any other party hereto or for any failure of the Issuer, the Servicer, the Indenture Trustee, any Holder or any other Person to perform its obligations hereunder or in any other Basic Document, or for the satisfaction of any condition specified herein.

(q) The Trust Collateral Agent may execute any of its duties under this Agreement by or through agents and professionals (including attorneys-in-fact) and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Trust Collateral Agent shall not be responsible for the action, inaction, negligence or misconduct of any agents and professionals (including attorneys-in-fact) selected by it with reasonable care.

(r) The Trust Collateral Agent shall not be imputed with any knowledge of, or information possessed or obtained by, the Backup Servicer, the Indenture Trustee, or any affiliate, line of business or other division of Computershare and vice versa in each case other than instances where such roles are performed by the same group or division within Computershare or otherwise include common Responsible Officers.

Section 9.03. Individual Rights of Trust Collateral Agent.

The Trust Collateral Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trust Collateral Agent.

The Trust Collateral Agent and its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trust Collateral Agent's economic self-interest for (i) serving as investment adviser, administrator, shareholder servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. The Trust Collateral Agent does not guarantee the performance of any Eligible Investments and is not liable for losses with respect to any such Eligible Investment.

In order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering, the Trust Collateral Agent is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Trust Collateral Agent. Accordingly, each of the parties hereto agree to provide the Trust Collateral Agent upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trust Collateral Agent to comply with such laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions.

Section 9.04. Reports by Trust Collateral Agent to Holders.

The Trust Collateral Agent shall on behalf of the Issuer deliver to each Noteholder such information as may be reasonably required to enable such Holder to prepare its Federal and state income tax returns.

Section 9.05. Compensation.

(a) The Issuer shall pay to the Trust Collateral Agent from time to time compensation provided under this Agreement, as provided in a separate fee letter, and all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services, except any such expense as may be attributable to its willful misconduct, negligence or bad faith. Such compensation and expenses shall be paid in accordance with Section 5.08(a) hereof. Such expenses shall include securities transaction charges relating to the investment of funds on deposit in the Trust Accounts and the reasonable compensation and reasonable expenses, disbursements and advances of the Trust Collateral Agent's counsel and of all persons not regularly in its employ.

(b) [Reserved].

(c) The Issuer's and the Servicer's payment obligations to the Trust Collateral Agent pursuant to this Section shall survive the discharge or assignment of this Agreement and any resignation or removal of the Trust Collateral Agent. When the Trust Collateral Agent incurs expenses after the occurrence of an Indenture Event of Default specified in Section 5.1(iv) or (v) of the Indenture with respect to the Issuer, the expenses are intended to constitute expenses of administration under Title 11 of the United States Code or any other applicable Federal or state bankruptcy, insolvency or similar law.

Section 9.06. Eligibility.

The Trust Collateral Agent under this Agreement shall at all times be a corporation or banking association having an office in the same state as the location of the Corporate Trust Office as specified in this Agreement; organized and doing business under the laws of such state or the United States of America; authorized under such laws to exercise corporate trust powers; having a combined capital and surplus of at least \$50,000,000; having long-term unsecured debt obligations rated at least "Baa3" by Moody's and "BBB" by S&P; and subject to supervision or examination by federal or state authorities. If such corporation shall publish reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purpose of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trust Collateral Agent shall cease to be eligible in accordance with the provisions of this Section, the Trust Collateral Agent shall resign immediately, provided that such resignation shall not be effective until a successor Trust Collateral Agent accepts appointment in accordance with Section 9.10(d) hereof.

Section 9.07. Trust Collateral Agent's Disclaimer.

The Trust Collateral Agent shall not be responsible for and make no representation as to the validity, sufficiency or adequacy of this Agreement, the Trust Property or the Securities, shall not be accountable for the Issuer's use of the proceeds from the Securities, and shall not be responsible for any statement of the Issuer in this Agreement or in any document issued in connection with the sale of the Securities or in the Securities.

Section 9.08. Limitation on Liability.

Neither the Trust Collateral Agent nor any of its directors, officers or employees shall be liable for any action taken or omitted to be taken by it or them hereunder, or in connection herewith, except that the Trust Collateral Agent shall be liable for its negligence, bad faith or willful misconduct; nor shall the Trust Collateral Agent be responsible for the validity, effectiveness, value, sufficiency or enforceability against the Issuer of this Agreement or any of the Trust Property (or any part thereof). Notwithstanding any term or provision of this

Agreement, the Trust Collateral Agent shall incur no liability to the Issuer for any action taken or omitted by the Trust Collateral Agent in connection with the Trust Property, except for the negligence, bad faith or willful misconduct on the part of the Trust Collateral Agent, and, further, shall incur no liability to the Issuer except for negligence, bad faith or willful misconduct in carrying out its duties to the Issuer. Subject to Section 9.09, the Trust Collateral Agent shall be protected and shall incur no liability to any such party in relying upon the accuracy, acting in reliance upon the contents, and assuming the genuineness of any notice, demand, certificate, signature, instrument or other document reasonably believed by the Trust Collateral Agent to be genuine and to have been duly executed by the appropriate signatory (absent actual knowledge of or written notice to a Responsible Officer of the Trust Collateral Agent to the contrary), and the Trust Collateral Agent shall not be required to make any independent investigation or inquiry with respect thereto. The Trust Collateral Agent shall at all times be free to establish independently to its reasonable satisfaction, but shall have no duty to verify independently, the existence or nonexistence of facts that are a condition to the exercise or enforcement of any right or remedy hereunder or under any of the Basic Documents. The Trust Collateral Agent may consult with counsel, and shall not be liable for any action taken or omitted to be taken by it hereunder in good faith and in accordance with the advice of such counsel.

Section 9.09. Reliance Upon Documents.

In the absence of bad faith or willful misconduct on its part, the Trust Collateral Agent shall be entitled to conclusively rely on any communication, instrument, paper or other document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons and shall have no liability in acting, or omitting to act, where such action or omission to act is in reasonable reliance upon any statement or opinion contained in any such document or instrument.

Section 9.10. Successor Trust Collateral Agent.

(a) Merger. The Trust Collateral Agent may merge with any person, and any Person into which the Trust Collateral Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any Person resulting from any such conversion, merger, consolidation, sale or transfer to which the Trust Collateral Agent is a party, shall be and become a successor Trust Collateral Agent hereunder and be vested with all of the trusts, powers, discretions, immunities, privileges and other matters as was its predecessor without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding. The Trust Collateral Agent shall give notice to the Indenture Trustee, on behalf of the Noteholders, and the Servicer (who shall promptly provide such notice to the Rating Agencies) of any such transition.

(b) Resignation. The Trust Collateral Agent and any successor Trust Collateral Agent may resign at any time by giving sixty (60) days' prior written notice to the Issuer (who shall promptly provide such notice to the Rating Agencies); provided, that such resignation shall not be effective until a successor Trust Collateral Agent is appointed and accepts appointment in accordance with clause (d) below.

(c) Removal.

(i) The Issuer may remove the Trust Collateral Agent by prior written notice if:

(A) a court having jurisdiction over the Trust Collateral Agent in an involuntary case or proceeding under federal or state banking or bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, shall have entered a decree or order granting relief or appointing a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or similar official) for the Trust Collateral Agent or for any substantial part of the Trust Collateral Agent's property, or ordering the winding-up or liquidation of the Trust Collateral Agent's affairs;

(B) an involuntary case under the federal bankruptcy laws, as now or hereafter in effect, or another present or future federal or state bankruptcy, insolvency or similar law is commenced with respect to the Trust Collateral Agent and such case is not dismissed within sixty (60) days;

(C) the Trust Collateral Agent commences a voluntary case under any federal or state banking or bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or other similar official) for the Trust Collateral Agent or for any substantial part of the Trust Collateral Agent's property, or makes any assignment for the benefit of creditors or fails generally to pay its debts as such debts become due or takes any corporate action in furtherance of any of the foregoing;

(D) the Trust Collateral Agent fails to comply with any material covenant hereunder; or

(E) the Trust Collateral Agent otherwise becomes legally incapable of acting.

(ii) [Reserved].

(iii) If the Trust Collateral Agent resigns or is removed or if a vacancy exists in the office of Trust Collateral Agent for any reason (the Trust Collateral Agent in such event being referred to herein as the retiring Trust Collateral Agent), the Issuer shall promptly appoint a successor Trust Collateral Agent.

A successor Trust Collateral Agent shall deliver a written acceptance of its appointment to the retiring Trust Collateral Agent and to the Issuer. Thereupon the resignation or removal of the retiring Trust Collateral Agent shall become effective, and the successor Trust Collateral Agent shall have all the rights, powers and duties of the retiring Trust Collateral Agent under this Agreement subject to satisfaction of the Rating Agency Condition. The successor Trust Collateral Agent shall mail a notice of its succession to the Noteholders, the Indenture Trustee and the Rating Agencies. The retiring Trust Collateral Agent shall promptly transfer all property held by it as Trust Collateral Agent to the successor Trust Collateral Agent.

If a successor Trust Collateral Agent does not take office within sixty (60) days after the retiring Trust Collateral Agent resigns or is removed, the retiring Trust Collateral Agent may petition any court of competent jurisdiction for the appointment of a successor Trust Collateral Agent that meets the eligibility requirements set forth in Section 9.06 hereof.

If the Trust Collateral Agent fails to comply with Section 9.12, any Noteholder with the prior written consent of the Indenture Trustee, may petition any court of competent jurisdiction for the removal of the Trust Collateral Agent and the appointment of a successor Trust Collateral Agent.

Any resignation or removal of the Trust Collateral Agent and appointment of a successor Trust Collateral Agent pursuant to any of the provisions of this Section shall not become effective until acceptance of appointment by the successor Trust Collateral Agent pursuant to this Section 9.10(c) and payment of all fees and expenses owed to the outgoing Trust Collateral Agent by the Servicer and the Issuer.

Notwithstanding the replacement of the Trust Collateral Agent pursuant to this Section, the Issuer's and the Servicer's obligations under Section 9.05 shall continue for the benefit of the retiring Trust Collateral Agent.

(d) Acceptance by Successor. If the Trust Collateral Agent has resigned or has been removed pursuant to this Section 9.10, the Issuer (or the Owner Trustee, on its behalf (acting at the written direction of the Majority Certificateholder)) shall have the sole right to appoint each successor Trust Collateral Agent that meets the qualifications required hereunder. Every temporary or permanent successor Trust Collateral Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor and to the Owner Trustee, each Noteholder, each Certificateholder, the Rating Agencies, the Indenture Trustee and the Issuer an instrument in writing accepting such appointment hereunder and the relevant predecessor shall execute, acknowledge and deliver such other documents and instruments as will effectuate the delivery of all Collateral to the successor Trust Collateral Agent, whereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, duties and obligations of its predecessor. Such predecessor shall, nevertheless, on the written request of the Issuer, execute and deliver an instrument transferring to such successor all the estates, properties, rights, powers, duties and obligations of such predecessor hereunder. In the event that any instrument in writing from the Issuer is reasonably required by a successor Trust Collateral Agent to more fully and certainly vest in such successor the estates, properties, rights, powers, duties and obligations vested or intended to be vested hereunder in the Trust Collateral Agent, any and all such written instruments shall, at the request of the temporary or permanent successor Trust Collateral Agent, be forthwith executed, acknowledged and delivered by the Issuer (or the Owner Trustee, on behalf of the Issuer, (acting at the written direction of the Majority Certificateholders)), as the case may be. The designation of any successor Trust Collateral Agent and the instrument or instruments removing any Trust Collateral Agent and appointing a successor hereunder, together with all other instruments provided for herein, shall be maintained with the records relating to the Trust Property and, to the extent required by applicable law, filed or recorded by the successor Trust Collateral Agent in each place where such filing or recording is necessary to effect the transfer of the Trust Property to the successor Trust Collateral Agent or to protect or continue the perfection of the security interests granted hereunder.

If no successor Trust Collateral Agent shall have been appointed and accepted the appointment within sixty (60) days after the giving of notice of resignation, the resigning Trust Collateral Agent may petition any court of competent jurisdiction for the appointment of a successor Trust Collateral Agent that meets the qualifications required hereunder.

Section 9.11. Representations and Warranties of the Trust Collateral Agent.

The Trust Collateral Agent represents and warrants to the Issuer, the Seller, the Servicer, the Indenture Trustee and the Noteholders as follows:

(i) The Trust Collateral Agent is a national banking association, duly organized and validly existing under the laws of the United States and is authorized to conduct and engage in a banking and trust business under such laws.

(ii) The Trust Collateral Agent has full corporate power, authority, and legal right to execute, deliver, and perform this Agreement and the other Basic Documents to which it is a party, and has taken all necessary action to authorize the execution, delivery, and performance, by it of this Agreement and the other Basic Documents to which it is a party.

(iii) This Agreement and the other Basic Documents to which it is a party have been duly executed and delivered by the Trust Collateral Agent.

(iv) This Agreement and the other Basic Documents to which it is a party are the legal, valid and binding obligations of the Trust Collateral Agent enforceable in accordance with their respective terms, subject to the effects of bankruptcy, insolvency, reorganization, or other similar laws affecting the enforcement of creditors' rights generally and to general principles of equity.

Section 9.12. Waiver of Setoffs.

Except with respect to the Certificate Distribution Account, the Trust Collateral Agent hereby expressly waives any and all rights of setoff that the Trust Collateral Agent may otherwise at any time have under applicable law with respect to any Trust Account and agrees that amounts in the Trust Accounts shall at all times be held and applied solely in accordance with the provisions hereof.

Section 9.13. Benefits and Immunities of Trust Collateral Agent.

The Trust Collateral Agent shall be entitled to all of the benefits and immunities afforded the Indenture Trustee pursuant to the provisions of this Agreement and the Indenture. Other than as specifically set forth elsewhere in this Agreement and the Indenture, the Trust Collateral Agent shall have no obligation to supervise, verify, monitor or administer the performance of the Servicer and shall have no liability for any action taken or omitted by the Issuer or the Servicer.

ARTICLE X.

TERMINATION

Section 10.01. Optional Purchase.

(a) On any Distribution Date on which the sum of the Class A Note Balance plus the Class B Note Balance plus the Class C Note Balance has been or will, after giving effect to the application of Available Funds on such Distribution Date, be less than or equal to 10% of the sum of the initial Class A Note Balance plus the initial Class B Note Balance plus the initial Class C Note Balance, the Servicer shall have the option, upon no less than twenty (20) days prior written notice prior (or such lesser number of days permissible by the Clearing Agency and reasonably acceptable to the Indenture Trustee) to the related Distribution Date to the Issuer, the Trust Collateral Agent, the Owner Trustee, the Indenture Trustee and the Rating Agencies, to reacquire the Trust Property, other than the Trust Accounts. The Indenture Trustee shall provide notice of the Optional Purchase to the Noteholders within 5 Business Days of its receipt of the Servicer's notice. To exercise such option, the Servicer shall deposit pursuant to Section 5.04 in the Collection Account an amount equal to: (x) the aggregate Purchase Amount for the Loans, plus (y) the fair market value of any other property held by the Trust (other than the Trust Accounts), plus (z) sufficient funds to pay interest on the Notes through the date of redemption after giving effect to the application of Available Funds on such date. Notwithstanding the foregoing, the Servicer shall not exercise such option unless the purchase price paid by the

Servicer and other funds held by the Issuer are sufficient to pay the full amount of principal and interest due and payable on each class of the Notes, and all amounts due and payable to the Indenture Trustee, the Trust Collateral Agent, the Backup Servicer and the Owner Trustee under the Basic Documents. Upon such deposit the Servicer shall succeed to all interests in and to the Trust (other than the Trust Accounts).

(b) Notice of any termination of the Trust shall be given by the Servicer to the Board of Trustees, the Owner Trustee, the Indenture Trustee, the Trust Collateral Agent, the Certificate Registrar and the Rating Agencies as soon as practicable after the Servicer has received notice of the occurrence of an event of termination under Section 9.1(a) of the Trust Agreement.

Section 10.02. Termination.

Upon the earlier of (a) the payment of the full amount of principal and interest due and payable on the Notes, and all amounts due and payable to the Indenture Trustee, the Trust Collateral Agent, the Backup Servicer and the Owner Trustee under the Basic Documents and the satisfaction and discharge of the Indenture, and (b) the payment in full or other liquidation of the last outstanding Loan and the subsequent distribution of amounts in respect of such Loans as provided in the Basic Documents and the satisfaction and discharge of the Indenture, this Agreement shall terminate; provided that Section 7.06, Section 9.05(c), Section 11.13 and the indemnification obligations of the Issuer under Section 6.05 and of the Servicer under Section 4.09(f) and Section 7.02 shall survive such termination.

ARTICLE XI.

MISCELLANEOUS PROVISIONS

Section 11.01. Amendment.

This Agreement may be amended by the Seller, the Servicer, the Indenture Trustee (at the written direction of the Issuer), the Issuer, the Backup Servicer (at the written direction of the Issuer) and the Trust Collateral Agent (at the written direction of the Issuer), without the consent of any of the Noteholders to: (i) cure any ambiguity, to correct or supplement any provisions in this Agreement, or to add any other provisions with respect to matters or questions arising under this Agreement that shall not be inconsistent with the provisions of this Agreement; or (ii) reflect the succession of a successor Servicer or successor Backup Servicer; provided, however, that in connection with any amendment pursuant to clause (i), the action referred to therein shall not, as evidenced by an Opinion of Counsel, adversely affect in any material respect the interests of any Noteholder without such Noteholder's consent; and provided, further, that in connection with any amendment pursuant to clause (ii) above, the Servicer shall deliver to the Trust Collateral Agent and the Indenture Trustee a letter from each Rating Agency, which then has a rating on the Notes, to the effect that such amendment will not cause the then current ratings on the Notes to be qualified, reduced or withdrawn, or, each Rating Agency shall have been given at least ten (10) days' prior notice of such amendment and such Rating Agency shall not have issued any written notice to the Indenture Trustee that such amendment will itself cause such Rating Agency to downgrade or withdraw its rating assigned to any class of Notes.

This Agreement may also be amended from time to time by the Seller, the Servicer, the Indenture Trustee, the Issuer, the Backup Servicer (at the written direction of the Issuer) and the Trust Collateral Agent (at the written direction of the Issuer) with the consent of the Majority Noteholders (which consent of any Holder of a Note given pursuant to this Section 11.01 or pursuant to any other provision of this Agreement shall be conclusive and binding on such

Holder and on all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange thereof or in lieu thereof whether or not notation of such consent is made upon the Note), for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement, or of modifying in any manner the rights of the Holders of the Notes; provided, however, that no such amendment shall (a) change the due date of any installment of principal of or interest on any Note, or reduce the Class A Note Balance, Class B Note Balance or Class C Note Balance, or change the Class A Stated Final Maturity Date, Class B Stated Final Maturity Date, Class C Stated Final Maturity Date, Class A Note Rate, Class B Note Rate, Class C Note Rate, Class A Principal Distributable Amount, Class B Principal Distributable Amount or Class C Principal Distributable Amount, or (b) reduce the percentage required to consent to any such amendment, without the consent of each Holder of Notes then outstanding. Notwithstanding the foregoing, however, no consent of any Noteholder shall be required in connection with any amendment in order for the Certificateholders to sell, assign, transfer or otherwise dispose of the excess interest, provided that the Certificateholders present evidence to the Trust Collateral Agent that the ratings of the Notes shall not be reduced or withdrawn as a result.

Prior to the execution of any such amendment or consent, the Servicer will provide and the Trust Collateral Agent shall distribute written notification of the substance of such amendment or consent to each Rating Agency then rating the Notes.

Promptly after the execution of any such amendment or consent, the Trust Collateral Agent shall furnish a copy of the substance of such amendment or consent to each Noteholder and each Certificateholder.

It shall not be necessary for the consent of Noteholders pursuant to this Section to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents (and any other consents of Noteholders provided for in this Agreement) and of evidencing the authorization of the execution thereof by Noteholders shall be subject to such reasonable requirements as the Trust Collateral Agent may prescribe.

Prior to the execution of any amendment to this Agreement, the Trust Collateral Agent shall be entitled to receive and conclusively rely upon an Opinion of Counsel and Officer's Certificate stating that the execution of such amendment is authorized or permitted by this Agreement. The Trust Collateral Agent may, but shall not be obligated to, enter into any such amendment which affects the Trust Collateral Agent's own rights, duties or immunities under this Agreement or otherwise. No amendment that affects the Owner Trustee's rights, duties, indemnities or immunities shall be effective without the written consent of the Owner Trustee.

Section 11.02. Protection of Title to Trust.

(a) The Seller shall file such financing statements and cause to be filed such continuation statements, all in such manner and in such places as may be required by law to preserve, maintain, and protect fully the interest of the Noteholders, the Indenture Trustee and the Trust Collateral Agent in the Loans and the related Contracts and in the proceeds thereof and the sale of accounts and chattel paper. The Seller shall deliver (or cause to be delivered) to the Trust Collateral Agent file-stamped copies of, or filing receipts for, any document filed as provided above, as soon as available following such filing.

(b) None of the Originator, the Seller nor the Servicer shall change its name, identity, state of incorporation or formation or corporate structure in any manner that would, could, or might make any financing statement or continuation statement filed by the Seller in

accordance with paragraph (a) above seriously misleading within the meaning of §9-506 or §9-507 of the UCC, unless it shall have given the Trust Collateral Agent at least five (5) days' prior written notice thereof and shall have promptly filed appropriate amendments to all previously filed financing statements or continuation statements.

(c) The Seller, the Originator and the Servicer shall give the Trust Collateral Agent at least sixty (60) days' prior written notice of any relocation of its principal executive office or change of its state of incorporation or formation if, as a result of any such change, the applicable provisions of the UCC would require the filing of any amendment of any previously filed financing or continuation statement or of any new financing statement and shall promptly file any such amendment. The Servicer shall at all times maintain each office from which it shall service the Loans and the related Contracts, and its principal executive office, within the United States of America.

(d) The Servicer shall maintain accounts and records as to each Loan and Contract accurately and in sufficient detail to permit (i) the reader thereof to know at any time the status of such Loan and Contract, including payments and recoveries made and payments owing (and the nature of each) and (ii) reconciliation between payments or recoveries on (or with respect to) each Loan and Contract and the amounts from time to time deposited in the Collection Account in respect of such Loan and Contract.

(e) The Servicer shall maintain its computer systems so that, from and after the time of sale under this Agreement of the Loans and the related Contracts to the Trust, the Servicer's master computer records (including any back-up archives) that refer to a Loan or Contract shall indicate clearly (including by means of tagging) the interest of the Trust in such Loan or Contract and that such Loan or Contract is owned by the Trust. The Servicer shall at all times maintain "control" within the meaning of the UCC over the Contracts constituting electronic chattel paper. Indication of the Trust's ownership of a Loan or Contract shall be deleted from or modified on the Servicer's computer systems when, and only when, the Loan or Contract shall have been paid in full or repurchased.

(f) If at any time the Seller or the Servicer shall propose to sell, grant a security interest in, or otherwise transfer any interest in automotive receivables to any prospective purchaser, lender, or other transferee, the Servicer shall give to such prospective purchaser, lender, or other transferee computer tapes, records, or print-outs (including any restored from back-up archives) that, if they shall refer in any manner whatsoever to any Loan or Contract, shall indicate clearly (including by means of tagging) that such Loan or Contract has been sold and is owned by the Trust.

(g) The Servicer shall, upon reasonable prior notice, permit the Trust Collateral Agent and its agents at any time during normal business hours to inspect, audit, and make copies of and abstracts from the Servicer's records regarding any Loan or Contract at the office of the Servicer in a reasonable manner.

(h) Upon request, the Servicer shall furnish to the Trust Collateral Agent and the Indenture Trustee, within twenty (20) Business Days, a list of all Loans and Contracts (by agreement or contract number and name of Dealer or Obligor) then held as part of the Trust, together with a reconciliation of such list to the schedule of Loans, Dealer Agreements, Purchase Agreements and Contracts attached hereto as Schedule A and to each of the Servicer's Certificates furnished before such request indicating removal of Loans or Contracts from the Trust.

(i) The Seller shall deliver to the Trust Collateral Agent and the Indenture Trustee:

(1) within thirty (30) days after the end of each calendar quarter during the Revolving Period, beginning with the quarter ended December 31, 2023, an Opinion of Counsel, dated as of a date during such 30-day period, with respect to the creation of the Seller's security interest under the Sale and Contribution Agreement, the creation of the Issuer's security interest under the Sale and Servicing Agreement and the perfection and creation of the lien and security interest in favor of the Indenture Trustee in the Subsequent Seller Property sold by Credit Acceptance to the Seller during such calendar quarter (or in the case of the first such Opinion of Counsel, during the period from the Closing Date to December 31, 2023); and

(2) within ninety (90) days after the beginning of each calendar year beginning with 2024, an Opinion of Counsel, dated as of a date during such 90-day period, stating that in the opinion of such counsel, the existing financing statement naming the Issuer as debtor and the Indenture Trustee as secured party and any related continuation statement or amendment (the "Financing Statement") will remain effective and no additional financing statements, continuation statements or amendments with respect to the Financing Statement (other than a continuation statement to be filed within the period that is six months prior to the expiration of the Financing Statement, as applicable) will be required to be filed from the date of such opinion through the date that is the one year anniversary of the date of such opinion to maintain the perfection of the security interest of the Indenture Trustee as such lien otherwise exists on the date of such opinion. Such Opinion of Counsel shall also (i) describe the filing of any financing statements and continuation statements that will, in the opinion of such counsel, be required to preserve and protect the interest of the Indenture Trustee and the Trust Collateral Agent in the Loans and the related Contracts, until the 90th day in the following calendar year and (ii) specify any action necessary (as of the date of such opinion) to be taken in the following calendar year to preserve perfection of such interest.

Each Opinion of Counsel referred to in clause (i)(1) or (i)(2) above shall specify any action necessary (as of the date of such opinion) to be taken in the following calendar year to preserve perfection of such interest.

(j) For the purpose of facilitating the execution of this Agreement and for other purposes, this Agreement may be executed in any number of counterparts, each of which counterparts shall be deemed to be an original, and all of which counterparts shall constitute but one and the same instrument. This Agreement shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For the avoidance of doubt, original manual signatures shall be used for execution or

indorsement of writings and authentication of Notes when required under the UCC or other Signature Law due to the character or intended character of the writings.

Section 11.03. Limitation on Rights of Noteholders.

No Noteholder shall have any right to vote (except as provided in this Agreement or in the Indenture) or in any manner otherwise control the operation and management of the Trust, or the obligations of the parties to this Agreement. Nothing set forth in this Agreement, nor contained in the terms of the Notes, shall constitute the Noteholders as members of any partnership or association. No Noteholder shall be under any liability to any third person by reason of any action taken pursuant to any provision of this Agreement.

No Noteholder shall have any right by virtue or by availing itself of any provisions of this Agreement to institute any suit, action, or proceeding in equity or at law upon or under or with respect to this Agreement, unless such Holder previously shall have given to the Trust Collateral Agent a written notice of default and of the continuance thereof, and unless (i) the default arises from the Seller's or the Servicer's failure to remit payments when due hereunder, or (ii) the Majority Noteholders shall have made written request upon the Trust Collateral Agent to institute such action, suit or proceeding in its own name as Trust Collateral Agent under this Agreement and such Holder shall have offered to the Trust Collateral Agent such indemnity as it may reasonably require against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trust Collateral Agent, for thirty (30) days after its receipt of such notice, request, and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding and during such 30-day period no request or waiver inconsistent with such written request has been given to the Trust Collateral Agent pursuant to this Section 11.03 or Section 8.04; no one or more Holders of Notes or Certificateholders shall have any right in any manner whatsoever by virtue or by availing itself or themselves of any provisions of this Agreement to affect, disturb, or prejudice the rights of the Holders of any other of the Notes or the Certificateholders, or to obtain or seek to obtain priority over or preference to any other such Holder or Certificateholder (but subject to the priorities of payment set forth herein), or to enforce any right, under this Agreement except in the manner provided in this Agreement and for the equal, ratable, and common benefit of all Noteholders and all Certificateholders. For the protection and enforcement of the provisions of this Section, each Noteholder, each Certificateholder and the Trust Collateral Agent shall be entitled to such relief as can be given either at law or in equity.

In the event the Trust Collateral Agent shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of Notes, each representing less than the required amount of the applicable class of Notes, the Indenture Trustee in its sole discretion may determine what action, if any, shall be taken, notwithstanding any other provisions of this Agreement.

Section 11.04. Governing Law; Jurisdiction.

THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

Parties agree to the non-exclusive jurisdiction of the state and federal courts in New York.

Section 11.06. Severability of Provisions.

If any one or more of the covenants, agreements, provisions, or terms of this Agreement shall be for any reason whatsoever held invalid, then any such covenant, agreement, provision, or term shall be deemed severable from the remaining covenants, agreements, provisions, or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement or of the Securities or the rights of the Holders thereof.

Section 11.09. No Waiver; Cumulative Remedies.

No failure to exercise and no delay in exercising, on the part of the Trust Collateral Agent, the Indenture Trustee, the Noteholders or the Certificateholders, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by law.

Section 11.10. Third-Party Beneficiaries.

SCHEDULE C
to Sale and
Servicing Agreement

Perfection Representations, Warranties and Covenants

In addition to the representations, warranties and covenants contained in the Agreement, the Seller hereby represents, warrants, and covenants to the Trust and the Indenture Trustee as follows on the Closing Date and on each Distribution Date on which the Trust purchases Loans, in each case only with respect to the Seller Property conveyed to the Trust on the Closing Date or the relevant Distribution Date:

General

1. The Agreement creates a valid and continuing security interest (as defined in UCC Section 9-102) in the Seller Property in favor of the Trust, which security interest is prior to all other Liens, and is enforceable as such as against creditors of and purchasers from and assignees of the Seller.

2. Each Contract constitutes “tangible chattel paper,” “electronic chattel paper” or a “payment intangible” within the meaning of UCC Section 9-102. Each Dealer Loan constitutes a “payment intangible” or a “general intangible” within the meaning of UCC Section 9-102.

3. Each Dealer Agreement and Purchase Agreement constitutes either a “general intangible,” or “tangible chattel paper” within the meaning of UCC Section 9-102.

4. There is only one original executed copy of each “tangible record” constituting or forming a part of each Contract that is tangible chattel paper and a single “authoritative copy” (as such term is used in Section 9-105 of the UCC) of each electronic record constituting or forming a part of each Contract that is electronic chattel paper.

5. The Seller has taken or will take all necessary actions with respect to the Loans to perfect its security interest in the Loans and in the property securing the Loans.

Creation

1. The Seller owns and has good and marketable title to the Initial Seller Property or Subsequent Seller Property, as applicable, free and clear of any Lien, claim or encumbrance of any Person, excepting only liens for taxes, assessments or similar governmental charges or levies incurred in the ordinary course of business that are not yet due and payable or as to which any applicable grace period shall not have expired, or that are being contested in good faith by proper proceedings and for which adequate reserves have been established, but only so long as foreclosure with respect to such a lien is not imminent and the use and value of the property to which the Lien attaches is not impaired during the pendency of such proceeding.

Perfection

1. The Seller has caused or will have caused, within ten (10) days after the effective date of the Indenture, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the conveyance and sale of the Conveyed Property from the Originator to the Seller, the transfer and sale of the Seller Property from the Seller to the Issuer, and the security interest in the Collateral granted to the Indenture Trustee under the Indenture.

2. With respect to Seller Property that constitutes tangible chattel paper, such tangible chattel paper is in the possession of the Servicer, in its capacity as custodian for the Trust and the Trust Collateral Agent, and the Trust Collateral Agent has received a written acknowledgment from the Servicer, in its capacity as custodian, that it is holding such tangible chattel paper solely on its behalf and for the benefit of the Trust Collateral Agent, the Seller, the Trust and the relevant Dealer(s). With respect to Seller Property that constitutes electronic chattel paper, the Trust Collateral Agent has received a written acknowledgment from the Servicer that it, maintains control over such “electronic chattel paper”, as defined in Section 9-105 of the UCC, for the benefit of the Trust Collateral Agent, the Seller, the Trust and the relevant Dealer(s). All financing statements filed or to be filed against the Seller in favor of the Issuer or its assignee in connection with this Agreement describing the Seller Property contain a statement to the following effect: “A purchase of or security interest in any collateral described in this financing statement will violate the rights of the Secured Party.”

Priority

1. Other than the security interest granted to the Issuer pursuant to this Agreement, the Seller has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Seller Property. None of the Originator, the Servicer nor the Seller has authorized the filing of, or is aware of any financing statements against either the Seller, the Originator or the Trust that includes a description of the Seller Property and proceeds related thereto other than any financing statement: (i) relating to the sale of Conveyed Property by the Originator to the Seller under the Sale and Contribution Agreement, (ii) relating to the security interest granted to the Trust hereunder, (iii) relating to the security interest granted to the Trust Collateral Agent under the Indenture; or (iv) that has been terminated or amended to reflect a release of the Seller Property.

2. Neither the Seller, the Originator nor the Trust is aware of any judgment, ERISA or tax lien filings against either the Seller, the Originator or the Trust.

3. None of the tangible chattel paper or electronic chattel paper that constitutes or evidences the Contracts, the Dealer Agreements or the Purchase Agreements has any marks or notations indicating that it has been pledged, assigned or otherwise conveyed to any Person other than the Originator, the Servicer, the Seller, the Trust, a collection agent or the Trust Collateral Agent.

Survival of Perfection Representations

1. Notwithstanding any other provision of the Agreement, the Sale and Contribution Agreement, the Indenture or any other Basic Document, the Perfection Representations, Warranties and Covenants contained in this Schedule shall be continuing, and remain in full force and effect (notwithstanding any replacement of the Servicer or termination of Servicer’s rights to act as such) until such time as all obligations under the Sale and Servicing Agreement, Sale and Contribution Agreement and the Indenture have been finally and fully paid and performed.

No Waiver

2. The parties hereto: (i) shall not, without obtaining a confirmation of the then-current ratings of the Notes, waive any of the Perfection Representations, Warranties or Covenants; (ii) shall provide the Rating Agencies with prompt written notice of any breach of the Perfection Representations, Warranties or Covenants, and shall not, without obtaining a confirmation of the then-current ratings of the Notes as determined after any adjustment or

withdrawal of the ratings following notice of such breach, waive a breach of any of the Perfection Representations, Warranties or Covenants.

**CREDIT ACCEPTANCE ANNOUNCES COMPLETION OF
 \$400.0 MILLION ASSET-BACKED FINANCING**

Southfield, Michigan – August 24, 2023 – Credit Acceptance Corporation (Nasdaq: CACC) (the “Company”, “Credit Acceptance”, “we”, “our”, or “us”) announced today the completion of a \$400.0 million asset-backed non-recourse secured financing (the “Financing”). Pursuant to this transaction, we conveyed loans having a value of approximately \$500.1 million to a wholly-owned special purpose entity which will transfer the loans to a trust, which will issue three classes of notes:

Note Class	Amount	Average Life	Price	Interest Rate
A	\$ 209,411,000	2.44 years	99.97990%	6.39%
B	\$ 90,587,000	3.06 years	99.97533%	7.09%
C	\$ 100,002,000	3.47 years	99.98573%	7.62%

The Financing will:

- have an expected average annualized cost of approximately 7.3% including the initial purchasers’ fees and other costs;
- revolve for 24 months after which it will amortize based upon the cash flows on the conveyed loans; and
- be used by us to repay outstanding indebtedness and for general corporate purposes.

We will receive 4.0% of the cash flows related to the underlying consumer loans to cover servicing expenses. The remaining 96.0%, less amounts due to dealers for payments of dealer holdback, will be used to pay principal and interest on the notes as well as the ongoing costs of the Financing. The Financing is structured so as not to affect our contractual relationships with our dealers and to preserve the dealers’ rights to future payments of dealer holdback.

The notes have not been and will not be registered under the Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This news release does not and will not constitute an offer to sell or the solicitation of an offer to buy the notes. This news release is being issued pursuant to and in accordance with Rule 135c under the Securities Act of 1933.

Description of Credit Acceptance Corporation

Since 1972, Credit Acceptance has offered financing programs that enable automobile dealers to sell vehicles to consumers, regardless of their credit history. Our financing programs are offered through a nationwide network of automobile dealers who benefit from sales of vehicles to consumers who otherwise could not obtain financing; from repeat and referral sales generated by these same customers; and from sales to customers responding to advertisements for our financing programs, but who actually end up qualifying for traditional financing.

Without our financing programs, consumers are often unable to purchase vehicles or they purchase unreliable ones. Further, as we report to the three national credit reporting agencies, an important ancillary benefit of our programs is that we provide consumers with an opportunity to improve their lives by improving their credit score and move on to more traditional sources of financing. Credit Acceptance is publicly traded on the Nasdaq stock market under the symbol CACC. For more information, visit creditacceptance.com.
